01 Dec 2016 21:09

Autumn

I feel bad because my friend is in town from Maryland and I'm too lazy of a human to see her. You know when you just don't feel like putting forth the energy that it requires to be around a group of people..

01 Dec 2016 21:13

Me

"asking the wrong person"

01 Dec 2016 21:14

Autumn

I mean because we're similar so then we're going to feel the same way about it. It's not a different perspective

01 Dec 2016 21:14

Autumn

That's what I meant

01 Dec 2016 21:14

Me

I know

04 Dec 2016 19:57

Me

What bout you

04 Dec 2016 19:57

Autumn

Yup the body can be unpredictable. There's usually something you can identify that may have triggered it even if it's stress, sleep deprivation, whatever

04 Dec 2016 20:00

Me

I thought it was the dog I was playing with, cuz it was after I played rough with it and it has small short hairs but it lasted days and had fever

04 Dec 2016 20:19

Autumn

Not really, I wrap it in a few paper towels and squeeze it for a minute or so

04 Dec 2016 20:23

Me

I'm aware of ghrelin aswell

04 Dec 2016 20:27

Me

Lol

04 Dec 2016 20:27

Me

You can spread it if you skip breakfast because ghrelin is known to be higher when you wake up, something about cortisol effecting ghrelin I forget

04 Dec 2016 20:28

Autumn

Hm haven't heard datttt

04 Dec 2016 20:30

Autumn

I'm glad I saw you at the gym today

04 Dec 2016 20:32

Me

04 Dec 2016 20:32

Autumn

04 Dec 2016 20:38

Me

04 Dec 2016 20:38

Autumn

04 Dec 2016 20:46

Autumn

I didn't notice two people either

04 Dec 2016 20:46

Autumn

Oh well, homie has a staring problem lol

04 Dec 2016 20:47

Me

04 Dec 2016 20:47

Me

There was a black dude with dreads kept eyeing me but he than broke with a "hey man"

04 Dec 2016 20:50

Me

Probably because your presence and my weird dress code they are like how does he do it

04 Dec 2016 20:52

Me

04 Dec 2016 20:52

Autumn

Hey nothing wrong with your dress code...it's unique

04 Dec 2016 20:58

Autumn

Lol you're silly. People probably just don't expect it I suppose

04 Dec 2016 20:58

Me

I don't think anything is wrong with my dress code lol

04 Dec 2016 21:00

Autumn

Well you said weird so idk what you meant by that

04 Dec 2016 21:09

Autumn

Dassit

04 Dec 2016 21:09

Me

It's not average though lol so they like how he pull dat

04 Dec 2016 21:10

04 Dec 2016 21:41

Autumn

Alright I see you, feeling a lil reckless

04 Dec 2016 21:42

Me

Tracking doe

04 Dec 2016 21:42

Autumn

Me af

04 Dec 2016 21:42

Autumn

#iifymlife

04 Dec 2016 21:43

Me

Lol you are aware

04 Dec 2016 21:43

Autumn

Lmao that's a bit extra but yeeeeea that's ma gurl

04 Dec 2016 21:44

Autumn

Yea I'm aware. I used to track like a lunatic

04 Dec 2016 21:45

Me

Lol better than being a fat slob, everything takes effort

04 Dec 2016 21:45

Autumn

Well that's extreme -_- there can be balance somewhere in the middle, no?

04 Dec 2016 21:47

Me

Of course but that's why it's better to educate yourself and experiment so you have the understanding

04 Dec 2016 21:48

Autumn

Definitely I think that's the utility of tracking

04 Dec 2016 21:48

Autumn

But it can also get out of control too

04 Dec 2016 21:48

Me

So...better than mindless eating

04 Dec 2016 21:48

Autumn

Not for everyone

04 Dec 2016 21:48

Me

#Obesityepidemic

04 Dec 2016 21:49

Autumn

True that's a problem

04 Dec 2016 21:49

Autumn

But people can eat intuitively and reach their goals, maintain, whatever as well

04 Dec 2016 21:50

Me

Of course but but it should be ones responsibility to make these things second nature in some way. Just like growing plants should be taught at school too lol

04 Dec 2016 21:50

Me

True but to reach it optimally its good. Less waste of time

04 Dec 2016 21:50

Autumn

You're missing my point I think but yea I mostly agree with you

04 Dec 2016 21:51

Me

No I'm not

04 Dec 2016 21:51

Autumn

04 Dec 2016 21:51

Autumn

And yea I'd take a plant growing class. I may have liked high school if that was an option haha

04 Dec 2016 21:52

Me

I'm saying to be optimal. Obviously it's not for the average

04 Dec 2016 21:52

Autumn

Yes, my point is that aside from it being a great tool to reach goals, tracking can create other limitations for some people

04 Dec 2016 21:55

Autumn

When I say some people I really mean some...not everyone

04 Dec 2016 21:56

Me

I know. It can cause eating disorders

Autumn

Probably a small percentage relevant to those overall who use it

04 Dec 2016 21:56

Me

Yup

04 Dec 2016 21:57

Autumn

So dasssssit

04 Dec 2016 21:57

Autumn

That's what I meant

04 Dec 2016 21:57

Me

But you have a better idea what you are taking in Vs the average. And the average are complaining of being unhealthy n fat lol

04 Dec 2016 21:58

Me

So def a useful tool

04 Dec 2016 21:58

Autumn

Right it can go both ways too. Teach people what proper intake looks like

04 Dec 2016 21:59

Autumn

Whether you're over or under eating

04 Dec 2016 21:59

Autumn

Haha is that you right now?

04 Dec 2016 21:59

Autumn

You love the Olsen twins huh lol

04 Dec 2016 22:00

06 Dec 2016 07:29

Autumn

The fever keeps going down then coming back

06 Dec 2016 07:29

Me

Shit

06 Dec 2016 07:38

Me

You're just like me lol too tough

06 Dec 2016 07:38

Autumn

06 Dec 2016 07:52

Me

So something pretty weird just happened

06 Dec 2016 09:24

Me

I was talking to my mother. I asked whether she ever felt a connection with any one like stupid deep that you felt one with the person. She said yes but not that deep in short

06 Dec 2016 09:26

Me

I go on YouTube and the exact topic was on there

06 Dec 2016 09:26

Me

https://youtu.be/YdzZn_giE4w

06 Dec 2016 09:26

Me

Check it out later

06 Dec 2016 09:26

Me

Autumn

Awww yes that's really interesting. I haven't heard that term before but it makes total sense

06 Dec 2016 10:20

Autumn

Do you wanna brain couple with me?

06 Dec 2016 10:20

Autumn

Dassss us... so what sparked that convo with your mom?

06 Dec 2016 10:20

Me

Just weird how it was on my feed right after I talked about it. And science confirms that the brains are literally in synch.

06 Dec 2016 10:23

Me

Of course I do

06 Dec 2016 10:23

Me

My mom asked how you were doing, and mentioned how you probably shouldn't be spreading it at work lol. Also said "watch next week you'll be sick with all that swapping" I'm like naaah And then I just mentioned how good we connect and went from there

06 Dec 2016 10:26

Autumn

Yea I want to see the work from the TED researcher that looked at that. I like how the guy in the video mentioned how it all sounds so ambiguous "connected", "vibing", "on the same wavelength"

06 Dec 2016 10:31

Autumn

Because that's how I think of it. Like I know I feel a strong connection but can't exactly describe it, especially not in a concrete way

06 Dec 2016 10:31

Autumn

Aww how sweet is she. I hope you don't get sick Yea I know, I probably shouldn't be spreading it here but I'm going to try to leave around 2. I have a lot to do before then though

06 Dec 2016 10:34

Me

Yea I'll check it out eventually. Yea I think of it as chemistry which it basically is, and possibly on a quantum level. But it's all the same thaang different words to describe a feeling.

06 Dec 2016 10:35

Me

Vibes to if you think in terms of frequency which I do a lot.

06 Dec 2016 10:35

Me

Your nervous system reacts with outside stimulus giving your body n mind reactions and if your sharing a similar electrical pulse aka vibration then the two are traveling in the same plane. Lol

06 Dec 2016 10:37

Me

I'm not gonna get sick

06 Dec 2016 10:38

Autumn

Yea that's a good way to think about it

06 Dec 2016 10:41

Autumn

06 Dec 2016 10:41

Autumn

What did your mom think about what you said?

06 Dec 2016 10:42

Me

She always thinks I over think lol

06 Dec 2016 10:42

Me

She's like that's called a soul-mate. Some people find em some don't lol basically.

06 Dec 2016 10:43

Me

Sometimes it's good to be basic haha

06 Dec 2016 10:43

Autumn

Some things aren't superficial or so simple, they require deeper thought

06 Dec 2016 10:43

Autumn

Lolol

06 Dec 2016 10:43

Me

Lol she's simple though. Which is adorable haha

06 Dec 2016 10:43

Autumn

No I agree, at times simplicity is the best route. Other times it's not

06 Dec 2016 10:44

Me

True dat

06 Dec 2016 10:44

Me

*A little bit of that shines through when you are there

09 Dec 2016 20:12

Maybe you should tell him that you had two friends over and you were young and didn't want trouble and that you wouldn't disrespect the house like that

09 Dec 2016 20:12

Me

Like house stuff idk they are helping you out

09 Dec 2016 20:12

Me

You like a Goth without the Goth

09 Dec 2016 20:12

Autumn

Yea I've thought about that but either way I look like an idiot. If I say it was my friend then they're going to think what the hell kind of dumb ass people did you have here. So I'd rather just take eat it I guess lol

09 Dec 2016 20:14

Autumn

Oh yea, I always check in about that kind of stuff

09 Dec 2016 20:14

Me

Yes but if you tell him that you were stupid back then lol

09 Dec 2016 20:14

Me

Ah OK cooo

09 Dec 2016 20:15

Autumn

Idk I'd rather leave it be

09 Dec 2016 20:16

Me

09 Dec 2016 20:26

Me

Besides the sound aesthetics

09 Dec 2016 20:26

Autumn

I mean I understand what the song intends

09 Dec 2016 20:27

Me

The lyrics just illustrate a world that is possible if we realise now is all we have and we can change it how we invision as a whole

09 Dec 2016 20:27

Autumn

I was just wondering if you have any attachment or fondness for it for any reason beyond that

09 Dec 2016 20:28

Me

Me

11 Dec 2016 12:16

11 Dec 2016 12:18

Autumn

Poor sicky baby :(

11 Dec 2016 12:18

Autumn

Let me know if I can do anything for you

11 Dec 2016 22:35

Me

How can you forget something as big as a laptop lol what happens if you do forget?

11 Dec 2016 22:36

Autumn

Well I just forget to grab my bag altogether so if I have it all in the bag and put it by the door it's there to remind me

11 Dec 2016 22:37

Me

I see. I'd feel naked though

11 Dec 2016 22:38

Autumn

The computer in the office is weird and we're short on space to work so it's easier to have my laptop. Then I can meet with the patient wherever I find space and write notes from my laptop

11 Dec 2016 22:38

Autumn

Yea you'd think lol but I've forgotten it too many times

Autumn

How much longer before you start to increase your intake? I feel like I've asked you this and you don't have an answer lol

12 Dec 2016 15:07

Me

I always answer two weeks lol but mainly til Im where I wanna be. Very close, but as I get leaner the fat loss slows down

12 Dec 2016 15:09

Autumn

Lack of energy is probably related to being sick and not eating much the day before as well but still

12 Dec 2016 15:09

Me

Yea plus heavy lifting is tough on the cns

12 Dec 2016 15:09

Autumn

Right

12 Dec 2016 15:10

Me

But it's deload week. Light and lower volume

12 Dec 2016 15:10

Autumn

Lol was she fixated on that? Probably she thinks it's sweet that you're not a superficial person..idk?

25 Dec 2016 14:13

Me

Yea that's what I figured

25 Dec 2016 14:13

Me

Cute though

25 Dec 2016 14:14

Me

She said it like 4 different times

25 Dec 2016 14:14

Autumn

I didn't notice. Maybe she was too lit

25 Dec 2016 14:15

Autumn

That's funny though

25 Dec 2016 14:15

Me

Lol she's adorable.

25 Dec 2016 14:15

Autumn

25 Dec 2016 14:17

Me

25 Dec 2016 14:18

Autumn

Idk what to do with myself...no work, no school, the gym is closed. lol it's pathetic

25 Dec 2016 14:18

Me

No gym

25 Dec 2016 14:19

Me

I tend to eat when bored, so this too is bad

25 Dec 2016 14:19

Me

You can do that work you needed to do

25 Dec 2016 14:20

Autumn

I'm trying to give myself a pep talk to work on the stuff I have to submit tomorrow but I have no motivation to do it now if I can do it tomorrow

25 Dec 2016 14:20

Autumn

Yea but my problem ^^

25 Dec 2016 14:20

Me

Or roll yourself up in a blanket and pretend to be a caterpillar

25 Dec 2016 14:20

Me

Lol but it will be soooo much better if you didn't have to do it tomorrow

25 Dec 2016 14:21

Me

You wouldn't have to rush from my company

25 Dec 2016 14:21

Autumn

Lol eating out of boredom? Stay away from the kitchen Jason. I repeat...

25 Dec 2016 14:21

Autumn

I know it would be so much better if I had the day completely free tomorrow...but I'm a lazy fuck

25 Dec 2016 14:22

Me

Yea I start making up foods and snack too much

25 Dec 2016 14:22

Me

In other words... I need time constraint with Jason

25 Dec 2016 14:23

Me

That way you could leave me

25 Dec 2016 14:24

Autumn

That's not what I'm trying to say!!

25 Dec 2016 14:25

Me

ilvoe cijue

25 Dec 2016 14:28

Me

25 Dec 2016 14:31

Autumn

Lol should I take it personally? Are they calling me fat

25 Dec 2016 14:31

Autumn

Yes, idiot (you silly)

25 Dec 2016 14:31

Me

Just a little fat

25 Dec 2016 14:36

Me

I miss you baby

25 Dec 2016 14:36

Autumn

Oh so that's where this meanness is coming from

25 Dec 2016 14:37

Autumn

Covering up your true feelings with hostility

25 Dec 2016 14:37

Autumn

I miss you too my love

25 Dec 2016 14:38

Autumn

25 Dec 2016 14:40

25 Dec 2016 14:40

Autumn

25 Dec 2016 14:41

Me

25 Dec 2016 14:41

Autumn

You should

25 Dec 2016 14:42

Me

Maybe being with me is like being with yourself

25 Dec 2016 14:42

Me

Same with meh

25 Dec 2016 14:42

Autumn

Autumn

Nothing wrong with dat

25 Dec 2016 14:54

Me

It's just funny

25 Dec 2016 14:54

Me

Looking like they are ready for the slaughter

25 Dec 2016 14:56

Autumn

Aww little girl is precious. What's her name?

25 Dec 2016 14:57

Autumn

Oh no

25 Dec 2016 14:57

Me

Isabella.

25 Dec 2016 14:57

Me

Lol crystal is mad cuz she feels Isabella is not being grateful. Making my mom feel bad too lol cuz Isabella isn't really all excited for the gifts.

25 Dec 2016 14:58

Me

She seems happy though, I think moms just expecting a very excited baby lol

25 Dec 2016 14:59

Me

The doll head and hair scrungies she seems to like lol

25 Dec 2016 15:00

Autumn

Yea I notice little kids do that. I think they're used to having everything they want so it takes a lot to impress them

25 Dec 2016 15:01

Autumn

Oh the hair thing was cool. So that's who your mom got it for

25 Dec 2016 15:02

Me

That's what we were saying, mom mom just taking it personal lol

25 Dec 2016 15:02

Autumn

She'll probably be a lot more enthusiastic about it at home when she's playing with all her stuff

25 Dec 2016 15:02

Me

Yea she got it for bella along with dozens of hair tires and stuff lol

25 Dec 2016 15:02

Me

Yea when all the Santa stuff dies off cuz she still barley gets it

25 Dec 2016 15:03

Autumn

Sweetie

25 Dec 2016 15:03

Autumn

Exactly. I don't think they're really capable of getting it right now

25 Dec 2016 15:03

Me

Exactly ...you my smart baby

25 Dec 2016 15:04

Me

Plus she seems relaxed right now. In the morning in might have been different

25 Dec 2016 15:04

Autumn

Lol it's funny how sometimes kids are most into the simple gifts

25 Dec 2016 15:11

Autumn

Forget all the extravagant shit, she just wants a candy cane

25 Dec 2016 15:11

Me

Yup shows that we just want more stuff cuz advertising

25 Dec 2016 15:12

Autumn

Government

25 Dec 2016 15:13

Autumn

Conspiracy

25 Dec 2016 15:13

Me

Truth

Autumn

Little potato head

25 Dec 2016 15:35

Autumn

How swweeeeet are his cheeks

25 Dec 2016 15:35

Autumn

And eyes

25 Dec 2016 15:35

Autumn

Beautiful baby

25 Dec 2016 15:35

Autumn

He does seem pretty big for 5 months lol. I want to squeeze his face so hard

25 Dec 2016 15:38

Me

He loves me

25 Dec 2016 15:38

Autumn

Of course he does

25 Dec 2016 15:40

Autumn

Who wouldn't

25 Dec 2016 15:40

Me

And I kiss him errwhere

25 Dec 2016 15:40

Me

Estrogen rising

25 Dec 2016 15:40

Autumn

Lol for who? You're saying you or me?

25 Dec 2016 15:41

Me

*Apparently when a man touches a baby their test drops
lol*

25 Dec 2016 15:42

Autumn

Oh ok, I could see it

25 Dec 2016 15:42

Me

No more baby pics lol

25 Dec 2016 15:45

Me

She's eying all the people

25 Dec 2016 15:53

Me

The bombardment of photos

25 Dec 2016 15:58

Me

I think I wish you were here lol gonna stop now

25 Dec 2016 16:03

Autumn

Awww don't stop

25 Dec 2016 16:46

Autumn

I fell asleep for a little

25 Dec 2016 16:47

Me

I figured baby. I feel a nap too soon

25 Dec 2016 16:47

Autumn

I wish I was with you baby, I feel like I'm kinda there lol

25 Dec 2016 16:47

Autumn

With the pics

25 Dec 2016 16:48

Me

25 Dec 2016 16:48

Autumn

I could keep sleeping but I don't want to go to sleep super late tonight

25 Dec 2016 16:49

Autumn

So I'm up

25 Dec 2016 16:49

Me

Lol classic sad face

25 Dec 2016 16:49

Autumn

What's going on over there? Gift opening festivities over?

25 Dec 2016 16:50

Me

Yup. But every one is pretty much gone. Part of it was a parking issue and my sister got super mad about that and kinda rushed .we have 8 legit guest parking Vs 200 homes

25 Dec 2016 16:52

Me

Brooklyn still here and crystals coming back later.

