Køreplan for strækning A

Sent på dagen kan man nøjes med at køre på linjerne A1 og A3. Om natten kan man gå ned til 10 minutters drift. Sent på natten kan man nøjes med 30 minutters drift på A1.
Busser er langt mindre end tog, så kapaciteten kan bedre tilpasses behovet – da jeg kørte telebus 820 om aftenen, kunne jeg ofte have samtlige passagerer fra lokaltoget i en 5 tons minibus.

stop	km	Linje A1												Linje A2												Linje A3												Linje A4												Linje A5
