Mr. John Deere
Manager of Human Resources
Lionguard Investments Inc.
321 Park Ave
Stamford, CT 06983

Dear John Deere,

I would like to express my interest in an entry-level analyst position advertised Oct. 20 in *The Wall Street Journal*. Lionguard's recent acquisition of East A Group indicates the company's commitment to achieving growth. Innovative and exciting approaches such as this, coupled with Lionguard's highly regarded Analyst Program, makes me want to join your organization.

Lionguard team's values and objectives would highly complement my own strengths and enthusiasm. The position requires a B.S. in Business or Accounting; I will be graduating from University of Bridgeport in May 2014 with a B.S. degree in business. My educational background in finance and business combined with a unique perspective on foreign companies (born and raised in the U.S.) will make me an asset in your international investment division.

Please review the enclosed resume and consider my application for your Investment Banking Analyst program. I would appreciate the opportunity to come to Stamford to meet with you at a mutually convenient time and to explore what I can contribute to the company and what the company can offer me. I anticipate hearing from you in two weeks.

Sincerely,

Symphoni Samuels