25 Dec 2016 16:52

Autumn

Well now you know you can park across the street..lol

25 Dec 2016 16:54

Me

Yea. Security was going nuts too not knowing what to do but still telling people they can't park. Double parking and all that

25 Dec 2016 16:56

Me

Yea it's a walk but we ain't lazy

25 Dec 2016 16:56

Me

You know. Being around your family last night and the welcoming I got from them made me wish it was like that with my family

25 Dec 2016 16:59

Me

It was nice

25 Dec 2016 16:59

Autumn

The walk is like 5 min, not bad at all

25 Dec 2016 17:02

Autumn

Especially if the other option is don't go because there's nowhere to park

25 Dec 2016 17:03

Autumn

Aw really? I'm glad you felt comfortable. I haven't felt that your family has been unwelcoming..at least your mom and your sister and niece since that's who I've been around

25 Dec 2016 17:04

Autumn

They've been sweet I feel

25 Dec 2016 17:05

Me

Yea my fam is nice but what I mean is that with me, I never put myself in their circle like that. I have a few times and it's fun but normally I avoid them

25 Dec 2016 17:05

Autumn

What makes you want to avoid them?

25 Dec 2016 17:07

Me

Idk, mood wanting to do other things

25 Dec 2016 17:08

Autumn

Self sabotaging?

25 Dec 2016 17:09

Me

Kinda like you with the thing you were planing on tomorrow

25 Dec 2016 17:09

Me

More like I don't care lol

25 Dec 2016 17:09

Autumn

Right, that's being selfish with my time

25 Dec 2016 17:09

Autumn

Not that I don't care. I don't feel indifferent, I want to see her but I don't want to spend my whole day doing that which is what it will turn into

25 Dec 2016 17:10

Me

I know you care

25 Dec 2016 17:10

Me

With me it's like both, us I care, but I don't want to be around people sometimes so then I'm just faking my mood. Moms the same way, guess it's from her

25 Dec 2016 17:11

Autumn

Even though you don't pursue it in the moment it's probably not that you don't care.. because at the end of the day you're longing for that attachment

25 Dec 2016 17:12

Me

Yea, it's just not the same without my uncles and stuff that are not around anymore or cousins that are living further away

25 Dec 2016 17:13

Me

And they try to be cute bribing up old stories that I don't want to hear but still think it's cute I guess

25 Dec 2016 17:14

Me

Idk all I'm saying is that last night was nice lol

25 Dec 2016 17:14

Autumn

Yea it's not the same anymore, I get what you're saying

25 Dec 2016 17:14

Autumn

I think there's more to it than that

25 Dec 2016 17:15

Me

My exs fam was to themselves alot, they spoke mostly Portuguese, so it was a big cultural thing and they were very close so me I was just there

25 Dec 2016 17:15

Autumn

Well I'm glad you enjoyed it and it was good for you to go so you can meet everyone

25 Dec 2016 17:15

Autumn

I see..that kinda sounds like how you describe yourself in your own family as well

25 Dec 2016 17:16

Autumn

On the outside

25 Dec 2016 17:17

Me

So with me, it was like I was just there

25 Dec 2016 17:17

Me

*

25 Dec 2016 17:17

Me

Pretty much

25 Dec 2016 17:17

Me

And I know part of that is me but yea

25 Dec 2016 17:17

Autumn

And this is where I feel like we're on the same wavelength lol. Always an outsider, partly my fault, not entirely but just how it's always been

25 Dec 2016 17:18

Autumn

Desire to feel more connected but also not willing to put forth the effort to initiate that change

25 Dec 2016 17:19

Autumn

25 Dec 2016 17:19

Me

Right. It would take an equally aware family member to see that and try to engage you the proper way. But no everything just goes on.

25 Dec 2016 17:19

Me

They just see it as..well that's just how Jason is.

25 Dec 2016 17:20

Autumn

Do you think their idea of you is accurate?

25 Dec 2016 17:22

Autumn

I mean however they think you are

25 Dec 2016 17:23

Me

Some yes. But that's obvious because I'm not the shy little boy they once knew lol

25 Dec 2016 17:23

Autumn

I feel like my family has this idea of me and how I am but I'm not that way at all..huge discrepancy between their idea and my real self

25 Dec 2016 17:23

Autumn

Hmm

25 Dec 2016 17:24

Me

You are sort of forced to keep your old image when they are around because it's expected. I don't let that happen anymore for sure but it's like building a new relationship with these people all over again just so that I rarely see them anyway

25 Dec 2016 17:26

Autumn

Yea I agree 100%..that's a good way to put it

25 Dec 2016 17:28

Autumn

Naturally we want connection with family since you're part of them and vice versa but I think the more meaningful and genuine relations I have are outside of my family for sure

25 Dec 2016 17:29

Me

*Does seem kind of important for the future though.
Family gatherings with the new youngings*

25 Dec 2016 17:29

Me

Yea just start your own family basically

25 Dec 2016 17:30

Autumn

Even friends that you know from way back. They seem to be able to accept that you're not the same person you were back then. They get it whereas family doesn't seem to integrate that new info

25 Dec 2016 17:30

Autumn

Yea maybe it's important but to an extent. You know what to expect out of them and you accept it for what it is

25 Dec 2016 17:30

Autumn

And know that maybe the more important people in your life aren't necessarily blood. That's how I see it. You create your "family"

25 Dec 2016 17:31

Me

Yea. Must be more of a generational thing with the friends, and more understanding of change

25 Dec 2016 17:32

Me

You sound like a cult leader

25 Dec 2016 17:32

Autumn

Could be

25 Dec 2016 17:32

Autumn

Lolol it does sound cultish

25 Dec 2016 17:32

Me

Let's start a lil commune

25 Dec 2016 17:33

Autumn

But only me + you

25 Dec 2016 17:33

Me

Lol

25 Dec 2016 17:33

Me

My babez

25 Dec 2016 17:34

Autumn

We can interact with others but I don't want any obligation to them lol

25 Dec 2016 17:34

Me

Sounds pretty sound

25 Dec 2016 17:34

Autumn

So we can out on our own terms

25 Dec 2016 17:34

Me

25 Dec 2016 17:34

Autumn

25 Dec 2016 17:35

Me

I thought of a cool tattoo

25 Dec 2016 17:36

Autumn

Tell me

25 Dec 2016 17:36

Me

*It would be the image of a sound wave. One of a word
or something that a person said/recorded*

25 Dec 2016 17:38

Me

*So if you recorded your self saying Jason is soooo
awesome and that image is what Id use*

25 Dec 2016 17:39

Autumn

I like that

25 Dec 2016 17:39

Me

I know my grammar is shit atm

25 Dec 2016 17:39

Me

Eating cake

25 Dec 2016 17:39

Autumn

But I don't think that's a good phrase to put on your bod

25 Dec 2016 17:39

Me

25 Dec 2016 17:40

Me

It was an example

25 Dec 2016 17:40

Autumn

Yes babe thank you for the example

25 Dec 2016 17:40

Me

You could simply say "I love you" and it would be nice to have. Or something else meaningful to the pair

25 Dec 2016 17:41

Autumn

Right, it's sweet

25 Dec 2016 17:42

Autumn

Actually when I ordered that bracelet they had ones like that. They engraved a sound wave on the outside of the bracelet

25 Dec 2016 17:42

Me

Fak idea stolen

25 Dec 2016 17:43

Me

Well you could also extend the sound wave to an ekg of the persons heart beat

25 Dec 2016 17:43

Autumn

Awww

25 Dec 2016 17:44

Autumn

Yea super sweet

25 Dec 2016 17:44

Me

OK now we in original territory

25 Dec 2016 17:44

Autumn

Lol my boy is creative

25 Dec 2016 17:45

Me

Are those personal in the sense that the person records their own voice?

25 Dec 2016 17:45

Autumn

I think you have to send the maker a pic of the sound wave you want then they engrave it

25 Dec 2016 17:45

Me

Hmmm... Thieves

25 Dec 2016 17:46

Autumn

So idk how you get the wave. Maybe online there's something like that which can create it

25 Dec 2016 17:46

Me

Yea that part shouldn't be hard. Probably just a normal recording.

25 Dec 2016 17:47

Autumn

Right

25 Dec 2016 17:47

Me

Could record the heart beat from a stethoscope or something

25 Dec 2016 17:48

Autumn

Now it's sounding tricky

25 Dec 2016 17:48

Autumn

Or you can simply tattoo your significant other's name on you...also legit

25 Dec 2016 17:49

Me

Ekg is better. I win

25 Dec 2016 17:49

Autumn

Lol hope you're sensing my sarcasm

25 Dec 2016 17:49

Me

Too traditional

25 Dec 2016 17:49

Autumn

I think that's something that needs to happen for us babe

25 Dec 2016 17:49

Autumn

I meant getting high not tattooing each other's names...you know that right

25 Dec 2016 17:56

Autumn

Lol damn boy Christmas turn up

25 Dec 2016 17:56

Me

I figured that babe lol...

25 Dec 2016 17:56

Autumn

Oh ok. Just making sure you know I didn't go crazy in 2.5 sec

25 Dec 2016 17:56

Me

I know you aint that crazy

25 Dec 2016 17:56

Autumn

Das ma bae

25 Dec 2016 17:57

Autumn

I feel so lazy today I haven't expended any energy whatsoever

25 Dec 2016 17:59

Me

Inb4 10lb gain

25 Dec 2016 18:00

Autumn

Omg no don't say that

25 Dec 2016 18:01

Autumn

Time to see Josie. This is the most active I've been all day lol

25 Dec 2016 18:01

Me

Lol bout time you go see Josie

25 Dec 2016 18:03

Me

It's OK sometimes baby. You got to unwind

25 Dec 2016 18:03

Autumn

True, you know when you feel like you should be doing something though

25 Dec 2016 18:10

Me

Yea don't want to feel unproductive buuut

30 Dec 2016 01:14

Me

It still didn't fit lol

30 Dec 2016 01:14

Autumn

*I wish I could be as artistic with words as you but I
don't have that knack whatsoever*

30 Dec 2016 01:14

Me

*The dear Darla thing inspired me to write you
something*

30 Dec 2016 01:15

Autumn

30 Dec 2016 01:17

Me

30 Dec 2016 01:18

Autumn

I know we've talked about this several times but I'm not sure you can fully get how special the timing of us has been. Idk I think back to 6 months ago...even 2-3 months ago and I feel like I was in a total different place

30 Dec 2016 01:20

Autumn

Since we've gotten together things have gone onward and upward incredibly

30 Dec 2016 01:22

Autumn

you're the best

30 Dec 2016 01:22

Autumn

You home?

30 Dec 2016 01:22

30 Dec 2016 01:23

Me

Almost. Stopped at Walmart quick

30 Dec 2016 01:23

Me

And the person I just left want right for me, it was a chore just to visit

30 Dec 2016 01:24

Autumn

And it's only been a month or so so imagine what's ahead

30 Dec 2016 01:25

Autumn

Yea like we were talking about, it just trips me out to think you and I were right in each other's presence the whole damn time lol. It's wild

30 Dec 2016 01:26

Me

Yup Yup can't wait

30 Dec 2016 01:27

Me

Years lol

30 Dec 2016 01:27

Me

Few years, right there

30 Dec 2016 01:27

Autumn

That's not to say things would be the same if we got together back then. Honestly they probably wouldn't be...so thanks Life, I appreciate your timing

30 Dec 2016 01:27

Me

Yea it wouldn't be the same for sure, with either of us in our situations

30 Dec 2016 01:28

Autumn

Agreed

30 Dec 2016 01:30

Me

Would have missed all this

30 Dec 2016 01:30

Autumn

Every person before prepares you for the one you should end up with

30 Dec 2016 01:31

Me

Hopefully we will grow together

30 Dec 2016 01:32

Autumn

They said it would take several hours and I have a few things I want to do so I don't want to be without my car

31 Dec 2016 09:14

Autumn

They said about 3 hours

31 Dec 2016 09:14

Me

Wtf

31 Dec 2016 09:15

Autumn

So I'm going Wednesday or next weekend depending on when my mom or her husband can take me

31 Dec 2016 09:15

Autumn

To be continued

31 Dec 2016 09:15

Me

The family tire by me doesn't take that long

31 Dec 2016 09:16

Me

Idk last time it may have took long but didn't notice because I had company. Can't remember

31 Dec 2016 09:16

31 Dec 2016 09:17

Autumn

31 Dec 2016 09:20

31 Dec 2016 09:21

31 Dec 2016 09:22

Autumn

Me

In what way

31 Dec 2016 09:26

Me

Like heart pounding

31 Dec 2016 09:26

Autumn

Idk what it is but in the past 6 months I can't handle coffee. I get so anxious whereas before it had 0 effect on me

31 Dec 2016 09:26

Me

Maybe you were more consistent with your caffeine intake than you have been in the last 6 months?

31 Dec 2016 09:27

Autumn

Like before I would just drink it because I enjoy how it tastes. It didn't have any stimulant effect

31 Dec 2016 09:27

Me
Right

31 Dec 2016 09:27

Autumn

But now that I feel well overall it's still doing it

31 Dec 2016 09:29

Autumn

It started to change when I was getting really stressed out. I think I was already pretty nervous/anxious at baseline so when I had coffee it pushed me over the edge

31 Dec 2016 09:29

Autumn

The body be weird

31 Dec 2016 09:29

Me

I just think your tolerance sucks now

31 Dec 2016 09:30

Autumn

31 Dec 2016 09:31

Me

Plus the way your morning has been

31 Dec 2016 09:31

Me

Autumn

I want to see Josie but I don't really want to go over there

01 Jan 2017 11:41

Autumn

So feisty already huh

01 Jan 2017 11:42

Me

Your going to do it sooner or later. You want to let some time pass?

01 Jan 2017 11:42

Autumn

No I might just wait until things settle and go tomorrow. Maybe no one will be home

01 Jan 2017 11:43

Me

Oh OK. Sounds good

01 Jan 2017 11:43

Autumn

I've been laying here for awhile and idk what to do with myself. Wish I had my pup

01 Jan 2017 11:44

Me

What a horrible night for them all

01 Jan 2017 11:45

Autumn

Yea

01 Jan 2017 11:45

Me

True

01 Jan 2017 11:45

Autumn

My grandparents were telling me that they think Adam got blamed for something he didn't do...that's a first

01 Jan 2017 11:46

Autumn

She's so beautiful

01 Jan 2017 11:46

Autumn

And apparently Samantha came over there a little after midnight because she wanted to say bye to Avani, I guess because they were driving back to Jacksonville. My grandparents ended up dropping Avani and my brother off at home later and Avani was crying and so upset the whole way

01 Jan 2017 11:48

Autumn

I think he knows something is off ya know...he was crying and saying that his mommy left him and he wants to see her again. Poor kid

01 Jan 2017 11:48

Me

Damn. So she was staying where exactly

01 Jan 2017 11:49

Me

At your moms?

01 Jan 2017 11:49

Autumn

Yea they were just staying there for the weekend for Lucy's bday

01 Jan 2017 11:49

Autumn

I think they were supposed to leave today anyway

01 Jan 2017 11:50

Me

Oh

01 Jan 2017 11:50

Autumn

But when she's messed up like that she acts all crazy of course. Thats what I'm saying Avani picks up on

01 Jan 2017 11:50

Me

So he didn't see the fight

01 Jan 2017 11:50

Autumn

Don't think so

01 Jan 2017 11:50

Autumn

Alright I might as well go to the gym

01 Jan 2017 11:52

Me

Well that's good. What about her dude

Autumn

When you realize you have no hobbies in your life aside from school and work

01 Jan 2017 11:52

Autumn

01 Jan 2017 11:52

Me

Saw him for a sec and we left I guess but does he try to help her or avani

01 Jan 2017 11:52

Autumn

01 Jan 2017 11:53

Me

Pick up on drawing lol or an instrument

01 Jan 2017 11:53

Me

Yea forgot his name

01 Jan 2017 11:53

Autumn

He tries I think but he has his own issues too. He's like 21 and does some real stupid, immature shit at times

01 Jan 2017 11:53

Me

Too many people, too little time lol

01 Jan 2017 11:54

Me

Yea I bet

01 Jan 2017 11:54

Me

Start painting. Rick climbing.. Idk

01 Jan 2017 11:55

Me

*Rock **

01 Jan 2017 11:55

Autumn

Yea then I think when school starts all that shit is going to go to the back burner

01 Jan 2017 11:56

Me

Back to focusing on yourself

01 Jan 2017 11:57

Autumn

What do you mean?

01 Jan 2017 11:57

Me

Moving on I mean

01 Jan 2017 11:58

Autumn

Idk what you mean

01 Jan 2017 11:58

Me

I do hope something good turns out from all that

01 Jan 2017 11:58

Autumn

*When I said all that shit goes to the back burner I meant
if I were to pick up a hobby right now*

01 Jan 2017 11:59

Autumn

Idk if that was confusing

01 Jan 2017 11:59

Autumn

Because I'm confused lol

01 Jan 2017 11:59

Me

Took it as letting go some of the family issues

01 Jan 2017 12:00

Autumn

I do too

01 Jan 2017 12:00

Autumn

*Ohhh yea, no I didn't mean it like that. I don't think I
can just live in total oblivion about what's going on but
I try to maintain a fair distance no matter what I have
going on in my life*

01 Jan 2017 12:01

Me

01 Jan 2017 12:04

Autumn

*Thanks for being there last night. Did you have an ok

01 Jan 2017 17:09

Me

Tell pple we did it together though

01 Jan 2017 17:09

Autumn

01 Jan 2017 17:15

Autumn

My brother left

01 Jan 2017 17:15

Autumn

Driving back to Minnesota

01 Jan 2017 17:15

Me

Sorry about that babe

01 Jan 2017 17:16

Autumn

Kinda sad, he didn't say bye or tell me he was leaving. I just found out cause I called my mom and she said he's gone

01 Jan 2017 17:16

Me

You gonna tell him that he should of at least said bye?

