

Comments to Conscious Spacetime.

**A possible connection between phenomenal properties and six-dimensional spacetime.
Poster presented at Towards a Science of Consciousness 21-26 April 2014 Tucson**

To (15) Maudlin writes:

”Violation of Bell’s inequality does not require superluminal matter or energy transport

Violation of Bell’s inequality does not entail the possibility of superluminal Signalling

Violation of Bell’s inequality does require superluminal causal connections.

Violation of Bell’s inequality can be accomplished only if there is superluminal information

transmission” Maudlin, T. (2011). *Quantum Non-Locality and Relativity*. Oxford: Wiley-Blackwell p.
