

April 17, 2010

To: All National FastDance Association affiliated members:

Most of our Member clubs or Supporting members have received one or both of our Participation Agreements for ASCAP, BMI and SESAC. One Agreement is for Member clubs who wish to license their weekly/monthly dance activities. The other is for our Supporting members or Member clubs who, as hosts or sponsors, wish to license their major multi-day dance events. Both Participation Agreements state that the NFA will provide its logo and ASCAP, BMI and SESAC logos. By completing, signing and returning these forms to us you agree that the logos will be included and will appear on event flyers, souvenir or event programs, club newsletters and any other advertising or promotional materials for major events or club dance activities.

Additionally, we are requesting that the NFA logo and the applicable ASCAP, BMI and SESAC logos you choose also appear on your club or event websites. You can use a scanning, cut and paste or other method in order to achieve this. If your major dance event(s) for 2010 has already occurred, please initiate these requests for your 2011 event(s). There are four logos attached hereto. We request that you use them as follows:

Logo 1 or 2- One or the other of these logos should appear on club or event websites, club newsletters, event flyers and other advertising or promotional materials.

Logo 3- This logo is for Member club dance activities only and should appear on the club website, in the club newsletter and in any other advertising or promotional materials.

Logo 4- This logo is for major multi-day dance events only and should appear on the event flyers, souvenir or event programs, the event website and any other advertising or promotional materials.

Please note that prominently displaying logos 3 and/or 4 quickly assures inquiring minds that your club dance activities or major multi-day dance event are properly and legally licensed to present copyrighted music whether it be mechanically presented (deejays) or live bands. DO NOT USE THESE LOGOS IN ANY WAY UNLESS OR UNTIL YOU ARE LICENSED BY THE NFA TO DO SO.

Many of our affiliated members are already using these logos to one degree or another on their websites, newsletters, flyers, etc. For those of you who have not done so up until now, we strongly encourage you to start doing so. On our website www.fastdancers.com Member Clubs page, you will see that many of our clubs have provided us with their logo. If your club logo isn't there and you would like for us to include it, please forward it to us via an email attachment and we will do so.

If you have any questions or concerns regarding the use of our logos, please contact us.

Bill Maddox, President