01 Jan 2017 17:17

Me

Was he just done with it all and left

01 Jan 2017 17:17

Me

Or thought maybe you were going to try and keep him here

01 Jan 2017 17:18

Autumn

No he knew he had to leave. Like he was telling me last night..he was saying he was leaving last night because he felt that my mom was going to tell him he had to go anyway

01 Jan 2017 17:22

Autumn

And he feels that my mom is picking a guy over her son, which I think he knows in his heart is not exactly it but I'm sure he feels a sense of abandonment in some ways

01 Jan 2017 17:22

Autumn

He has been wanting to go back up there for awhile now but this is how it always goes. He lives up there for like 6-12 months, gets super out of control, comes down here for a few months, shit hits the fan and then goes back there again. This has been the 4th time this cycle happened in the past 3 years

01 Jan 2017 17:24

Autumn

So we'll see what happens. I how he gets there safe and does ok

01 Jan 2017 17:24

Autumn

*Hope **

01 Jan 2017 17:24

Me

So complicated

01 Jan 2017 17:26

Autumn

Yea I wish he would have told me he was going so I could say bye. I feel like I never know when the last time will be

01 Jan 2017 17:27

Me

What if you told him that

01 Jan 2017 17:28

Me

Him feeling abandoned can just have him say Fuck everything but maybe if you say something like that he'll know someone cares and want to stick around

01 Jan 2017 17:30

Me

I'm sure you've done similar though

01 Jan 2017 17:30

Me

Similar ways of showing him I mean

01 Jan 2017 17:30

Me

It's a pretty bad situation and he's doesn't care right now

01 Jan 2017 17:32

Autumn

Yea but he really did have to go even if this whole situation didn't happen

01 Jan 2017 17:32

Me

Right

01 Jan 2017 17:32

Me

I just think your really the only one that really has any positive impact

01 Jan 2017 17:38

Autumn

My mom said he needs to go and figure out his life. Surprising to me that she said that because she's always always always there babying, protecting him from any consequence, trying to save him

01 Jan 2017 17:39

Autumn

Yea I feel like when we talk he does listen and take things in. But that doesn't mean he's going to change, he's very hard headed. I'm going to call him and a bit and see how's he's doing. I'm mainly concerned because of how he was talking last night, saying he's in Overtown

01 Jan 2017 17:40

Me

Really sad babe

01 Jan 2017 17:53

Me

It's scary to think that he can od or something any moment

01 Jan 2017 18:41

Autumn

01 Jan 2017 18:42

Me

The medical miracles with ambien was a good episode

01 Jan 2017 18:42

Me

There was someone with brain damage..a man couldn't talk for shit

01 Jan 2017 18:43

Autumn

Interesting

01 Jan 2017 18:43

Me

Yet when he takes a couple ambien, 20min later or so... Boom can talk perfect

01 Jan 2017 18:44

Me

But he has to take it all dat

01 Jan 2017 18:44

01 Jan 2017 18:45

Me

The hiv one... Can't remember

01 Jan 2017 18:46

Autumn

Also how does ambien impact speech? I guess I'm wondering what type of speech difficulties he had

01 Jan 2017 18:46

Me

Suppose to make you hallucinate.. But if you smoke it only. I think that's what they were doing

01 Jan 2017 18:47

Autumn

Couldn't comprehend or understand speech? Or was it just a problem of speech production?

01 Jan 2017 18:47

Autumn

Hmm

01 Jan 2017 18:47

Me

I think they covered that, or already had a hypothesis on how it affects speech

01 Jan 2017 18:48

Me

I think he could understand and see a word but just can't say it... I forgot so now I'm talking shit

01 Jan 2017 18:48

03 Jan 2017 16:33

Autumn

03 Jan 2017 16:33

Autumn

She's looking at unimportant details like a period or comma and shit like that

03 Jan 2017 16:35

Autumn

How about look at the big picture and tell me if it's overall ok. Thankyoubye

03 Jan 2017 16:36

Autumn

Apparently

03 Jan 2017 16:36

Autumn

She's so particular

03 Jan 2017 16:36

Autumn

What are you up to

03 Jan 2017 16:37

Me

*I'm chilling in bed listening to something about
"satellite cells"*

03 Jan 2017 16:38

Autumn

Hate you

03 Jan 2017 16:39

Me

And nucleus overload

03 Jan 2017 16:39

Autumn

What's a satellite cell

03 Jan 2017 16:39

Me

Why? Lol

03 Jan 2017 16:39

Me

Cuz I'm in bed?

03 Jan 2017 16:40

Autumn

Yea exactly lol

03 Jan 2017 16:40

Me

Nucleus overload is the idea that you can, in an body part, work it out every day and stimulate enough igf and other growth factors to signal proliferation of muscle cells in the body that allow more potential for hypertrophy.

03 Jan 2017 16:45

Me

Lol I tried to make it short

03 Jan 2017 16:46

Autumn

Oh ok.. what's a satellite cell though?

03 Jan 2017 16:47

Me

It's the cells that are created from nucleus overload

03 Jan 2017 16:47

Autumn

Gotcha

03 Jan 2017 16:48

Autumn

Interesting

03 Jan 2017 16:48

Autumn

Tryna get them gainz?

03 Jan 2017 16:49

Me

Basically a muscle cell but an overload of them just hanging around like satellites

03 Jan 2017 16:50

Me

Giving more potential to grow

03 Jan 2017 16:50

Me

No just like hearing about all this shit

03 Jan 2017 16:50

Me

It confirms some ideas I've had about why some body parts grow better than others on people, besides genetics.

03 Jan 2017 16:53

Autumn

I see what you're saying, makes sense

03 Jan 2017 16:59

Autumn

lol maybe with darker hair

03 Jan 2017 16:59

Me

Basically over-stimulating the muscle to produce more nucleus

03 Jan 2017 17:02

Me

Yea

03 Jan 2017 17:02

Me

But that coffee doe

03 Jan 2017 17:02

07 Jan 2017 15:40

Me

Lol welp haha

07 Jan 2017 15:40

Autumn

But there's no telling her lol since it's not perfect

07 Jan 2017 15:41

10 Jan 2017 10:02

Me

Some more than others. I was just freestyling this morning about how even having a shirt with holes is a better than some third world kids wardrobe.

11 Jan 2017 08:16

Autumn

How are you sure of that lol

11 Jan 2017 08:38

Me

Students always tell me

11 Jan 2017 08:38

Me

They should be learning more theory and less hands on than he does

11 Jan 2017 08:39

Me

They should understand servicing and general engine mechanics and electrical. Because on the field, they will only start from servicing anyway. They learn through experience more than anything.

11 Jan 2017 08:40

Autumn

That makes sense, especially at the beginning

11 Jan 2017 08:40

Autumn

Theory then apply it later on

11 Jan 2017 08:41

Me

All the other instructors sat the same. Teach them basics, because they will forget everything hands on the first time

11 Jan 2017 08:41

Autumn

For sure, it seems intuitive

11 Jan 2017 08:42

Autumn

The guy said nahhh I do what I want

11 Jan 2017 08:43

Me

Yea. Even in normal conversation he breaks everything down and talks slow and just wanna slap him out of it lol

11 Jan 2017 08:44

Me

The kids got this dumb face and just to not hear him again they say they get it lol

11 Jan 2017 08:45

Autumn

Lmao I know that face really well

11 Jan 2017 08:46

Autumn

11 Jan 2017 08:46

Me

He's very unprepared too. Does all these excessive things to get the students to feel like they are doing something. Get them involved but only turns on him.

11 Jan 2017 08:47

Me

Yea but you smart babez

11 Jan 2017 08:47

12 Jan 2017 10:10

Autumn

I always say that if I could change one decision in my life I wouldn't have made this commitment

12 Jan 2017 10:11

Autumn

But on the bright side I think I'll be ok with it once I'm finished. It's the process that I hate-having to prioritize this and feeling that my life is on hold

12 Jan 2017 10:12

Me

Exactly. Sacrifice now and profit later

12 Jan 2017 10:13

Me

But it's not on hold..i mean you're going to have fun this weekend. You got some guy that cares about chu

12 Jan 2017 10:14

Autumn

Short term disaster for long term pleasure

12 Jan 2017 10:14

Autumn

I know babe and I appreciate those things. What I mean is that I feel like I can't do what I truly want to do and I have to live in this routine for a stupid amount of time

12 Jan 2017 10:16

Autumn

I feel tied down. Yes education is important as well as a job you love and financial security.. but I value other things more like life experiences which I feel I'm sacrificing right now

12 Jan 2017 10:17

Autumn

When I say tied down I don't mean with you/by you...not at all what I mean. Actually it's the opposite really

12 Jan 2017 10:17

Autumn

Anyway end rant

12 Jan 2017 10:17

Me

12 Jan 2017 10:18

Me

12 Jan 2017 15:41

Me

What's going on there

12 Jan 2017 15:42

Autumn

12 Jan 2017 15:42

Autumn

Just swingin

12 Jan 2017 15:42

Me

You guys or your mom sent that

12 Jan 2017 15:43

Autumn

12 Jan 2017 15:43

Me

You ditch class?

12 Jan 2017 15:44

Autumn

I got out of class early since it's the first day so I came back for my second visit with Josie and so I can see my lil man

12 Jan 2017 15:44

Me

I see

12 Jan 2017 15:44

Autumn

Tell me why the couple reminds you..

12 Jan 2017 15:45

Me

The way she breaks things down and is serious

12 Jan 2017 15:46

Me

And the way he is more silky trying to get her to loosen up.

12 Jan 2017 15:47

Me

*Silly **

12 Jan 2017 15:47

Me

That's a pretty good pic

12 Jan 2017 15:48

Autumn

Lol so that's how you conceptualize us

12 Jan 2017 15:48

Autumn

I can agree with it lol

12 Jan 2017 15:48

Me

Not 100% like that.. She's completely hard to break out of her logical side. She's rarely emotional, and when she is she still breaks it down logical..

12 Jan 2017 15:49

Autumn

Aw ok. Do you know the actress' name? For some reason I'm imagining someone but not sure if it's right

12 Jan 2017 15:50

Autumn

Defense mechanism..intellectualization

12 Jan 2017 15:50

Me

Emily Deschanel

12 Jan 2017 15:51

Autumn

Does she have black hair?

12 Jan 2017 15:51

Autumn

Nope wrong person

12 Jan 2017 15:52

Autumn

Omg you know who Zooey Deschanel is?? That girl is lifefeeeeee would die to be her

12 Jan 2017 15:53

Me

You have a similar look

12 Jan 2017 15:54

Autumn

Zoey has blue eyes. I love the contrast between her fair skin and dark hair..plus beautiful eyes

12 Jan 2017 15:55

Me

I saw

12 Jan 2017 15:56

Me

But you sexy af doe

12 Jan 2017 15:57

Autumn

Her more

12 Jan 2017 15:58

Autumn

And you most

12 Jan 2017 15:59

Me

Her blue eyes are ok

12 Jan 2017 16:00

Me

But you could pass as a relative

12 Jan 2017 16:00

Me

How about no

12 Jan 2017 16:01

Autumn

Yea I could pass as her ugly duckling sister

12 Jan 2017 16:01

Me

I'm going to kill you

12 Jan 2017 16:02

Autumn

Plz

12 Jan 2017 16:02

Autumn

Take me out of my misery

12 Jan 2017 16:02

Autumn

lol I'm kidding

12 Jan 2017 16:02

Autumn

Basically

12 Jan 2017 16:03

Autumn

You at work?

12 Jan 2017 16:05

Me

Yup.

12 Jan 2017 16:05

Autumn

Funnnnnnn

12 Jan 2017 16:05

Me

Turning in now actually

12 Jan 2017 16:05

Me

Yer my

12 Jan 2017 16:06

Autumn

I'm trying to motivate myself to fix these blonde hairzzzz.

12 Jan 2017 16:06

Me

Let it grow out

12 Jan 2017 16:06

Autumn

Not an option for me

12 Jan 2017 16:06

Autumn

Yer my

12 Jan 2017 16:09

Autumn

Seems like my dad is continuing to decline. First he was in a detox level of care then they moved him to the hospital a day or 2 ago and then earlier they moved him to the ICU

12 Jan 2017 16:10

Me

Damn. What are they going to do with him?

12 Jan 2017 16:12

Autumn

He's been in this state of psychosis for awhile now, so I'm wondering if he's going to come back or what

12 Jan 2017 16:12

Autumn

Idk

12 Jan 2017 16:12

Me

Wow

12 Jan 2017 16:33

Me

Thats sad babe

12 Jan 2017 16:34

Me

How you taking this

12 Jan 2017 16:34

Autumn

I'm sad about it and hope for the best but there's this feeling of disconnect. I feel compassionate toward the situation because it represents human suffering but I don't feel connected to it, like I don't feel like I'm talking about my dad you know?

It also just brings up a lot of other feelings of loss and wishing I knew my dad before he turned this way

12 Jan 2017 16:38

Autumn

Yesterday I spoke to Adam on the phone while he was at the hospital and I could hear my dad mumbling in the background. He's totally incoherent and disoriented, has no clue where he is. Who knows though because he's been in really bad shape before and has returned to a better state but never back to total functioning

12 Jan 2017 16:40

Me

Can he recover from this? What other type of drugs has he been doing?

12 Jan 2017 16:44

Me

It's like you never had a father

12 Jan 2017 16:44

Autumn

There's an idea of him but for various reasons he's been around.. existing.. just not existing in my life. So it's weird idk how I feel really

12 Jan 2017 16:46

Autumn

Your situation is different of course but I'm sure you can relate to that, not having a present dad

12 Jan 2017 16:47

Me

I'm asking which drugs because I'm not sure I've heard that heroin could do that

12 Jan 2017 16:47

Autumn

Oh no he doesn't use heroin or opiates that I'm aware of

12 Jan 2017 16:48

Me

Besides drinking habit?

12 Jan 2017 16:48

Autumn

No this is alcohol induced..I'm guessing some benzos as well which is mostly causing the psychosis

12 Jan 2017 16:48

Me

I thought he was also shooting

12 Jan 2017 16:48

Me

Wow

Autumn

No no. My dad doesn't use IV

12 Jan 2017 16:49

Autumn

It's been alcohol and pills like benzos

12 Jan 2017 16:49

Me

Not a good mix either

12 Jan 2017 16:49

Autumn

But also the issue is that it hasn't even been alcohol like you'd think for the past few years. It's been freaking listerine

12 Jan 2017 16:50

Autumn

So he's been poisoning his body tremendously

12 Jan 2017 16:50

Me

Yea terrible

12 Jan 2017 16:50

Autumn

Imagine all the problems that causes to like every system in your body

12 Jan 2017 16:51

Me

I'm guessing it's pretty much rubbing alcohol

12 Jan 2017 16:52

Autumn

Yea alcohol and benzos isn't a good cocktail Every time we get a patient in at work that's in a substance induced psychosis that's what they're using

12 Jan 2017 16:52

Autumn

Probably, I hate to even think about it

12 Jan 2017 16:52

Autumn

Anyway..

12 Jan 2017 16:52

Me

Cuz the rest of the ingredients, like menthol and stuff probably not to bad for you idk

12 Jan 2017 16:52

Autumn

I don't want to go on about this negative stuff forever

12 Jan 2017 16:52

Autumn

Yea but it's poisonous to be ingesting that. The bottle clearly indicates to spit out, not swallow

12 Jan 2017 16:53

Me

Of course.

12 Jan 2017 16:53

Me

Smh

12 Jan 2017 16:55

Autumn

What

12 Jan 2017 16:57

Me

Let it grow...

12 Jan 2017 16:57

Autumn

Babe if you know anything about me it's this...

12 Jan 2017 16:58

Autumn

Come on lol

12 Jan 2017 16:58

Me

Sigh I'll never see you blonde

12 Jan 2017 16:59

Autumn

Is that Matt Damon??

12 Jan 2017 16:59

Me

Maybe in your 40s when your tired of dyeing it and don't care anymore what people think because you are so damn happy with me anyway

12 Jan 2017 16:59

Me

Probably is matt

12 Jan 2017 16:59

Autumn

Babe we are so on the same wavelength. I was about to tell you that maybe in like 30 years from now I maybe decide to be my natural self before dying

12 Jan 2017 17:00

Me

Lol funny

12 Jan 2017 17:01

Me

You'll realise how much it didn't matter lol

12 Jan 2017 17:01

Me

12 Jan 2017 17:01

Autumn

But it's unlikely

12 Jan 2017 17:01

Me

You'll be greying by then

12 Jan 2017 17:02

Autumn

Well yea you can argue that for anything. What does anything matter lol..but I know I've felt comfortable with myself being this way soooo that's good enough for me

12 Jan 2017 17:03

Autumn

Lol you had to say that huh..I was hoping I wouldn't get grey hair

12 Jan 2017 17:03

Me

Lol well you look beautiful now but I wish I could see it

12 Jan 2017 17:05

Autumn

You have seen it though

12 Jan 2017 17:05

Me

What's wrong with grey hair? You can pull off the whole witch package

12 Jan 2017 17:05

Autumn

Like 1/8 of an inch of it

12 Jan 2017 17:05

Autumn

And pics from when I was younger

12 Jan 2017 17:05

Me

Blah blah blah

12 Jan 2017 17:05

Me

That's not the full effect

12 Jan 2017 17:06

Autumn

Nothing is wrong with it but it's not a look I'd like for myself

12 Jan 2017 17:06

Me

Lol

12 Jan 2017 17:06

Me

You'd be a good witch

12 Jan 2017 17:06

Autumn

13 Jan 2017 10:40

Autumn

While I was sleeping on the plane I did that stupid jump thing and at one point I woke up for a second because of it and the lady next to me was staring at me with this concerned face

13 Jan 2017 10:41

Me

Lol

13 Jan 2017 10:41

Autumn

I just looked the other way and went back to sleep and probably continued doing that shit lol

Autumn

13 Jan 2017 10:45

Autumn

Why did you see these videos?? -_-

13 Jan 2017 10:45

Me

When you told me you had these jumps and I searched bout them

13 Jan 2017 10:46

Me

To see if it's the same thing you have or the severity of it

13 Jan 2017 10:46

Autumn

13 Jan 2017 19:23

Autumn

She has this irrational fear of being in a shooting or in a huge attack of some sort

13 Jan 2017 19:23

Autumn

Like for years now, it's strange

13 Jan 2017 19:24

Me

13 Jan 2017 19:25

Me

17 Jan 2017 19:10

Autumn

Omg

17 Jan 2017 19:10

Autumn

You know I've seen girls in the bathroom at the gym wearing that

17 Jan 2017 19:53

Autumn

Like really? You gotta be that extra at the gym?? -_-

17 Jan 2017 19:53

Me

Lol I know of the diaper technique. But didn't knowing that one. Explains the weird cheek to hamstring ratio. Not a good look and really obvious

17 Jan 2017 19:54

Me

Looks almost like cosmetic, which I also abnormal looking too

17 Jan 2017 19:55

Autumn

Right...really disproportionate

17 Jan 2017 19:55

Me

It's a wtf for us guys

17 Jan 2017 19:56

Autumn

Your ass isn't that big without any leg development whatsoever... super obvious

17 Jan 2017 19:56

Autumn

I could only imagine straight up deception

17 Jan 2017 19:56

17 Jan 2017 19:58

Me

Who they tryna play

17 Jan 2017 19:59

Autumn

That's what I'm thinking about online dating. When people present themselves one way online like the other person isn't going to notice the huge discrepancy in person

17 Jan 2017 19:59

Autumn

Lol you feel strongly about this topic too huh babe

17 Jan 2017 20:00

Me

Yea I agree. Plus Id feel inadequate if I had to resort to online dating..

17 Jan 2017 20:01

Autumn

Well that's a whole other debate

17 Jan 2017 20:01

Me

Fake people. I see fake people everywhere... Robots. .

