## 2012 SPONSORSHIP PACKAGE

Nature Coast Football League Flag Football and Cheerleading has been an established youth league in Citrus County since 1994. We are a non-profit, co-educational organization, and take pride in the inclusiveness of our organization. We routinely give back to the Citrus County Community by offering scholarships and assistance to children who would not otherwise be able to play.

The Nature Coast Football League regular playing season runs from August through November for our flag and recreational participants. Training and conditioning camps and activities will be made available to participants outside of the regular season. These activities are not required for participation in regular season play.

Nature Coast Football has been promoting Leadership, Teamwork, Sportsmanship and Discipline in Citrus County youth for many years. We also take pride in keeping life in perspective for our participants by requiring a minimum level of scholastic achievement, and limiting practice to 2 per week during the regular season. We recognize that family, other activities, and schoolwork are important components to a well balanced life.

Nature Coast Football invites you to become a part of our wonderful family of sponsors. When you become a sponsor, you become our helping partner in assisting children who would not otherwise be able to participate. We are extremely grateful for the help of all of our generous sponsors. Many are also proud Nature Coast Football volunteers, and we wouldn't be here without their caring and dedication.

Sponsorship is easy, and affordable to all who wish to help. There are several options to choose from, which are outlined in the next few pages. If you have any questions regarding sponsorship, please email us at [naturecoastfootball@yahoo.com](mailto:naturecoastfootball@yahoo.com).

Thank you in advance for your assistance to our league!
