

## ***Main Objectives***

- *A healthy natural environment*
- *Keeping Willunga Basin free from urban sprawl and inappropriate development*
- *The protection of the Basin's heritage assets*
- *The retention of agriculture as the primary land use east of South Road*
- *A low carbon future for Willunga Basin  
Sustainable communities and lifestyles*

## ***Main Achievements***

- *The marina proposed for Sellicks in the 80's was stopped (our first success).*
- *Leadership in the development of the McLaren Vale Character Preservation Bill, (which provides greater certainty for the protection of the Basin).*
- *Credibility with State and Local Government concerning many planning issues over two decades, with some significant outcomes.*
- *We are acknowledged as having influenced Council's climate change and renewable energy policies.*

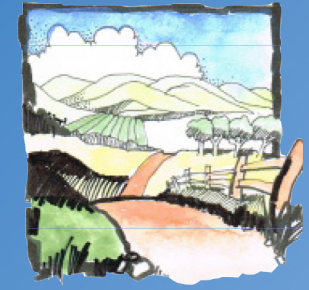

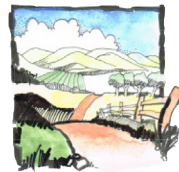

*You possibly live in this area because you love it. Preserve what you love -*

***Join***

***Friends of Willunga Basin inc.***

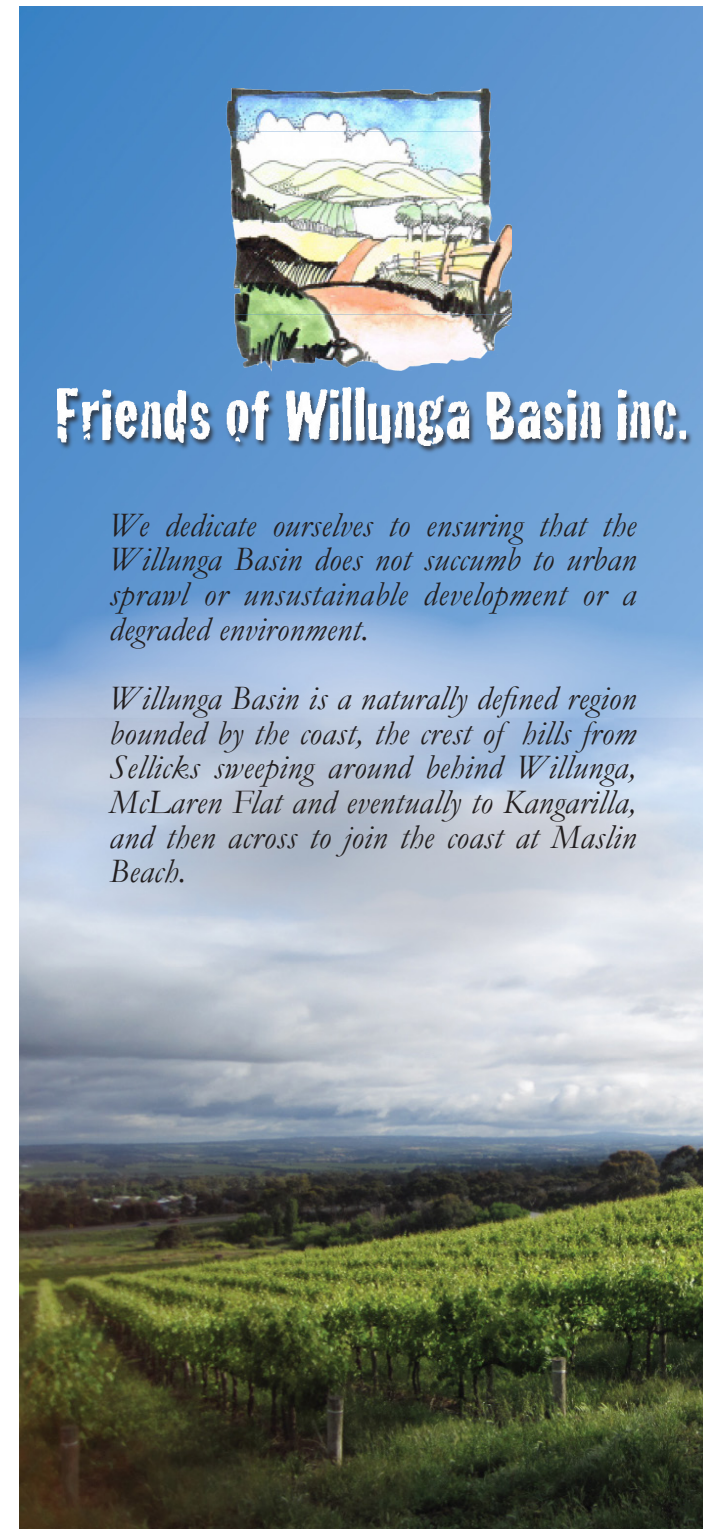

*Our credibility with decision makers depends on retaining a large membership.*

***Friends of Willunga Basin inc.***

*We dedicate ourselves to ensuring that the Willunga Basin does not succumb to urban sprawl or unsustainable development or a degraded environment.*

*Willunga Basin is a naturally defined region bounded by the coast, the crest of hills from Sellicks sweeping around behind Willunga, McLaren Flat and eventually to Kangarilla, and then across to join the coast at Maslin Beach.*