17 Jan 2017 20:01

Me

Yea that's why I said

17 Jan 2017 20:02

Me

Man's gotta be able to approach what he wants.. Not easy click for a chick

17 Jan 2017 20:02

Autumn

That's why I'd rather present myself as the solid 4 that I am so all my cards are on the table to begin with

17 Jan 2017 20:02

Autumn

Not everyone can be a 10, be real people

17 Jan 2017 20:02

Me

Gtfo with your 4 bs

17 Jan 2017 20:03

Autumn

Lol yea it seems very artificial

17 Jan 2017 20:03

Me

If you are a 4, than I'm a -8 cuz even I don't think that low of myself...stfu

17 Jan 2017 20:05

Autumn

I'm not saying that to be dramatic or attention seeking lol. I know the flaws of myself and dislike/like them at the same time. It's weird

17 Jan 2017 20:06

Me

I know you're not saying it in that way. But your retarded lol

17 Jan 2017 20:07

Me

You're gorgeous

17 Jan 2017 20:07

Me

Period

17 Jan 2017 20:07

Me

Stfu

17 Jan 2017 20:07

Autumn

Im saying I appreciate the negative features because I feel like it makes look weird. Remember how I was saying the other day that I like people who look strange-ish more than the traditional ideals of beauty

17 Jan 2017 20:08

Autumn

Like Lorde...she's weird looking and I love how she looks

17 Jan 2017 20:08

Me

OK but that 4 shit is bs

17 Jan 2017 20:09

Autumn

Babe then maybe I'm retarded also cool!

17 Jan 2017 20:09

Autumn

No it's not lol and your -8 is BS for sure

17 Jan 2017 20:09

Me

17 Jan 2017 20:09

Autumn

17 Jan 2017 20:10

Me

17 Jan 2017 20:10

Autumn

So odd looking...plus I love her hair

17 Jan 2017 20:11

Autumn

Yes that's exactly what I mean

17 Jan 2017 20:11

Me

There are people with messed up teeth.. Pretty.

17 Jan 2017 20:11

Autumn

Mmmm that might be where I draw the line lol

17 Jan 2017 20:11

Autumn

I mean it depends how messed up you're talking

17 Jan 2017 20:12

Autumn

Teeth are my fav feature of people I think

17 Jan 2017 20:12

Me

I'm saying like a chipped tooth or something

She has a very simple beauty

17 Jan 2017 20:15

Me

Girl next door, best type. Out of trouble girl but still sexy

17 Jan 2017 20:17

Autumn

Bad girls aint no good and the good girls ain't no fun

17 Jan 2017 20:20

Autumn

Lol so you're saying you disagree with that

17 Jan 2017 20:20

Me

Good girls are fun

17 Jan 2017 20:20

Me

Not all doe

17 Jan 2017 20:21

Autumn

True you in the clouds babe?

17 Jan 2017 20:42

Autumn

Lmao that one on the toilet

17 Jan 2017 20:50

Autumn

I've always wondered about that...actors having to re-do scenes where you're eating

17 Jan 2017 20:51

Autumn

Like bruhhhhh how many times do you have to repeatedly eat something if you're not hungry/waste calories

17 Jan 2017 20:51

Me

They never eat the foods in scenes.. Especially breakfast... Always

17 Jan 2017 20:52

17 Jan 2017 22:33

Autumn

Well yea if I wore it lol

17 Jan 2017 22:33

Me

Yea but fit right

17 Jan 2017 22:34

Autumn

I'm not as picky as you are with the fit of my shirts

17 Jan 2017 22:34

Autumn

But yes, I think it fits well

17 Jan 2017 22:35

Me

OK that's it.. Spanking time

17 Jan 2017 22:35

Autumn

18 Jan 2017 00:11

Me

Np

18 Jan 2017 00:13

Autumn

Why are you holding a grudge over something that's not a huge deal

18 Jan 2017 00:14

Me

I wasn't done texting

18 Jan 2017 00:15

Me

It's ok babe

18 Jan 2017 00:15

Me

I was finish off saying that you mean a lot to me.

18 Jan 2017 00:16

Me

*Going to**

18 Jan 2017 00:16

Me

And that I just wanted the same attention I was giving you but it's completely fine. And I genuinely was caring about you not distracting yourself while trying to sleep

18 Jan 2017 00:18

Me

Only cuz I've caught myself on the phone at 3am when I'm suppose to be up at 6 lol

18 Jan 2017 00:18

Me

Just saying

18 Jan 2017 00:18

Autumn

I know I know. I'm sorry, I was distracted

18 Jan 2017 00:20

Me

<https://www.youtube.com/shared?ci=zAPkAHQRFs>

18 Jan 2017 00:20

Me

For example

18 Jan 2017 00:20

Me

18 Jan 2017 00:20

Autumn

Lol random shit

18 Jan 2017 00:21

Me

They make funny gym humor videos

18 Jan 2017 00:21

Me

But OK babe. I know that was a weird ending to the night

18 Jan 2017 00:22

Me

But we are good.

18 Jan 2017 00:22

Autumn

Maybe I should be telling you not to be distracted all night on your phone

18 Jan 2017 00:22

Me

I'm not. I like sleep.

18 Jan 2017 00:23

Autumn

Yea it was, it's so frustrating too when we're not face to face. It makes such a difference

18 Jan 2017 00:23

Autumn

Same here

18 Jan 2017 00:23

Autumn

Lots of kisses baby night

18 Jan 2017 00:26

Me

Yes it does make a difference. my main thing was that it had me thinking like I wonder how many times she's turned an argument on me when maybe she wasn't even paying attention as to why I said something or how I said it.

18 Jan 2017 00:27

Me

But I'm over thinking it.

18 Jan 2017 00:28

Me

That's it though

18 Jan 2017 00:28

Autumn

I don't understand what you mean by turn an argument on you

18 Jan 2017 00:28

Autumn

How did I do that?

18 Jan 2017 00:28

Autumn

When you initially said I was being mean? Is that what you're referring to

18 Jan 2017 00:29

Me

Things of that nature

18 Jan 2017 00:29

Me

Cuz a few times in our convos there was back and forth attitude.

18 Jan 2017 00:30

Autumn

Yea there was

18 Jan 2017 00:30

Me

But it's not important obviously if I can't even remember the damn things

18 Jan 2017 00:30

Autumn

And those weren't because of me being distracted or not listening

18 Jan 2017 00:30

Me

I wouldn't know

18 Jan 2017 00:31

Me

But that example before hanging up made me think this

18 Jan 2017 00:31

Autumn

Those were me reciprocating the vibe I was getting from you. I'm not saying that's the right thing to do either

18 Jan 2017 00:31

Autumn

I see..

18 Jan 2017 00:31

Me

Ok

18 Jan 2017 00:32

Me

So just misunderstandings and I know that you want nothing more than to be able to talk to me and stuff

18 Jan 2017 00:33

Me

18 Jan 2017 00:33

Me

And me too

18 Jan 2017 00:33

Me

Just got a little bothered atm

18 Jan 2017 00:34

Autumn

Of course, I do

18 Jan 2017 00:34

Autumn

Are you still bothered about that

18 Jan 2017 00:35

Autumn

Or by anything else

18 Jan 2017 00:35

Me

No. Even after your first explanation. I was just slowly cooling down still...but heating you up lol

18 Jan 2017 00:36

Me

You OK?

18 Jan 2017 00:37

Autumn

Yea just frustrated because I wish I could feel you and kiss you

18 Jan 2017 00:38

Me

I know you didn't mean to is what I'm saying it just still got me like

18 Jan 2017 00:38

Me

Same lol so easy to defuse it all with a kiss

18 Jan 2017 00:39

Autumn

I know babe it's understandable, I'm sorry

18 Jan 2017 00:39

Autumn

Exactly

18 Jan 2017 00:39

Me

Nothing is wrong with what you did. Biggest thing more so was how many times does she do this

18 Jan 2017 00:42

Me

Bad timing idk

18 Jan 2017 00:42

Me

Lol

18 Jan 2017 00:42

Me

You're the best though

18 Jan 2017 00:42

Autumn

It's not all the time

18 Jan 2017 00:43

Me

Thank you for reaching out before ending the night

18 Jan 2017 00:43

Autumn

And you know you do the same to me sometimes..

18 Jan 2017 00:43

Autumn

But that's not the point of this conversation

18 Jan 2017 00:43

Autumn

Of course, I hate when the vibe is off like that especially before sleeping

18 Jan 2017 00:44

Autumn

You're the best

18 Jan 2017 00:45

Me

I know I have, but in this occasion we are close to going to sleep, it our time

18 Jan 2017 00:45

Me

18 Jan 2017 00:46

Me

No messing up our night vibes

18 Jan 2017 00:46

Autumn

Don't overthink it, trust me it's not intentional or happening often

18 Jan 2017 00:46

Me

18 Jan 2017 11:24

Me

I actually used the back of the earring itself for those

18 Jan 2017 11:24

Autumn

Not saying I need a legit needle that's specifically made for ear piercing lol

18 Jan 2017 11:24

Me

There are bigger gauge needles

18 Jan 2017 11:24

Autumn

Oh hell no, the back is way too dull. You're crazy

22 Jan 2017 19:08

Autumn

I can relate, you and me feels satisfying

22 Jan 2017 19:08

Me

22 Jan 2017 19:09

Autumn

Whereas past relationships I feel like I don't really trust myself. They weren't entirely satisfying so I was always one foot out the door

22 Jan 2017 19:09

Me

If everything was more right id want us away from everything

22 Jan 2017 19:10

Me

Same with me

22 Jan 2017 19:10

Autumn

Not that I wanted to be fucked up to someone I'm with but I was never "committed" I guess you could say

22 Jan 2017 19:10

Autumn

How great would that be. Imagine we could cut us out of this reality and get dropped somewhere else..just you and me

22 Jan 2017 19:11

Me

Our time to shine then. Keep up a good team

22 Jan 2017 19:43

Autumn

Stay awake, set a timer, don't lay down

22 Jan 2017 19:43

Me

22 Jan 2017 20:07

Me

Autumn

22 Jan 2017 20:09

Me

Dog lovers unite

22 Jan 2017 20:09

Autumn

I could open a dog sanctuary

22 Jan 2017 20:10

Me

Would be a great thing

22 Jan 2017 20:10

Autumn

And sell soap too... forget school

22 Jan 2017 20:10

Me

Dog safe soap

22 Jan 2017 20:10

Autumn

Does it sound lucrative?

22 Jan 2017 20:10

Me

There are people that have done these sort of things

22 Jan 2017 20:11

Autumn

*I don't need a lot of money, just enough to sustain basic
needs and such*

22 Jan 2017 20:11

Me

Things you'd never think could succeed

22 Jan 2017 20:11

Autumn

True

22 Jan 2017 20:11

Me

All of it is a gamble in the end

22 Jan 2017 20:11

Me

Just what fills your heart up the most is what's most important

22 Jan 2017 20:12

Me

Stay in school lol

22 Jan 2017 20:12

Autumn

Not necessarily a gamble, you have to do your research to give yourself a good shot

22 Jan 2017 20:12

Autumn

22 Jan 2017 20:12

Autumn

Thanks

22 Jan 2017 20:12

Me

Of course but you can have everything right and still

22 Jan 2017 20:12

Me

Lol I mean stay in school so that you can somehow incorporate your skills into all those dreams

22 Jan 2017 20:13

Me

Or plan during your education.

22 Jan 2017 20:13

Me

Lol

22 Jan 2017 20:14

Autumn

22 Jan 2017 20:14

Me

22 Jan 2017 20:14

Me

You could do it though

22 Jan 2017 20:15

Autumn

I guess I'll go do my hair since I have to be presentable and work with humans, not dogs, tomorrow

22 Jan 2017 20:15

Me

I'd be right by your side if you made any sort of change

22 Jan 2017 20:16

Me

Lol

22 Jan 2017 20:17

Me

Baby steps... The idea is there.

22 Jan 2017 20:18

Me

22 Jan 2017 20:19

Me

30 Jan 2017 17:31

Hey I was thinking.. I know it's late usually when you get off and I don't want to get your schedule all messed up, especially if you're planning on being up early. It sucks not seeing you everyday :(but we can work something else out if that's better

30 Jan 2017 17:40

Autumn

Didn't you read what I said?

30 Jan 2017 17:43

Autumn

I didn't say what I said for any other reason than to be considerate of your time and agenda. Of course I want to see you everyday, all the time, but I know that's not feasible and I don't want you to feel like you have to do things you may not feel up to. We can figure something else out

Well there's a solution babe

02 Feb 2017 17:17

Me

Don't give anymore attitude before they decide to Fuck it up more for you lol

02 Feb 2017 17:18

Autumn

Of course it's annoying that they made that mistake because it's inconveniencing my time, considering I have a few important things to do right now. It really aggravated me how this idiot handled it. He was looking at me and speaking to me like I'm the dumb ass

02 Feb 2017 17:18

Autumn

I mean that I would have easily let it go if it was handled differently. But his attitude made the situation worse

02 Feb 2017 17:19

Autumn

Anyway

02 Feb 2017 17:19

Me

Of course. Is he the manager? Or owner

02 Feb 2017 17:19

Autumn

No clue

02 Feb 2017 17:19

Autumn

I believe so, there was several other people working right there as well

02 Feb 2017 17:19

Autumn

He seemed like the owner or something.

02 Feb 2017 17:20

Me

They procrastinated

02 Feb 2017 17:20

Me

End result is you having your project printed so just don't stress it babe

02 Feb 2017 17:20

Autumn

He kept saying can you give me a time when you'll be back to get it. I'm like well when do you close, when should I come

02 Feb 2017 17:21

Me

You should of told him you'd be back now cuz its important you have it

02 Feb 2017 17:22

Autumn

And he was just being such an asshole like he wouldn't give me a straight up time he's like well let me know when you're gonna come so that I can make sure it's ready however he had just told me the minute before we're going to print it right now..so if he's gonna print it right now wouldn't it be ready whenever the fuck I come

02 Feb 2017 17:23

Autumn

Ok I'm done

02 Feb 2017 17:24

Me

Lol baby

02 Feb 2017 17:24

Autumn

Idk it was annoying, on the spot, I was trying to think when I could come back because I need to finish this assignment quick. I was trying to think about that and see when I would come back but he was like pressuring me to say what time I'm coming back. It was odd

02 Feb 2017 17:24

Me

He probably wanted some leeway

02 Feb 2017 17:25

Autumn

I ended up telling him I'll be back in a couple hours lol just to be annoying because he wanted a specific time and I wasn't about to comply the way he wanted

02 Feb 2017 17:25

Autumn

02 Feb 2017 17:25

Me

It might take a bit to print?

02 Feb 2017 17:25

Me

Seems like he wanted to know what time so that he can start it then. Stupid

02 Feb 2017 17:26

Me

Just have a coffee and relax with your work.

02 Feb 2017 17:26

Me

Maybe you should call them in between to make sure.

02 Feb 2017 17:26

Autumn

No that's not why. Because initially he said do you wanna wait and I'll print it right now

02 Feb 2017 17:26

Autumn

And I said no not really. I'm not going to sit there for however long eating shit when I have something I need to do

02 Feb 2017 17:27

Me

Tell them it would be greatly appreciated if it's ready before you get there. As in start printing now

02 Feb 2017 17:27

Autumn

Babe I am not being that accommodating

02 Feb 2017 17:28

Autumn

In my language

02 Feb 2017 17:28

Me

Yea but its professional

02 Feb 2017 17:28

Autumn

I wasn't rude but I also wasn't enthusiastic about anything

02 Feb 2017 17:28

Autumn

Alright well I'm at Starbucks now and it's loud af and nowhere available to charge my laptop soooooo yay

02 Feb 2017 17:29

Autumn

Should have just went out of my way to go home I guess

02 Feb 2017 17:29

Autumn

How are you feeling??

02 Feb 2017 17:29

Me

Have a positive leverage so that they feel obligated to stick to their word

02 Feb 2017 17:29

Autumn

No it really better be ready when I go back around 7

02 Feb 2017 17:30

Me

I'm good

02 Feb 2017 17:30

Me

I still think you should call them

02 Feb 2017 17:30

Autumn

Good

02 Feb 2017 17:31

Autumn

You're throat stopped hurting?

02 Feb 2017 17:31

Me

Temporary stopped hurting

02 Feb 2017 17:31

Autumn

Hope it becomes permanent

02 Feb 2017 17:32

Me

My throat should be good for your tongue. Unless you don't wanna risk getting sick

02 Feb 2017 17:32

Me

I don't want you sick but I also want to kiss you lol

02 Feb 2017 17:32

Autumn

Lol stfu

02 Feb 2017 17:33

Autumn

Of course I'm going to kiss you

02 Feb 2017 17:33

Autumn

Especially because I can't tomorrow

02 Feb 2017 17:33

Autumn

I hate today

02 Feb 2017 17:35

Me

Stfu attitude huh lol

02 Feb 2017 17:35

Autumn

No, not with/at you :)

02 Feb 2017 17:36

Autumn

PS there's the most adorable little old man in front of me at this table

02 Feb 2017 17:37

Autumn

Reading and taking notes in an algebra textbook

02 Feb 2017 17:37

Autumn

Never too old to learn, super cute

02 Feb 2017 17:37

Me

Never to old baby girl.. Never

02 Feb 2017 17:39

Me

Wheel of death lol

02 Feb 2017 17:39

Me

Nothing going your way today. I'll make it better

02 Feb 2017 17:40

Autumn

Actually no I'm not

02 Feb 2017 17:42

Autumn

Haven't used a tampon all day

02 Feb 2017 17:42

Autumn

Wtf body

02 Feb 2017 17:42

Me

Yea but maybe that's cuz I took it all out of you

02 Feb 2017 17:43

Autumn

All in one night? Lol ok interesting hypothesis babe

02 Feb 2017 17:43

Me

Probably so

02 Feb 2017 17:44

Autumn

It's weird, it does this. I'll get it for less than one full day then not have it..then randomly returns. I don't get it

02 Feb 2017 17:44

Me

Probably inconsistent calorie intake?

02 Feb 2017 17:44

Autumn

I guess it's still more consistent than it has been in the past so that's improvement

02 Feb 2017 17:44

Autumn

I think I'm consistent with that now

02 Feb 2017 17:44

Me

Competitors have that issue and anorexics

02 Feb 2017 17:45

Me

Just a theory. Can't be too inconsistent cuz I mean your not skinny or look deficient in anything

02 Feb 2017 17:45

Autumn

I'm not wasting away that's for sure lol

02 Feb 2017 17:46

Autumn

But yea I know. That's why in the past where I was really thin and not eating appropriately I didn't get it consistently at all. Maybe every 3 months or so

02 Feb 2017 17:46

Autumn

But I think it's still regulating years later that's why I don't get it completely normal

02 Feb 2017 17:47

Me

It does take a while to adjust. Male Competitors test drop and starts coming back up in a few days/weeks/months. How ever long it takes them to put on some healthy weight

02 Feb 2017 17:48

Autumn

I never got it normally to begin with though

02 Feb 2017 17:48

Me

Right

02 Feb 2017 17:48

Autumn

Also probably because of what we just discussed

02 Feb 2017 17:48

Me

Yer fucked

02 Feb 2017 17:48

Me

Take some maca root

02 Feb 2017 17:48

Me

Lol

02 Feb 2017 17:48

Autumn

I got it really late, like almost 16

02 Feb 2017 17:48

Autumn

Lol ok naturopath

02 Feb 2017 17:48

Me

Idk I've read of multiple women not being able to get pregnant when taking maca it helped. Can't remember if there's actual studies. But these people didn't have anything to gain I don't think

02 Feb 2017 17:51

Me

Wasn't promoting any brand or anything.

