The first of the two main groups of the  
 population is the "white" population, which

is the most numerous and the most

well educated. The second group is the

"colored" population, which is the least

educated and the least numerous. The

third group is the "negro" population,

which is the least educated and the

least numerous. The fourth group is the

"indian" population, which is the least

educated and the least numerous. The