02 Feb 2017 17:51

Autumn

I think there's some incentive even if it's not monetary in nature

02 Feb 2017 17:51

Me

Also I think I read on menstrual but I could be making this up. So none of this matters

02 Feb 2017 17:52

Autumn

Just the fact that some people want to promote that type of holistic approach

02 Feb 2017 17:52

Autumn

Maybe it matters

02 Feb 2017 17:52

Me

Just have to take the proper dose. Most brands do not sell the real stuff

02 Feb 2017 17:52

Me

Idk but it's called an adaptogen

02 Feb 2017 17:54

Me

I will say in terms of libido that yohimbine hlc def would make me hornier

02 Feb 2017 17:56

Me

And produce thicker semen.. Cool story bro

02 Feb 2017 17:56

Autumn

What in the world is that?

02 Feb 2017 17:59

Autumn

Is that a goal you're trying to attain?

02 Feb 2017 17:59

Me

It's a stimulant /fat burner

02 Feb 2017 17:59

Me

One that not many people know of and also take wrong. The dose is way higher than the labels say

02 Feb 2017 18:00

Autumn

Oh ok, that came out of left field lol

02 Feb 2017 18:01

Me

It supposedly helps with lipolysis of beta 2 receptors. If I'm not mistaken whether or not it's beta or alpha that is in stubborn bf. Well it helps break that down

02 Feb 2017 18:02

Me

Makes me stupid horny though lmao

02 Feb 2017 18:03

Me

Round of applause for this shared info

02 Feb 2017 18:03

Autumn

We were just covering alpha and beta receptors on Tuesday in my psychopharmacology class

02 Feb 2017 18:04

Me

Lol wtf

02 Feb 2017 18:04

Autumn

Coincidence

02 Feb 2017 18:04

Me

It's not those though

02 Feb 2017 18:04

Me

Or is it lol

02 Feb 2017 18:04

Autumn

You know it makes you super horny from past experience you're saying

02 Feb 2017 18:04

Autumn

Yes it is

02 Feb 2017 18:04

Me

Yea ive taken it many times.

02 Feb 2017 18:05

Me

During cuts

02 Feb 2017 18:06

Autumn

Gotcha

02 Feb 2017 18:06

Me

Now whether it works or not for stubborn bf we don't know 100% but there seems to be something there. Lyle McDonald was a big proponent of it, and he's a big name in game

02 Feb 2017 18:08

Me

No bro science bs shit from him

02 Feb 2017 18:08

Autumn

Lol what an ironic name

02 Feb 2017 18:09

Autumn

02 Feb 2017 18:09

Autumn

Well did you find that it provided additional benefit?

02 Feb 2017 18:09

Me

Some say it doesn't work but it could be due to them not dosing properly. Cuz tittles usually say take two 2.5mg tabs when Lyle recommends multiplying your bodyweight in kg by 2.5mg or something and that's what you take

02 Feb 2017 18:10

Me

Possibly. But it could of been placebo

02 Feb 2017 18:10

Me

Could of been just me pushing harder overall

02 Feb 2017 18:10

Me

But the two times I used it. Both times I used it for weeks, I was at my leanest

02 Feb 2017 18:11

Me

I've used it another time but stopped cuz it is a weird feeling it gives you

02 Feb 2017 18:11

Me

Kind of anxiety feeling

02 Feb 2017 18:12

Me

Which it's known to do

02 Feb 2017 18:12

Me

Good thing about it though is that eating anything stops the response as it doesn't work with insulin present. Nway im done lol

02 Feb 2017 18:13

Autumn

I see, the power of placebo

02 Feb 2017 18:18

Autumn

When you say "stop the response" which response are you referring to??

02 Feb 2017 18:19

Me

The heart rate effects, stimulant effects.

02 Feb 2017 18:21

Me

Stimulant

02 Feb 2017 18:21

Me

Blood pressure too I think

02 Feb 2017 18:22

Autumn

Oh ok I see what you're saying

02 Feb 2017 18:24

Me

Now I'm here reading on it on examine.com

02 Feb 2017 18:32

Autumn

lol hard at work babe!

02 Feb 2017 18:35

Autumn

They called and said it's ready

02 Feb 2017 18:37

Autumn

Let's see

02 Feb 2017 18:37

Me

Lol

02 Feb 2017 18:38

Me

Let's see

02 Feb 2017 18:38

Autumn

Do you think you'll get off at 10?

02 Feb 2017 18:40

Me

Why do you ask

02 Feb 2017 18:40

Me

10 is the max

02 Feb 2017 18:40

Autumn

Because I'm nosy

02 Feb 2017 18:41

Me

Lol cute

02 Feb 2017 18:41

Autumn

And I have the right to know

02 Feb 2017 18:41

Autumn

02 Feb 2017 18:41

Me

02 Feb 2017 18:41

02 Feb 2017 18:48

Autumn

Do you get tired of Josie pics or me repeating how much I love her lol

02 Feb 2017 18:48

Me

No I don't babe lol we are sharing brains and experience. Idc

02 Feb 2017 18:49

Autumn

Oh ok so related to menopause

02 Feb 2017 18:49

Autumn

Ok good

02 Feb 2017 18:49

Me

Shows how much erectile dysfunction is effected psychologically

02 Feb 2017 18:53

Autumn

Oh wow lol

02 Feb 2017 18:54

Autumn

Interesting but also very preliminary as those results are based off mostly one study, and two, for others

02 Feb 2017 18:55

Autumn

Yea sex.dysfunction really does have a huge psychological impact. We actually have a whole class dedicated to that topic lol. I think I'm supposed to take it next semester or the following

02 Feb 2017 18:57

Me

Old people tend to not believe in there own capabilities. When they start breaking down in all aspects, especially physically and so their dicks don't work

02 Feb 2017 18:57

Me

Oh cool. Yea def big impact

02 Feb 2017 18:57

Autumn

-___- yes babe but it's not only that way lol. Some people have sexual dysfunctions before they're old

02 Feb 2017 18:58

Autumn

It's an existing medical condition

02 Feb 2017 18:58

Autumn

And that has huge effects on a person's psychological well being, especially when you're young. You feel inept

02 Feb 2017 18:59

Autumn

Alright well I got the poster

02 Feb 2017 18:59

Me

Yea I know but more common in elder. But yes if you have slot of stress hormones present and not feel good about yourself. You won't get a boner lol

02 Feb 2017 19:01

Me

Hallelujah

02 Feb 2017 19:01

02 Feb 2017 19:04

Autumn

It's not all about the male getting hard -_-

02 Feb 2017 19:04

Me

Yea, same shit though. Hormonal imbalance

02 Feb 2017 19:05

Nice nice

Autumn

Which makes sense considering my mom really stays on top of him about reading

03 Feb 2017 12:48

Autumn

And she's done that for the past couple years. Even before he learned to read she would read to him for 20 min nightly

03 Feb 2017 12:49

Autumn

That's Kim

06 Feb 2017 16:22

Autumn

With me anyway

06 Feb 2017 16:22

Autumn

I guess I see it as thoughtful because our convos are typically brief anyway. She could have said/asked anything in the world.. and the two things she asked about were me and you

06 Feb 2017 16:26

Autumn

lol gotta reframe it positively right

06 Feb 2017 16:26

Me

06 Feb 2017 17:18

Autumn

06 Feb 2017 17:18

Me

You only need one to love

06 Feb 2017 17:25

Me

06 Feb 2017 17:25

Autumn

Babe I want all the dogs

06 Feb 2017 17:26

Autumn

And I want to love them all

06 Feb 2017 17:26

Autumn

But Josie the most

06 Feb 2017 17:29

Autumn

I just adore her...so much... going to see her soon

06 Feb 2017 17:30

Me

Domestication in action

06 Feb 2017 17:35

Me

*Same goes for squirrels and every other animal we
keep feeding bread too*

06 Feb 2017 17:35

Autumn

No no not feeding them silly, only barking at them

06 Feb 2017 17:36

Autumn

Come onnnn

06 Feb 2017 17:36

Me

*Soon bread will be endangered. There will be no
grains... No yeast... We will all die*

06 Feb 2017 17:36

Autumn

*So I really think I'm going to tattoo Josie's paw print on
me lol. Where should it be though*

06 Feb 2017 17:36

Me

We need a revolution... Go grain

06 Feb 2017 17:36

Autumn

Woah that escalated quick af

06 Feb 2017 17:37

Me

That's a good question... Hmm

06 Feb 2017 17:37

Me

On your forehead perhaps

06 Feb 2017 17:37

Me

On your ribcage

06 Feb 2017 17:38

Autumn

Forehead or ribs...tough decision

06 Feb 2017 17:38

Autumn

I gotta think about that

06 Feb 2017 17:38

Me

Ribs look nice though

06 Feb 2017 17:40

Autumn

I can't really imagine it

06 Feb 2017 17:40

Autumn

That's the problem

06 Feb 2017 17:40

Autumn

Right. I think script looks nice there

06 Feb 2017 17:42

Autumn

But I can't imagine a paw print for some reason

06 Feb 2017 17:42

Me

I'd say wrist is really good spit but it's a big print

06 Feb 2017 17:42

Me

Below the neck upper back is your best bet

06 Feb 2017 17:42

Autumn

I don't like the back idea because I wanna be able to stare at it lol

06 Feb 2017 17:44

Autumn

Hmmm I like how some of those look. I'll think about it

06 Feb 2017 17:44

Autumn

Well probably won't think too much about it lol..I'll just go with however I feel at the moment

06 Feb 2017 17:45

Autumn

06 Feb 2017 17:46

Autumn

The placement is nice

06 Feb 2017 17:46

Autumn

Yea I like that the most

06 Feb 2017 17:47

Me

The color is nice too imo. Fits psychology lol diving into to all colors of psyche

06 Feb 2017 17:47

Autumn

You know me

06 Feb 2017 17:47

Autumn

That's true

06 Feb 2017 17:47

Autumn

But also black is life

06 Feb 2017 17:47

Me

Lol it's true but the color is nice. Spacey like

06 Feb 2017 17:49

Me

But yes that's the best one, with the heart on it too..

06 Feb 2017 17:50

Me

You would just have to do many prints till you get one ya like. And I'm sure the artist can put some flair

06 Feb 2017 17:51

Me

You could add a small silhouette of her or something to it

06 Feb 2017 17:53

Me

Like on the paw

06 Feb 2017 17:53

Autumn

I don't have that vision lol..you know my creative capacities are limited

Autumn

Yea I understand why you'd wonder that

08 Feb 2017 20:48

Autumn

Idk there's no commitment which is what I like so I'll just see how it goes and if it's worth it

08 Feb 2017 20:48

Autumn

No babe I just didn't know if that's what you were referring to

08 Feb 2017 20:49

Me

08 Feb 2017 20:49

Autumn

Understandable

08 Feb 2017 20:50

09 Feb 2017 11:16

Autumn

*Yea I think we watched something like that together.
Pretty off*

09 Feb 2017 11:18

Autumn

Odd

09 Feb 2017 11:18

Me

09 Feb 2017 11:26

Autumn

I don't feel comfortable with you being that close to other females

09 Feb 2017 11:26

Autumn

And if it was males then that's a whole other issue

09 Feb 2017 11:27

Me

*So it's not because you only want me to cuddle with you
and only you*

09 Feb 2017 11:27

Autumn

That's another way of saying what I just said ..

09 Feb 2017 11:28

09 Feb 2017 11:57

Autumn

Lol

09 Feb 2017 11:57

Autumn

Weren't you just talking shit about him doing that

09 Feb 2017 11:58

Me

Yup, he did text this time, though that doesn't show much effort lol

09 Feb 2017 11:59

Me

It's kind of like he was hoping I didn't answer but show that he attempted

09 Feb 2017 11:59

Autumn

I'm saying you're talking shit about him doing something and you did the same thing lol

09 Feb 2017 11:59

Me

In his message though he said he would Carl

09 Feb 2017 12:00

Me

*Call**

09 Feb 2017 12:00

Me

Yea but I rarely miss it. Especially if I tell him

09 Feb 2017 12:01

Me

If I say 530....its 530

09 Feb 2017 12:01

Autumn

Lot of hours wasted though

09 Feb 2017 12:01

Me

Yea but atleast it's not 6pm

09 Feb 2017 12:02

Me

How's the studying?

09 Feb 2017 12:03

Autumn

More to life than sleeping, gym, going to work and repeat

09 Feb 2017 12:03

Me

No shit

09 Feb 2017 12:03

Me

Tell me more

09 Feb 2017 12:04

Autumn

Alright ..I woke up early to start so by now I'm over it

09 Feb 2017 12:04

Autumn

I have class in an hour

09 Feb 2017 12:04

Autumn

No need to be defensive

09 Feb 2017 12:05

Autumn

Why are you being like that?

09 Feb 2017 12:05

Me

I'm kidding

09 Feb 2017 12:06

Autumn

I'm sure

09 Feb 2017 12:07

Me

So your studying at home

09 Feb 2017 12:08

Autumn

No I did from 5-6:30, then came here a little after 10

09 Feb 2017 12:09

Autumn

To use this software on the computers

09 Feb 2017 12:09

Autumn

About time for some Cuban coffee

09 Feb 2017 12:10

Me

I see

09 Feb 2017 12:11

Autumn

Couldn't sleep well last night

09 Feb 2017 12:12

Me

Too much coffee?

09 Feb 2017 12:12

Autumn

I think it wore off by the time I was laying down

09 Feb 2017 12:19

Me

So too much ig?

09 Feb 2017 12:19

Autumn

Probably worrying about the things I need to study for

09 Feb 2017 12:20

Me

"probably "

09 Feb 2017 12:20

Autumn

-- you act like that's something I would stress over

09 Feb 2017 12:21

Me

Didn't say that's what you stressed over

09 Feb 2017 12:21

Autumn

I can't say with certainty but yes that's my best guess

09 Feb 2017 12:22

Autumn

Anyway, point of my story is I'm stressed out

09 Feb 2017 12:22

Me

Well then what else was it

09 Feb 2017 12:23

Me

Babe. I'm here to destress you.

09 Feb 2017 12:24

Autumn

Kinda offensive

09 Feb 2017 12:27

Autumn

Doesn't seem like it. You're saying stupid shit...like you really think I'm going to lose sleep because of something on my phone when there's 400 other pending tasks I need to do

09 Feb 2017 12:27

Autumn

My choice to be in this program, yes, but it's not a walk in the park. Come on

09 Feb 2017 12:28

Me

Ok

09 Feb 2017 12:28

Me

Ttyl

09 Feb 2017 12:28

Autumn

Proved my point^

09 Feb 2017 12:29

Me

That's not the way I meant anything. But alright

09 Feb 2017 12:29

Autumn

Excellent

09 Feb 2017 12:30

Autumn

Have a good day babe

09 Feb 2017 12:31

Autumn

So say that...you just kept going with it

09 Feb 2017 12:31

Autumn

Which isn't your obligation anyway so forget it

09 Feb 2017 12:31

Autumn

It doesn't come off as supportive

09 Feb 2017 12:31

Me

09 Feb 2017 12:32

Autumn

Hi do you want to stop being mad for no reason now

09 Feb 2017 21:22

Me

Alright

09 Feb 2017 21:56

Autumn

Yea it really seems so

09 Feb 2017 22:16

Autumn

I'm not going to work harder than you, which is what it seems you expect

09 Feb 2017 22:46

Autumn

I'm not going to pretend like idc, let me be honest... I was hoping that you'd act like you care. Maybe you refuse to put your pride aside to show that or maybe you're genuinely indifferent to this situation.. idk. You say we're on the same team yet it feels like you check out in 2.5 seconds when things aren't easy breezy

09 Feb 2017 22:46

Me

You don't know what I expect

09 Feb 2017 22:46

Autumn

Which is why I made the disclaimer "it seems"

09 Feb 2017 22:47

Autumn

And I don't know because you check out. All I can know is based off my assumptions

09 Feb 2017 22:47

Me

I was trying to figure out what was part of your problem sleeping and then you go off on me

09 Feb 2017 22:51

Autumn

But honestly I take responsibility. You have no obligation to be supportive or act like you genuinely care and this is why I should refrain from developing any sort of expectation toward you

09 Feb 2017 22:51

Me

As if I was part of the problem

09 Feb 2017 22:51

Me

I am supposed to be supportive idc. And I do expect the same from you. So for you to say now is making me think your beliefs are different

09 Feb 2017 22:52

Me

I'm half asleep so excuse my writing

09 Feb 2017 22:53

Autumn

It seems natural to expect the person you're with to care but if that's not demonstrated then I'm not going to continue expecting that

09 Feb 2017 22:59

Me

I do care.

09 Feb 2017 23:00

Autumn

You really have no obligation to do anything or be any sort of way toward me, I need to remember that

09 Feb 2017 23:00

Me

Heard pinks "try" song and the only thing in mind was you. And in my mind today was you. And your here saying I don't

09 Feb 2017 23:01

Autumn

I don't see it

09 Feb 2017 23:03

Autumn

I don't feel it

09 Feb 2017 23:04

Me

Ok

09 Feb 2017 23:04

Me

Goodnight

09 Feb 2017 23:04

Autumn

And then you wonder why

09 Feb 2017 23:04

Autumn

This shit is never going to work if we can't work out issues like this

09 Feb 2017 23:05

Me

I don't care

09 Feb 2017 23:05

Autumn

Get out of your own head and try to see it from a different angle. That's what I did when I reached out to you to begin with...it's not because I'm over it or not hurt about it...no I just wanted to talk to you and see if I could see it from your perspective. You're unwilling to do that...so yea I can confidently say you don't care, you expect me to put in more work than you would

09 Feb 2017 23:07

Autumn

And just like I said you check out in 2 seconds, an indication that you don't give a fuck

09 Feb 2017 23:09

Autumn

So don't tell me you support me or care... I don't believe you

09 Feb 2017 23:09

Autumn

Good night

09 Feb 2017 23:09

Me

Your angle is that you are stressed out and you somehow thought that I was picking on you. And everyway I show you that I care doesn't matter.

09 Feb 2017 23:09

Me

Bye

09 Feb 2017 23:10

Autumn

Which ways have you showed that?? Stop fooling yourself

09 Feb 2017 23:11

Autumn

You see how I called you, tried to put my feelings about it to the side so that the day can end peacefully... you put 0 effort into that

09 Feb 2017 23:12

Autumn

How can you say that you care? Honestly

09 Feb 2017 23:12

Autumn

What I really think is that you don't want us to work out. So why don't you just say that and make it easier on both sides

09 Feb 2017 23:14

Me

You may have called but you also initiated the hang up

09 Feb 2017 23:15

Autumn

Ok so you want time to put every ounce of work into it then? I wasn't getting the feeling you wanted to talk. And if you did you could have said "no wait, stay a min"

09 Feb 2017 23:16

Autumn

*You want me to put ***

09 Feb 2017 23:17

Me

Me staying here, calling you back, isn't putting in work?

09 Feb 2017 23:19

Autumn

You didn't call me back?

09 Feb 2017 23:19

Me

I'm sorry for my attitude today but understand you got me frustrated

09 Feb 2017 23:19

Me

From your missed call

09 Feb 2017 23:20

Autumn

I will in a week or 2

14 Feb 2017 11:42

Autumn

14 Feb 2017 11:43

14 Feb 2017 11:43

Offer up pple are quick

Autumn

I hate keeping up with those sites but I'll try if I don't find someone

14 Feb 2017 11:49

Me

It notifies you though

14 Feb 2017 11:49

Autumn

I know

14 Feb 2017 11:50

Autumn

I'm saying talking to people back and forth

14 Feb 2017 11:50

Autumn

Although that could happen either way lol

14 Feb 2017 11:50

Me

And the unreliable ones

14 Feb 2017 11:50

Autumn

Right

14 Feb 2017 11:53

Me

You would get a hit though quick

14 Feb 2017 11:56

Autumn

We shall see

14 Feb 2017 12:09

Autumn

I mean I would have to coordinate with the buyer plus him plus my schedule

14 Feb 2017 12:26

Autumn

Lol.. The only reason why I'm waiting to put it on there is because it's going to be hard going back and forth with people since I don't have the furniture with me and I will have to arrange a time with my ex to go there and show the furniture or whatever

14 Feb 2017 12:26

Autumn

Like I said that could happen regardless of who buys it but I feel like on those sites people can be unreliable like you said

14 Feb 2017 12:26

Me

Yea seems like a hassle thurr

14 Feb 2017 12:27

Autumn

It is..

14 Feb 2017 12:28

Autumn

Not sure if it will fit

14 Feb 2017 12:29

Autumn

I'm wondering if I should get the furniture and maybe put it in my grandparents garage that way it's with me and cuts out consideration of another person's schedule

14 Feb 2017 12:29

Me

Yea sounds like a good idea actually

14 Feb 2017 12:33

Autumn

Maybe some in my grandparents garage and some at my moms, I can figure out something

14 Feb 2017 12:37

Autumn

14 Feb 2017 16:11

Autumn

Interesting video

14 Feb 2017 16:44

Autumn

It would be ideal to have that balance between being present and transcending the here and now like he speaks of

14 Feb 2017 16:46

Autumn

At the same time I think the whole mindfulness/being present movement came about as a remedy to get people out being stuck in the past/future. Know what I'm saying?

14 Feb 2017 16:46

Autumn

I'm saying it seems really idealistic to be both. Probably striving to be always present would still be a balance between the present and past/future

14 Feb 2017 16:51

Autumn

Lol giving a full review on a 4 min video

14 Feb 2017 16:55

16 Feb 2017 12:49

I had an appt with one of the administrators one time and he kept going on an on in Spanish for the first min or two. I was sitting there blank af waiting for him to realize I don't speak Spanish then I finally said something and he's like ohhhhh ok and starts again in English

16 Feb 2017 12:50

Autumn

That's how this school rolls for real. They assume all students speak Spanish or something. We even get a lot of our emails from the dean and other administrators in Spanish

16 Feb 2017 12:50

Autumn

I'm like alrightttttt gonna go ahead and hope this email is unimportant...

16 Feb 2017 12:51

16 Feb 2017 12:54

16 Feb 2017 12:56

Autumn

16 Feb 2017 13:00

Wanted to get baking powder on the way home but forgot

19 Feb 2017 16:02

Me

It worked well without?

19 Feb 2017 16:02

Autumn

Just an egg, protein and little water. It was actually great

19 Feb 2017 16:03

Me

I've made some that turned out fine even after forgetting to put it in

19 Feb 2017 16:03

Me

Ah ok

19 Feb 2017 16:03

Autumn

I feel like it depends a lot on the type of protein you use too. I've done the same with different ones and it came out like shit

19 Feb 2017 16:03

Autumn

This was good

19 Feb 2017 16:04

Me

Yea it does depend on the type. Pes protein has worked the best for cake like things.. This other brand too forgot the name.

19 Feb 2017 16:05

Autumn

Ma gurrrrrl

19 Feb 2017 16:06

Autumn

It could have been fluffier but overall pretty good. I'm sure if I had baking powder it would give it a lil more fluff.

19 Feb 2017 16:07

Autumn

Come over for breakfast and you can be the judge...only if you drink coffee

19 Feb 2017 16:07

Me

19 Feb 2017 16:10

Me

No coffee

19 Feb 2017 16:10

20 Feb 2017 14:39

Autumn

Interesting, gonna check it out later

20 Feb 2017 14:42

21 Feb 2017 18:43

Me

Hillary Duff

21 Feb 2017 18:43

Autumn

Oh lol

21 Feb 2017 18:46

Autumn

Great right

21 Feb 2017 18:46

Autumn

Girls are getting crazier in time

21 Feb 2017 19:45

Me

This is true. Instagram/social media Entitlement era

21 Feb 2017 19:49

Autumn

I don't see that social media impacts this issue

21 Feb 2017 19:52

Autumn

What do you mean by entitlement?

21 Feb 2017 19:52

Me

Self entitlement

21 Feb 2017 19:53

Me

I do. And many men. It's too easy to get "likes" and feel validated. So it gets to their heads

21 Feb 2017 19:54

Autumn

But how is that related to people getting crazier

21 Feb 2017 19:54

Autumn

Right

21 Feb 2017 19:54

Autumn

That's what I'm wondering

21 Feb 2017 19:54

Me

Cuz it's a behavioral issue

21 Feb 2017 19:54

Autumn

Yea for sure I totally agree that social media is s huge source of external validation

21 Feb 2017 19:56

Me

Influences their perception of the world

21 Feb 2017 19:56

Autumn

I'm just trying to figure out how that's connected to the thing I sent which relates to girls getting more "crazy"..for lack of a better word

21 Feb 2017 19:56

Me

Expectations as well

21 Feb 2017 19:56

Me

Wait, what did you send? I didn't receive a pic

21 Feb 2017 19:57

Autumn

Ohhhhh that's where we're lost in translation lolol

21 Feb 2017 19:57

Autumn

Ok it didn't send yet bad service

21 Feb 2017 19:58

Me

Plus girls have always been crazy it's just easier to see now because of technology... Hehe

21 Feb 2017 19:58

Autumn

I think it sent now

21 Feb 2017 20:06

Autumn

and that's why I said girls are getting crazier in time lol

21 Feb 2017 20:06

Me

Lol

21 Feb 2017 20:06

Me

Wow haha

21 Feb 2017 20:07

Autumn

21 Feb 2017 20:07

Me

Porn could be doing that

21 Feb 2017 20:07

Autumn

Definitely

21 Feb 2017 20:08

Autumn

Portrays women and their sexuality in a way that's completely not accurate

21 Feb 2017 20:08

Autumn

The biggest one to me is how it portrays women as insatiable

21 Feb 2017 20:10

Me

And quick gratification for men so that women feel the need to compete with it

21 Feb 2017 20:10

Autumn

It's part of the reason why some men don't understand women's needs, limits, etc

21 Feb 2017 20:11

Autumn

Goes both ways I think. It creates unrealistic expectations for men's performance as well

21 Feb 2017 20:11

Autumn

I'm so checked out of class right now by the way lol. How's work babe

21 Feb 2017 20:12

Me

Yes. Plus it's also edited and fake af. So expectations is construed

21 Feb 2017 20:13

Me

Misconstrued

21 Feb 2017 20:13

Me

I could pretty much leave the job now

21 Feb 2017 20:14

Autumn

Yuuuup you right

21 Feb 2017 20:14

Autumn

You tell me

23 Feb 2017 15:24

Me

Maaah girl

23 Feb 2017 15:25

Me

Bombarded

23 Feb 2017 17:46

Me

How's the studying

23 Feb 2017 17:46

Autumn

I feel like I finally made some progress

23 Feb 2017 18:27

Autumn

I've sorted through a lot of these online databases and finally found one that I think I'll use. Also figured out some variables that I'd like to look into. So I emailed one of the professors to see what she thinks and if she'd like to supervise the project. We'll see

23 Feb 2017 18:29

Autumn

One thing out of the way for now

23 Feb 2017 18:30

Autumn

I shouldn't get too excited because last time I threw an idea at her she basically shat on my life

23 Feb 2017 18:30

Me

Nice nice. What did you go with, alcohol?

23 Feb 2017 18:30

Autumn

</end rant> How are you?

23 Feb 2017 18:30

Me

Speak your mind baby

23 Feb 2017 18:31

Autumn

I'm just gonna send you the email so I don't have to re explain the whole idea through a text message lol

23 Feb 2017 18:32

Autumn

ACE= adverse childhood experience so things like verbal abuse, physical abuse, sexual abuse, rape, divorce, neglect, incarceration etc.

SUD= substance use disorder

23 Feb 2017 18:33

Autumn

And I was thinking about health outcomes being general health but if she suggests narrowing it down I might pick something like cardiovascular disease...we'll see. What do ya think

23 Feb 2017 18:35

Me

So how certain experiences lead to addiction

23 Feb 2017 18:35

Autumn

Well I wasn't going to pick addiction I just threw that out there in case she says health outcomes is too general

23 Feb 2017 18:36

Me

So kind of like psychosomatics

23 Feb 2017 18:38

Autumn

But basically we know that adverse childhood experiences are associated with greater incidence of poor health so I wanted to test to see if social support moderates that relationship. Another idea for this project would be to look at if social support moderates the relationship between adverse childhood experiences and addiction. So basically it's the same thing except different dependent variable

23 Feb 2017 18:38

Autumn

No, lol maybe this is confusing for a text message. I'll tell you later

23 Feb 2017 18:39

Me

Lol

23 Feb 2017 18:39

Me

OK I see what you're saying

23 Feb 2017 18:41

Autumn

Bueno

23 Feb 2017 18:43

Autumn

I'm excited about it I think it's interesting but it's really hard to tell what this lady is going to say she's very nit picky

23 Feb 2017 18:43

Autumn

How you doinnnnnnnn

23 Feb 2017 18:44

Autumn

How's your chest

23 Feb 2017 18:44

Me

Basically you want to see how big of an impact social support has on addiction

23 Feb 2017 18:47

Me

You should tell her your excited about it

23 Feb 2017 18:47

Autumn

Right. A moderator variable looks at the relationship between two variables, like the strength of the relationship

23 Feb 2017 18:49

Autumn

So basically how much influence does having a social support have for people who experience adverse childhood experiences and go onto develop a health condition..(or addiction) if I have to switch that variable

23 Feb 2017 18:50

Autumn

Like it makes sense people that people who have a stronger social support would be less likely to have certain health conditions and what not but how strong is that influence is the question.

..and yea it doesn't really matter how excited I am about it if it's not feasible given the time constraints etc then it's not an option. She's so picky it's not even funny but also it's good practice and learning to work with people like that ya kno

23 Feb 2017 18:52

Me

Sounds like pschosematics to me lol

23 Feb 2017 18:53

Autumn

It's not. That's a whole different thing

23 Feb 2017 18:53

Me

Not the social support part

23 Feb 2017 18:54

Autumn

Right I know what you mean

23 Feb 2017 18:54

Autumn

But still lol it's not

23 Feb 2017 18:54

Autumn

The way I just explained it was written with a lot of assumptions. If I clarify it I think you would get what I mean but it's not something I wanna text out lol

23 Feb 2017 18:56

Me

Ooooook

23 Feb 2017 18:57

Me

I see your excited just because of your productivity alone today

23 Feb 2017 18:58

Me

Or coffee

23 Feb 2017 18:59

Autumn

Now I feel good. Ask me if I felt like this 3 hours ago lol

23 Feb 2017 18:59

Autumn

Yea I had coffee and a Red Bull a little while ago but no help

23 Feb 2017 18:59

Autumn

I wanted to blow my face off not too long ago

23 Feb 2017 19:00

Autumn

How's your chest? Still haven't answered me

23 Feb 2017 19:00

Me

I bet. But I can sense your uplifted some how

23 Feb 2017 19:01

Me

My chest is my chest and it's still not the best. I wish the soreness had gone and left, but....not yet. -Dr Seuss

26 Feb 2017 16:43

Me

Listening to some Q&A on some YouTube fitness videos

26 Feb 2017 16:44

Me

How's the knowledge sinking

26 Feb 2017 16:44

Autumn

This could be us but school

26 Feb 2017 16:45

Autumn

I see.. who are you listening to

26 Feb 2017 16:45

Autumn

Alright. I just finished going over things one time for this class. It's time for a nail break

26 Feb 2017 16:46

Me

Some dude lol Jason blaha is his name

26 Feb 2017 16:48

Me

Repaint the nails huh

26 Feb 2017 16:48

Me

Pick red

26 Feb 2017 16:49

Autumn

Jason x Jason

26 Feb 2017 16:51

Autumn

I'm going to do purple again since that's what's on my toes and still looks good there

26 Feb 2017 16:51

Autumn

I'll do red next time

26 Feb 2017 16:51

Me

You sure you just can't see the defects cuz you blind?

26 Feb 2017 16:59

Me

Yes please do red

26 Feb 2017 17:00

Autumn

Possibly.. I know they're definitely not near the point of ratchet

26 Feb 2017 17:03

Me

He answered some question about glute training and Bret Contreras. Talked about how he disagrees with some of Bret Contreras excessive glute training, Bret has exercises he pushes to help people that can't activate glutes properly but Jason says pulling off the floor and squatting at proper depth is all you need because there is maximal activation in those lifts. So no need for fancy stuff.. Bret is considered the "glute man" and did his whole thesis was for glute development lol he got alot of flack from the community cuz even though he's the glute man... His squat sucks lol

26 Feb 2017 17:03

Me

Holy shit that was long

26 Feb 2017 17:03

Me

We don't want chet

26 Feb 2017 17:04

Autumn

Lol you gave me the sparknotes version of the video

26 Feb 2017 17:06

Autumn

Interesting...so you think he knows what he's talking about but doesn't apply what he knows

26 Feb 2017 17:06

Me

Says that extra glute work is just a bandaid fix for people that don't train correctly

26 Feb 2017 17:06

Me

He does have a strong glute thirst lol

26 Feb 2017 17:07

Me

*Thrust **

26 Feb 2017 17:07

Me

Like in the 600s lol

26 Feb 2017 17:07

Me

But it's true what Jason says. When you watch Bret's stuff it's all bands and other stuff. Excessive some times. And low and behold, in one video he has this special bench he created for glute thrust.

26 Feb 2017 17:08

Me

Not to take anything away from. The guys research

26 Feb 2017 17:09

Me

But basics are best usually. Don't need to over complicate things

26 Feb 2017 17:10

Autumn

A lot of that "extra" stuff could also be to sell a product

26 Feb 2017 17:11

Autumn

Bands and shit

26 Feb 2017 17:11

Me

Yes it can

26 Feb 2017 17:12

Autumn

But I see what you're saying ..don't over complicate things. That goes for nutrition as well, which people do a lot

26 Feb 2017 17:12

Autumn

I can't see what you sent, so small

26 Feb 2017 17:12

26 Feb 2017 17:16

Me

Lol well that was nice of him and also that beef jerky was the best whomever made it.

26 Feb 2017 17:17

Just left work

01 Mar 2017 21:15

I want to see you but I'm not sure of that drive

01 Mar 2017 21:16

01 Mar 2017 21:18

01 Mar 2017 21:42

Autumn

Night night

01 Mar 2017 21:42

Autumn

And you say you're not in a bad mood

01 Mar 2017 21:51

Autumn

Yet you hang up on me

01 Mar 2017 21:53

Me

You're there saying bye like you don't care

01 Mar 2017 21:55

Autumn

You've been acting off like that since yesterday and I guess you expect me to chase you down to figure it out. If there's an issue or you got something going on it would make sense to let me know...but no you'd rather make me feel like an idiot, like I'm bothering you

01 Mar 2017 21:58

Autumn

You did the same damn thing Jason. Why can't you be the one to cut the bs... stop expecting or waiting for me to

01 Mar 2017 22:00

Autumn

That shit is so frustrating. But again it doesn't seem like you care how I feel about it

01 Mar 2017 22:01

Me

You're telling me to cut bs that's not there

01 Mar 2017 22:03

Autumn

Alright then I'm crazy

01 Mar 2017 22:04

Me

There's nothing wrong with me other than being a lil tired

01 Mar 2017 22:04

Autumn

Ok I'm crazy

01 Mar 2017 22:06

Autumn

You know what gets me? I would do whatever to make you feel comfortable or secure, even if I didn't agree or understand why you felt the way you did. For some reason you won't do that... idk if you have too much pride, wanna be the typical man, etc. That's unsettling for me Jason. We're supposed to comfort and strengthen each other but instead I feel like you'd rather be "right"

01 Mar 2017 22:48

Autumn

I sound like a broken record because this has happened several times now. I keep saying I'm not the one who should have to acknowledge it just because you have whatever aversion or insecurity about addressing problems. It's gonna get old, it's gotten old. Yes, as you asked, I know you care but let's not go off assumptions here. I really do try to make you feel understood and heard and would like the same. In this relationship we should accept each other's irrational feelings, quirks, insecurities and work through them..not keep going around them. Good night

01 Mar 2017 22:58

Me

Good morning beautiful

02 Mar 2017 08:34

Me

Hope you had a good nap

03 Mar 2017 09:21

03 Mar 2017 09:21

Me

In a cup of tvp

03 Mar 2017 09:26

Autumn

Hm yea idk it doesn't sound like too much

03 Mar 2017 09:26

Autumn

But I guess so if you don't care for the flavor too much

03 Mar 2017 09:26

Me

I was doing it for added protein... Lol so one tbsp would probably do.. Put das only 3g nway

03 Mar 2017 09:26

Me

Meanie

03 Mar 2017 09:27

Autumn

08 Mar 2017 10:49

Me

The other day I read how Amazons Alexa might be able to help a murder case because of the always listening system

08 Mar 2017 10:50

Me

So for it to be in smart TVs. Well... Yea

08 Mar 2017 10:50

Me

Even certain google apps, or apps in general before you accept the install it does ask for mic access and stuff like that. But hey, the shit tells ya

08 Mar 2017 10:52

Me

Anyway it's a cia and another Corps agreement, google included. to have access to these recordings

08 Mar 2017 10:53

Me

So people paranoid

08 Mar 2017 10:54

Me

I understand the privacy concerns but bruh are you that important? Like what the fuck they care about your shitty home convos... And are you plotting a murder? Then well... Too bad lol

08 Mar 2017 10:58

Autumn

Hmm that's interesting. No I haven't heard about that specifically

08 Mar 2017 11:00

Me

The documents also talk about their hacking tools

08 Mar 2017 11:00

Autumn

But yea people have a lot of privacy concerns. What's there to worry about if you're living like a decent human being

08 Mar 2017 11:00

Me

Like how they swap out their hacking fingerprints with others to frame others

08 Mar 2017 11:03

Me

Basically it's Malware and viruses and other tools to get into the public's electronics

08 Mar 2017 11:05

Me

All kinds of shit

08 Mar 2017 11:05

Me

When you think your TV is off.. Well it isn't.

exceptions*

08 Mar 2017 11:17

Autumn

So yes there's never a clear cut "right" way

08 Mar 2017 11:17

Autumn

I thought about it a lot more towards the beginning of the program I'm in now. I was going to drop out and go to nursing school but I really wouldn't be good at that at all. The money, relatively short program, job stability/security is attractive though. Plus I wanted to be a travel nurse, that was the main thing I liked about the idea

11 Mar 2017 12:24

Autumn

Oh well.. maybe in another life

11 Mar 2017 12:24

Me

Lol

11 Mar 2017 12:25

Me

How does the travel nurse thing work

11 Mar 2017 12:25

Me

You'd have to be working lol

11 Mar 2017 12:25

Me

Why do you believe you wouldn't be good at it? Impatient?

11 Mar 2017 12:26

Autumn

You just take on assignments for a certain period of time in different places. My mom has a friend who she used to work with who recently got divorced, kids are grown, and she was like fuck it gonna be a travel nurse

11 Mar 2017 12:26

Me

You'd kill two birds... Finances and travel

11 Mar 2017 12:27

Autumn

She was in San Diego for like 6 months, then another city in CA for a few more months, Chicago a couple months and last I heard she's been in Boston for about 5 months

11 Mar 2017 12:27

Autumn

Because I can't deal with blood, guts, wounds, anything like that. It makes me sick

11 Mar 2017 12:27

Autumn

You basically sign a contract for a certain amount of time

11 Mar 2017 12:28

Autumn

Yea it sounds greatttttt I wish man

11 Mar 2017 12:28

Me

Learn to deal with blood and guts

11 Mar 2017 12:30

Me

Ya softy

11 Mar 2017 12:30

Autumn

Do you know how many times I've had this conversation with myself lol

11 Mar 2017 12:30

Me

Lol

11 Mar 2017 12:30

Autumn

I was really serious about it I really wanted to do it. But not because I'm passionate about the job or anything.. I just feel that it would be a career which would allow me to fulfill all the other things I want to do with my life. It seems like such a practical approach to reach all my goals...and still I didn't do it. Fml

11 Mar 2017 12:31

Autumn

During this time of contemplation about it my mom told me "Autumn that's dumb, you'd be a terrible nurse"

11 Mar 2017 12:32

Me

Lol yl

11 Mar 2017 12:33

Me

Well you're good at what your in now

11 Mar 2017 12:34

Autumn

I believe so..but it definitely has put me in a spot where life is on hold and I'm not fulfilling any of the other goals

11 Mar 2017 12:35

Autumn

I guess when I finish that's when I'll feel less tied down

11 Mar 2017 12:35

Autumn

Anyway

11 Mar 2017 12:35

Me

You really like travel huh lol

11 Mar 2017 12:35

Autumn

Well yea but that's just part of it. Basically I hate having a rigid schedule and that I have to revolve literally everything around school. It ducks

11 Mar 2017 12:37

Autumn

Sucks

11 Mar 2017 12:37

Autumn

Now I'm just hating life thinking about when I should be thinking about this

15 Mar 2017 21:42

Autumn

The Gifts of Imperfect Parenting by Brene Brown

15 Mar 2017 21:42

Autumn

I mean it's good not just in the context of parenting. There's a 10 min audio excerpt on YouTube. You should listen while you're cooking/eating/whatever

15 Mar 2017 21:43

Me

I read the summary

15 Mar 2017 21:44

Autumn

She's really insightful

15 Mar 2017 21:45

Autumn

The way she speaks

15 Mar 2017 21:45

Me

Everything is a learning process.

15 Mar 2017 21:45

Autumn

Well I guess writes lol since it's a book

15 Mar 2017 21:45

Autumn

Yea I'm going to tell my mom to listen to it. I think she could really benefit from the things she says

15 Mar 2017 21:46

Autumn

Not as a parent specifically, just as a human

15 Mar 2017 21:46

Autumn

I'm listening like wow this is perfect and I'm not even a parent lol

15 Mar 2017 21:47

Me

How is it perfect?

15 Mar 2017 21:49

Me

Or why do you think it's perfect

15 Mar 2017 21:49

Autumn

She just says things that are relatable and really important for people in general, not just people raising children

15 Mar 2017 21:50

Me

Well people are just big children lol

15 Mar 2017 21:51

Autumn

Idk listen to the first 10 min

16 Mar 2017 14:28

Autumn

Works out great though because now it's like I have a whole extra day to study

16 Mar 2017 14:29

Autumn

It's 03/31....

16 Mar 2017 14:29

Me

*That's good honey. You got some more time to study
and more time to prep for that too*

16 Mar 2017 14:57

Me

16 Mar 2017 14:57

Me

Maybe I can see the mythical girl

16 Mar 2017 15:19

16 Mar 2017 16:32

Autumn

Crashed where?

16 Mar 2017 16:34

Autumn

What do you mean leaving soon?

16 Mar 2017 16:34

Autumn

Gone as in leaving? lol that's what I meant

16 Mar 2017 16:34

Me

Yea I'm saying later today..

16 Mar 2017 16:38

Autumn

Oh lol that's still far off I thought

16 Mar 2017 16:38

Autumn

Confusing me

16 Mar 2017 16:38

Me

Zoom in

16 Mar 2017 16:39

Me

Red car

16 Mar 2017 16:39

Autumn

So remember I was telling you about the job at school a week or so ago.. I got it

16 Mar 2017 16:39

Autumn

Now I'm really trying to decide about Amanda's or stay where I'm at

16 Mar 2017 16:40

Me

Nice

16 Mar 2017 16:40

Autumn

Omg how did the car get over there though? I don't see a street anywhere

16 Mar 2017 16:40

Autumn

lol you're so thrilled

16 Mar 2017 16:41

Me

Turnpike he went off the road

16 Mar 2017 16:42

Me

The job is closer to Amanda's?

16 Mar 2017 16:42

Autumn

No it's at school but more money than now

16 Mar 2017 16:43

Autumn

It's just going to be a lot between clinical, class, work, working on my dissertation. I'll probably take one less class

16 Mar 2017 16:44

Autumn

Shit ..looks like the only car involved so that's good

16 Mar 2017 16:44

Me

They are cutting the car open

16 Mar 2017 16:51

Me

If you feel it will make life easier than go for it

16 Mar 2017 16:57

Me

I don't see that you have much issue or anything with your grandparents though

16 Mar 2017 16:57

Autumn

In some ways it makes it easier, in others it makes it harder. It's not that it's awful or anything, I just don't want to feel like I owe anyone anything or I'm in anyone's way

16 Mar 2017 17:03

Me

Stretcher is out

16 Mar 2017 17:04

Autumn

16 Mar 2017 17:06

Me

Who's way do you feel you in

16 Mar 2017 17:06

Me

Gps or Amanda? I think there's no problem with either because you are welcomed by them

16 Mar 2017 17:07

Me

So don't think that

16 Mar 2017 17:07

Autumn

Grandparents

16 Mar 2017 17:08

Autumn

More to it than just that

16 Mar 2017 17:09

Autumn

But anyway

16 Mar 2017 17:09

Me

If you feel that way

16 Mar 2017 17:22

Autumn

You're very supportive

16 Mar 2017 17:23

Me

I am

16 Mar 2017 17:24

Me

You're saying there is more to it but then said but anyway

16 Mar 2017 17:25

Me

I don't think your in anyone's way being at your gp's but if you want to feel more free and believe that being with Amanda will help then well

16 Mar 2017 17:26

Autumn

Yes there's more to it, I don't think I can explain myself well through texts, and it seems like you're being condescending almost

16 Mar 2017 17:27

Autumn

But idk if we're just lost in translation so that's why I said anyway

16 Mar 2017 17:27

Me

Why would I be condescending

16 Mar 2017 17:28

Autumn

Idk?

16 Mar 2017 17:29

Autumn

That's my confusion

16 Mar 2017 17:29

Me

How do I sound that way

16 Mar 2017 17:31

Autumn

It just seemed that way babe, the vibe I got

16 Mar 2017 17:33

Autumn

Like I said maybe it's hard to read the tone through messages so forget it. Talk later about it

16 Mar 2017 17:33

Autumn

What happened with the car

16 Mar 2017 17:33

Me

Well I'm always on your side

16 Mar 2017 17:41

Autumn

16 Mar 2017 19:02

Me

17 Mar 2017 09:36

Autumn

For example, I said good morning so you saw and didn't respond but if I said hey come to the gym you'd respond

17 Mar 2017 09:37

Me

What I'm saying is that it's nice to see it anyway

17 Mar 2017 09:37

Autumn

17 Mar 2017 13:13

17 Mar 2017 13:14

Me

It's weird in general

17 Mar 2017 13:14

Autumn

Yea ok

17 Mar 2017 13:14

Autumn

If you have good boundaries with people they don't act like that

17 Mar 2017 13:15

Me

Babe I've never talked to this girl

17 Mar 2017 13:16

Me

She just said it came in a pair and saw my old bag

17 Mar 2017 13:17

Me

*She just being genuinely nice I know it seems weird
dont over think it though*

17 Mar 2017 13:22

Autumn

Yea I don't really see it that way but ok

17 Mar 2017 14:39

Me

I'm letting you know what happened.

17 Mar 2017 14:46

Autumn

Thanks

17 Mar 2017 14:48

Me

Cuz I want you to know everything

17 Mar 2017 14:48

Me

Well

17 Mar 2017 14:48

Autumn

*I appreciate it but I don't trust that. Idk if it's because of
what was said yesterday or what*

17 Mar 2017 14:52

Autumn

*I believe when you maintain appropriate boundaries
with people they stay in their lane, know what I mean*

17 Mar 2017 14:53

Me

If you don't trust me than idk

17 Mar 2017 14:55

Autumn

*I'm not saying any of this for you to explain further. I'm
just letting you know where I'm at*

17 Mar 2017 14:56

Autumn

So moving forward

17 Mar 2017 14:56

Autumn

*I feel like I do/should trust you but sometimes you say
shit that really makes me question that trust*

17 Mar 2017 14:59

Autumn

.....

17 Mar 2017 15:06

Me

Wth did I say this time around

17 Mar 2017 15:08

Me

I understand yesterday but we talked about this.

17 Mar 2017 15:08

Autumn

Ok well the effects of that don't disappear just because we talked about it, especially in a situation like this

17 Mar 2017 15:09

Autumn

Anyway forget about it

17 Mar 2017 15:09

Autumn

What are you doing

17 Mar 2017 15:09

Me

I'm at the gym. I waited til I til Jorge got off. Never again

17 Mar 2017 15:20

Autumn

It's going.. almost to the end of the study guide finally. So then I'll just re read it once between now and tues

17 Mar 2017 15:21

Autumn

I hope so

17 Mar 2017 15:21

Me

17 Mar 2017 15:22

17 Mar 2017 15:23

Autumn

*That's **

17 Mar 2017 15:23

Me

If you lose trust in me then I'll lose trust in you and one of us will do something fucked up. And your right if that's the way we are going to think then it's not worth being together but that's far from what I want

17 Mar 2017 15:24

Autumn

17 Mar 2017 15:25

Autumn

Stop

17 Mar 2017 15:25

Autumn

17 Mar 2017 18:52

Autumn

Why

17 Mar 2017 18:53

Autumn

How did you determine that

17 Mar 2017 18:54

Autumn

Oh ok

17 Mar 2017 18:54

Autumn

Right I know the tumbleweed thing but it doesn't look like that to me

17 Mar 2017 18:54

Me

I'm an it?

17 Mar 2017 18:36

Me

17 Mar 2017 18:37

Me

It's been in cartoons lol

17 Mar 2017 18:54

Me

Movies too Im sure

17 Mar 2017 18:54

Me

*Basically you're all alone. Only a tumbleweed blowing
in the wind....*

17 Mar 2017 18:58

Autumn

Yea yea I get that

17 Mar 2017 18:58

Autumn

I just don't think it looks like that scene

17 Mar 2017 18:58

Autumn

17 Mar 2017 18:58

Autumn

Right

17 Mar 2017 19:00

Autumn

New one is in

17 Mar 2017 19:36

Autumn

*I wanted it to be a little bigger it's barely bigger than
the other one lol*

17 Mar 2017 19:40

Autumn

*But it's also bloody and red around it so I can't tell how
it truly looks*

17 Mar 2017 19:40

Autumn

*Well the other is 1mm and this is 2mm so it's double the
size, doesnt seem like it*

17 Mar 2017 19:43

Autumn

I might as well be talking to the mirror lol

17 Mar 2017 19:44

Me

Hush

17 Mar 2017 19:46

Me

*Size matters with piercings oookkk so 1mm is a big
diff0*

17 Mar 2017 19:46

Autumn

17 Mar 2017 19:46

Me

Is it tight or does it hurt

17 Mar 2017 19:46

Autumn

Are you being sarcastic

17 Mar 2017 19:46

Autumn

No not at all

17 Mar 2017 19:46

Me

Good

17 Mar 2017 19:47

Autumn

I'm not talking about the thickness of the gauge

17 Mar 2017 19:47

Autumn

That's the same as the other

17 Mar 2017 19:48

Autumn

I'm referring to the size of the stud

17 Mar 2017 19:48

Me

Looks thick other pic

17 Mar 2017 19:48

Autumn

No it's not

17 Mar 2017 19:48

Me

Oh OK. I wanted the stud a little bigger

17 Mar 2017 19:48

Autumn

That's what I'm saying babe -_-

17 Mar 2017 19:49

Me

I got that...

17 Mar 2017 19:49

Autumn

I said it's actually double the size of the other one but it doesn't seem like it

17 Mar 2017 19:49

Autumn

Ok well what's the confusion then lol

17 Mar 2017 19:49

Autumn

Fuhhhget about it

17 Mar 2017 19:49

Me

You're saying its not a noticeable size difference ?

17 Mar 2017 19:50

Autumn

I guess it doesn't seem so right now

17 Mar 2017 19:50

Me

Send pic

17 Mar 2017 19:51

Autumn

On the same page or nah

17 Mar 2017 19:51

Autumn

That's why I said idk though because the area around the piercing is pretty red right now and there's some blood drying so we will see after all that settles what it actually looks like

17 Mar 2017 19:51

Me

I get it

17 Mar 2017 19:52

Autumn

You'll see soon enough

17 Mar 2017 19:52

Autumn

Annoying to keep saying this but my nose is so fucking sore and swollen inside. Idk if it's normal due to this guy jamming around in there or is it infected or something

18 Mar 2017 11:08

Autumn

Yes so is it normal

18 Mar 2017 11:10

Autumn

Me

Do your work!

18 Mar 2017 16:52

Me

Basically opposites attract lol

18 Mar 2017 17:15

Me

Well I mean

18 Mar 2017 17:16

Autumn

No not really

18 Mar 2017 17:16

Me

Like what we are inside is projected outside from the other

18 Mar 2017 17:16

Autumn

According to Jung everyone has a male and female part of them.. and when that's not integrated effectively there's certain patterns of behavior and such

18 Mar 2017 17:21

Autumn

Interesting but his stuff is very mythical. I can only take so much lol

18 Mar 2017 17:23

Me

It was hard to comprehend when I'm zooming in/out n scrolling around

18 Mar 2017 17:25

Autumn

Yea bad pic lol

18 Mar 2017 17:25

Me

I get what he's trying to say about being in touch with the masculine and feminine, but literally being "spoke" to, unless he meant that metaphorically, he cray

18 Mar 2017 17:31

Autumn

Well it's a spiritual component

18 Mar 2017 17:32

Autumn

People hear they say Jesus speak to them

18 Mar 2017 17:32

Autumn

Doesn't necessarily mean they're having auditory hallucination or out of touch with reality lol. Unfortunately we can't call it that

18 Mar 2017 17:33

Me

Yea they probably mistake their inner voice for Jesus voice

18 Mar 2017 17:34

Me

Like I heard the devil talking to me

18 Mar 2017 17:35

Autumn

What did he say

18 Mar 2017 17:35

Autumn

Or she.. idk

18 Mar 2017 17:35

Me

That god is evil lol

18 Mar 2017 17:35

Me

I told you this

18 Mar 2017 17:35

Autumn

Oh ok yes

18 Mar 2017 17:36

Me

He's just trying to make sense of the world without science.

18 Mar 2017 17:55

Me

Whoever Jung is lol

18 Mar 2017 17:55

Me

I'm gonna wash these bad spirits away in the shower now

18 Mar 2017 17:56

Autumn

Very mythical which was the major criticisms of his work

18 Mar 2017 17:57

Me

Yea but if you look past the mythical part you can still get a good message I believe

18 Mar 2017 17:57

Me

Like with anytjing

18 Mar 2017 17:57

Me

That fact that we exist is pretty mythical.. Let the guy think

18 Mar 2017 17:58

Autumn

But this comes from the early 1900, one of the first psychologists to describe and theorize personality. So I guess we can cut him some slack, gotta start somewhere

18 Mar 2017 17:58

Autumn

Yes true

18 Mar 2017 17:58

Autumn

You right

18 Mar 2017 17:59

Me

Oh see I didn't know that it was from early 1900s

18 Mar 2017 17:59

Autumn

Alright dirty man

18 Mar 2017 17:59

Autumn

Cut your nails too

18 Mar 2017 17:59

19 Mar 2017 11:45

Me

My sisters gay friend is in critical condition. He's been stabbed and beat up

19 Mar 2017 12:02

Me

I've known this guy since I was little

19 Mar 2017 12:02

Autumn

Omg that's awful. What happened

19 Mar 2017 12:07

Me

Thinking its a hate crime

19 Mar 2017 12:07

Me

No body really knows what's going on yet

19 Mar 2017 12:08

Autumn

Does he have a partner

19 Mar 2017 12:08

Me

I think his partner died or something. I think he did have aids

19 Mar 2017 12:10

Me

Occasionally I'd hear about them but it's been awhile

19 Mar 2017 12:11

Autumn

Oh. I was going to say it could be domestic violence

19 Mar 2017 12:11

Me

The mother doesn't really tell anyone anything. Nobody knows what's going on or when it hapoend

19 Mar 2017 12:12

Me

He was the kind to stand up and talk back if someone says something

19 Mar 2017 12:13

Autumn

Wow

19 Mar 2017 12:13

Me

*Is**

19 Mar 2017 12:13

Autumn

Hopefully he gets through it

19 Mar 2017 12:17

Me

Hope so

19 Mar 2017 12:20

Autumn

How are you feeling babe

19 Mar 2017 12:23

Autumn

19 Mar 2017 12:32

Me

19 Mar 2017 12:32

Me

Still coughing up

19 Mar 2017 12:32

Me

You studying?

19 Mar 2017 12:32

Autumn

I'm just heading home to change for the gym. I've been at Starbucks since 7:30

19 Mar 2017 12:39

Autumn

Maybe you have an infection, your sickness has been lingering and not responding to the meds you take

19 Mar 2017 12:40

Autumn

It seems anyway

19 Mar 2017 12:40

Me

Who knows baby. It's not as bad though so my body is taking care of it

19 Mar 2017 12:41

Me

I'll be at the gym soon too

19 Mar 2017 12:41

Autumn

Me

I'd like to thank Barnes and noble for giving me a beautiful girl

19 Mar 2017 16:25

Autumn

Why does B&N get all the credit

19 Mar 2017 16:34

Me

Murp

19 Mar 2017 16:47

Autumn

Babe I love youuuuuuu

19 Mar 2017 16:52

Me

I love my angellllll

19 Mar 2017 16:52

Me

The family thinks that it was his lover of 5 years.. They were on and off

19 Mar 2017 16:54

Me

The place that he lives in with a roommate is pretty secure so it must of been win-win close Plus it seemed very personal.. He has slashes on his neck and stab wounds all over. He was dead when ambulance came but they revived him

19 Mar 2017 16:56

Me

He's able to squeeze people's hands as a response so hopefully he gets to talk. The "lover" showed up at one point and the mom told him to get out and everyone suspects him, they deleted him off facebook, the guy makes a new account with him smiling hard. Idk

19 Mar 2017 16:57

Autumn

Who found him??

19 Mar 2017 17:13

Autumn

The mom told him that they suspect him?

19 Mar 2017 17:13

Me

The roommate

19 Mar 2017 17:13

Me

Most of the friends suspect his lover did it

19 Mar 2017 17:18

Me

IDK why he's not being questioned

19 Mar 2017 17:18

Autumn

That's what I'm wondering

19 Mar 2017 17:18

Me

And why would he be dumb enough to show up

19 Mar 2017 17:20

Me

Hopefully hes able to tell everyone. My sister was balling crying last night

19 Mar 2017 17:20

Autumn

Well he's probably trying to plays the "I didn't do it" card

19 Mar 2017 17:22

Autumn

Play

19 Mar 2017 17:22

Autumn

Yea I was going to say...your sister must be a wreck about it

19 Mar 2017 17:23

Me

Why risk being in the same room when there is a possibility of him waking up

19 Mar 2017 17:23

Autumn

Well is he in a coma? Or they medically induced him to this state so they can do what they need to

19 Mar 2017 17:24

Me

Medically induced

19 Mar 2017 17:25

Autumn

Idk babe. People are sick

19 Mar 2017 17:25

Autumn

Right so the only possibility of him waking up is if they take him off all that equipment, which is a process and not likely that they would be doing that now if he's in critical condition

19 Mar 2017 17:25

Autumn

That's probably why he showed up

20 Mar 2017 19:32

20 Mar 2017 19:32

Me

Just relax cuz its going to be as good as its going to be at this point

20 Mar 2017 19:33

Autumn

That's what I'm thinking. A couple days ago one girl who took it already said "I really struggled with it, it was tough"

20 Mar 2017 19:33

Autumn

Then today I was talking to a different person and he said "Oh yea, it's not bad, just know the surface stuff from each course, it doesn't go into deep on anything"

20 Mar 2017 19:34

Autumn

So like those are polar opposite responses, idk what to think. But yes I agree..at this point it's about as good as I'm going to get

20 Mar 2017 19:35

Me

Yea so it's probably just a covering the basics of everything. It would make sense

20 Mar 2017 19:39

Me

Same as mine I guess. It didn't hurt too bad just annoying

22 Mar 2017 09:19

Me

Tell me...

22 Mar 2017 09:19

Autumn

So Amanda has been wanting to go somewhere together for a while but of course it's hard for me to arrange that with my financial situation and school schedule. Anyway she called me last night once I was already asleep and said she found a ticket round-trip \$140 to Bogotá Colombia...and it happened to be on days that I'm off from school tues-fri I believe

22 Mar 2017 09:21

Me

I had a feeling it was a travel thing

22 Mar 2017 09:22

Autumn

But then she was being hesitant and saying she's not sure if she works those days or can get off from work those days. So I was like damn that sucks but I'm going either way lol... anyway after a little bit she decided to get the ticket anyway with insurance so she can cancel/refund if she can't get off work

22 Mar 2017 09:22

Autumn

I'm exciteddddddddd

22 Mar 2017 09:23

Me

Autumn

Ok babe

22 Mar 2017 09:39

Me

Why do you have to say that

22 Mar 2017 09:41

Autumn

Well 1) you're already doing something so don't worry about it and 2) you seem extremely unenthused to talk

22 Mar 2017 09:42

Autumn

It's fine, you have something else to do I get that but I don't get why you seem bothered that I'm talking to you

Me

*Babe I don't mind knowing every thought, every move

here with you*

22 Mar 2017 14:41

Autumn

It's not the backseat

22 Mar 2017 14:49

Autumn

*Alright babe I don't doubt it but then sometimes it can
be confusing if it's not implied or shown*

22 Mar 2017 14:49

Me

*I didn't mean literal back seat. I mean it's a hand me
down*

22 Mar 2017 14:50

Autumn

I know what you meant lol

22 Mar 2017 14:50

Autumn

I didn't take it literally

22 Mar 2017 14:50

Me

22 Mar 2017 14:51

Autumn

*I'm telling you that you're not "the back seat" or a

22 Mar 2017 15:45

22 Mar 2017 15:48

22 Mar 2017 15:49

Autumn

But sometimes there's these miscommunications

22 Mar 2017 15:50

Autumn

Or lack of

22 Mar 2017 15:50

Me

Yea

22 Mar 2017 15:50

Autumn

And you can't blame it on the fact that you were still waking up or whatever -_-

22 Mar 2017 15:51

Autumn

Lol

22 Mar 2017 15:51

Me

Especially when you have the day to yourself. Like when I had the week off I felt like I should of heard from you every second I was free

22 Mar 2017 15:51

Autumn

What do you mean? I told you what I was doing..and asked you to come

22 Mar 2017 15:53

Me

You have this day more open so you maybe wanted me to chop chop

22 Mar 2017 15:53

Autumn

No I didn't

22 Mar 2017 15:54

Autumn

I just wanted you to not act like I was inconveniencing you by chatting

22 Mar 2017 15:54

Me

You weren't though

22 Mar 2017 15:54

Me

*And I was right there even if I was a bit short which
Yea I see how that would upset you*

22 Mar 2017 15:55

Autumn

I hear what you're saying but babe come on. Read the convo over

22 Mar 2017 15:56

Autumn

You seemed completely uninterested

22 Mar 2017 15:56

Me

I did read it over

22 Mar 2017 15:56

Autumn

Ok then...

22 Mar 2017 15:57

Autumn

What if you told me hey I'm really excited about this and want to tell you and then did so and I responded ...oh cool well it sucks

22 Mar 2017 15:58

Autumn

Regardless of what your own personal opinions are you could at least feign a littleeeee enthusiasm, no?

22 Mar 2017 15:59

Me

I didn't say anything like that

22 Mar 2017 15:59

Autumn

You said oh it's dangerous

22 Mar 2017 16:00

Autumn

Well here we are again. I'm not going to beg you for you to react in a way that I think is decent. So let's forget it

22 Mar 2017 16:00

Autumn

One of those things that you're not going to shift your perspective on and neither am I. Agree to disagree

22 Mar 2017 16:03

Me

Maybe in a phone call next time idk

Autumn

Yea I don't see it being any different

22 Mar 2017 16:03

Autumn

Anyway

22 Mar 2017 16:03

Autumn

You at work?

22 Mar 2017 16:04

22 Mar 2017 16:05

Me

22 Mar 2017 16:08

Me

I'll try to not be frustrated about this

22 Mar 2017 16:09

Autumn

What's frustrating you?

22 Mar 2017 16:09

Me

How our issue seems to linger

22 Mar 2017 16:10

Me

But I'm definitely gonna not be able to get to my Phone for a bit

22 Mar 2017 16:10

Me

Love you

22 Mar 2017 16:10

Autumn

Well that's why I'm saying why don't we just try to forget it. I'm not suddenly going to think oh yea you're right and I feel that you communicated appropriately to me. Similarly it doesn't seem like you're going to change your mind about it

22 Mar 2017 16:12

Autumn

Mwa love you

22 Mar 2017 16:13

22 Mar 2017 18:09

Autumn

Yea lol but they look messed up

22 Mar 2017 18:11

Me

Them toenails busted

22 Mar 2017 18:11

Autumn

I thought you were saying like oh are you gonna do your nails cause you noticed they were bad

22 Mar 2017 18:11

Autumn

So that is what you meant

22 Mar 2017 18:12

Autumn

Anyway it's been good. Cammed for a couple hours, trying to make dat \$. Now at B&N looking at books and working on something for school

22 Mar 2017 18:26

Autumn

Why did you decide not to?

22 Mar 2017 18:28

Autumn

:(

22 Mar 2017 18:28

Autumn

My dissertation

22 Mar 2017 18:28

Me

Wasn't feeling it at the time. Took it and was like ehh

22 Mar 2017 18:28

Autumn

Collecting literature /review of the literature

22 Mar 2017 18:28

Me

I see

22 Mar 2017 18:28

Me

That's cool, any books there your using for it? Or any particular author

22 Mar 2017 18:29

Autumn

No I just came here because I wanted to browse and chill. I brought my laptop to work a bit

22 Mar 2017 18:30

Autumn

But I'm using the online database from school

22 Mar 2017 18:31

Autumn

And Nova's online database got the hook up with that lol

22 Mar 2017 18:31

Me

OK I thought it was that or the other

22 Mar 2017 18:31

Autumn

So just scanning a bunch of journals, studies, etc

22 Mar 2017 18:31

Me

Does google scholar search anything like that

22 Mar 2017 18:32

Autumn

You can use it for sure. It's helpful

22 Mar 2017 18:33

Me

Or is of Amy use or direct you to school data bases

22 Mar 2017 18:33

Me

Ah I've only heard of it

22 Mar 2017 18:33

Autumn

The only difference with using the database from school is that it gives you access to a lot more stuff

22 Mar 2017 18:33

Autumn

Part of our tuition pays for access to all these journals and stuff so that's why I use the school one. When you search google scholar there's good stuff but a lot of times you can only see the abstract /have to pay to get the full text

22 Mar 2017 18:35

Me

Wasn't sure if google scholar was maybe integrated with them

22 Mar 2017 18:35

Me

*Yea just like here they have access to codes,
schematics and other stuff for diagnosis of the cars*

22 Mar 2017 18:36

Me

*Brb phones gonna die. I'll connect to a charger in a few
min... 10 or so*

22 Mar 2017 18:36

Autumn

22 Mar 2017 18:38

23 Mar 2017 19:10

Autumn

Life

23 Mar 2017 19:11

Autumn

23 Mar 2017 19:12

Autumn

Maybe oats

23 Mar 2017 19:13

Autumn

Alone

23 Mar 2017 19:13

Autumn

With egg whites

23 Mar 2017 19:13

Autumn

Or without

23 Mar 2017 19:13

Autumn

Or with cinnamon

23 Mar 2017 19:13

Autumn

Or pb2

23 Mar 2017 19:13

Autumn

Or peanut butter if you about them fatzzz

23 Mar 2017 19:14

Autumn

Or just oats

Me

They not all dat

23 Mar 2017 19:11

Me

Maybe dessert modifications

23 Mar 2017 19:12

Me

I agree with eggwhites

23 Mar 2017 19:13

Me

Volume

23 Mar 2017 19:13

Me

I use egg white in pasta

23 Mar 2017 19:13

23 Mar 2017 19:14

Me

*Gives volume and protein and with ricotta sometimes.
Adds overall creamy texture*

23 Mar 2017 19:14

Me

Or just pb2

23 Mar 2017 19:14

Autumn

Can you taste it in the pasta?

23 Mar 2017 19:14

Me

And cocoa

23 Mar 2017 19:14

Me

Na you can't taste it.

23 Mar 2017 19:14

Autumn

Nah

23 Mar 2017 19:14

Autumn

Or protein powder in oats

23 Mar 2017 19:14

Autumn

Yaaas

23 Mar 2017 19:14

Me

*It only works if you are baking it after boiling. Like to
add cheese or W. E*

23 Mar 2017 19:15

Autumn

Oh ok I see

23 Mar 2017 19:15

Me

Protein powder pb2 cocoa and Mayyybe oats lol

23 Mar 2017 19:15

Autumn

*You were saying PB is too high calorie/fat. Have you
tried the whipped one?*

23 Mar 2017 19:15

Autumn

I asked you this right

23 Mar 2017 19:16

Autumn

It's like 25% less fat and calorie. Something like that

23 Mar 2017 19:16

Autumn

Not bad

23 Mar 2017 19:16

Me

It may be hot enough to just cook after the pasta is done. Maybe put it in a hot pasta sauce.. If you don't want to oven it

23 Mar 2017 19:16

Autumn

Yea but it would be all soggy I feel

23 Mar 2017 19:16

Me

You did ask. I'm not sure if I tried. I assumed its the same macros

23 Mar 2017 19:17

Me

Depends how much you add I guess. If you boil down the water in the tomato sauce it might work. Idk

23 Mar 2017 19:17

Autumn

No it's not

23 Mar 2017 19:17

Me

Hmmm.. Or pb2

23 Mar 2017 19:19

Me

Used to eat it on 45 calorie bread a lot in the am

23 Mar 2017 19:19

Me

Or spread on waffles

23 Mar 2017 19:20

Autumn

Yea that's good

23 Mar 2017 19:20

Me

Basically same macros I think. Cuz the usually serving size for pb is 36g

23 Mar 2017 19:21

Autumn

I need to go buy oats but I don't want to move

23 Mar 2017 19:21

Me

That one is 24g soooo

23 Mar 2017 19:21

Autumn

No it's not babe how many times you want me to say

23 Mar 2017 19:21

Autumn

2 tbsp

23 Mar 2017 19:21

Autumn

Same ss as reg PB

23 Mar 2017 19:21

Me

*Yea babe but other pbs say 2 tbsp but say 32g...or 28g
or 36g lol can't remember*

23 Mar 2017 19:22

Me

OK so 32g

23 Mar 2017 19:22

Autumn

*Yes but 2 tbsp of reg PB weighs more than 2 tbsp of this
whipped one*

23 Mar 2017 19:23

Me

The other says 24g..

23 Mar 2017 19:23

Autumn

That's the difference - ___ - hellooooo

23 Mar 2017 19:23

Autumn

*Babe what do you not understand? 1 tablespoon of each
one weighs differently because of the consistency*

23 Mar 2017 19:23

Me

Yea but measuring with tbsp is not as accurate

23 Mar 2017 19:23

Autumn

It's still 1 tablespoon

23 Mar 2017 19:23

Autumn

I'm done with this conversation

23 Mar 2017 19:24

Autumn

Lol

23 Mar 2017 19:24

Me

Lol

23 Mar 2017 19:24

Me

*If you weighed out 36g of the whipped one.. The calcs
would be the same is what I'm saying.*

23 Mar 2017 19:24

Me

*32g**

23 Mar 2017 19:25

Autumn

Yes and it would be more than 2 tablespoons.....

23 Mar 2017 19:25

Me

Grams are grams OK... More weight... More food lol

23 Mar 2017 19:25

Autumn

Ok I'm done like I said I don't even care about peanut butter

23 Mar 2017 19:25

Me

Lmao

23 Mar 2017 19:25

Me

23 Mar 2017 19:26

01 Apr 2017 14:22

Autumn

Hey you know it bothers me when I'm being nice/sweet and you try to say the opposite or go against what I'm asking. I think that you might be playful when you do that but it's confusing. Then it kinda just starts this weird vibe with us which we both feed into. See what I mean?

01 Apr 2017 14:29

Me

Babe I didn't think you were taking it that way. Of course I'd let you know when I'm done and stiff like that. You should know I'm here for you

01 Apr 2017 14:30

Me

And you do the same so you know

01 Apr 2017 14:31

Autumn

I do the same what?

01 Apr 2017 14:36

Me

When I'm being nice you aren't always nice

01 Apr 2017 14:37

Autumn

I didn't realize that I do that

01 Apr 2017 14:37

Autumn

I think if I do I make sure that you know I'm kidding or say something like ok let me stop

01 Apr 2017 14:38

Autumn

Yes babe I know overall that you're here for me and what not but it seems unnecessary to me to kill the vibe that way

01 Apr 2017 14:38

Me

I feel it was pretty obvious I was kidding

01 Apr 2017 14:39

Autumn

I'm not trying to argue with you

01 Apr 2017 14:43

Autumn

I'm just letting you know how it is for me

01 Apr 2017 14:43

Autumn

Take it for what it's worth dassssit

01 Apr 2017 14:44

Me

Alright

01 Apr 2017 14:45

Autumn

And think about it...what was there suggesting you were kidding? You said it with a straight face, didn't crack a smile or laugh, got out of the car and left

01 Apr 2017 14:45

Autumn

It's like you do that and then expect me not to react or go with the negativity

01 Apr 2017 14:46

Autumn

Anyway not trying to get started on it

01 Apr 2017 14:46

Me

I thought it was obvious by the way I said it

01 Apr 2017 14:47

Autumn

Ok well it wasn't for me

01 Apr 2017 14:48

Me

We were both kidding around so

01 Apr 2017 14:48

Autumn

I wasn't..?

01 Apr 2017 14:49

Autumn

I was telling you to lmk when you're finished taking a shower, eating, etc

01 Apr 2017 14:49

Autumn

01 Apr 2017 14:49

Me

can let you know if I get one anytime soon*

01 Apr 2017 15:52

Me

*That would work. Niggas be protein spiking with

05 Apr 2017 07:21

Autumn

It's not sarcasm, it's being an asshole

05 Apr 2017 07:31

Me

Oook

05 Apr 2017 07:35

Me

<https://youtu.be/tvTRZJ-4EyI>

05 Apr 2017 10:57

Autumn

Yea true

05 Apr 2017 11:13

Me

Thinking of you.

05 Apr 2017 18:45

Autumn

Thinking of being nice or no

05 Apr 2017 18:56

Me

Well of course

05 Apr 2017 19:57

Me

You gonna call me an asshole

05 Apr 2017 19:58

Autumn

If you don't act that way

05 Apr 2017 20:17

Autumn

You're not going to convince me that responding like that is normal so forget it if that's your intention here

05 Apr 2017 20:18

Me

OK have a good night.

05 Apr 2017 20:19

Autumn

Oh apparently you shouldn't expect your partner to show support? Jason you know if we flipped the script and I responded like you did that you would not be happy with me

05 Apr 2017 20:21

Autumn

But I wouldn't anyway because I actually give a shit about you

05 Apr 2017 20:22

Me

I may have said that was mean or ask why you act that way and might be agitated but I doubt I'd call you an asshole

05 Apr 2017 20:25

Autumn

So it's my job to be perfect or do it the correct way? How about you just talk to me like a decent human being from the beginning?

05 Apr 2017 20:27

Me

For something that wasn't all that. Sure I might have taken it further by not talking to you or W. E but still

05 Apr 2017 20:28

Me

OK cuz something like that, because you took it more serious than I believe it should have makes me not decent

05 Apr 2017 20:29

Autumn

So you acknowledge it's wrong, yet you don't take that into account as to why I feel how I do

05 Apr 2017 20:29

Me

No

05 Apr 2017 20:29

Autumn

You're basically saying yea what I said was rude but how dare you have a proportionate response

05 Apr 2017 20:30

Me

I'm not saying its wrong because I wasn't being a jerk. Afterwards, maybe

05 Apr 2017 20:30

Me

*Wasn't being an asshoe**

05 Apr 2017 20:30

Autumn

Why would you respond like that in the first place? Wtf is that

05 Apr 2017 20:30

Me

I'll get back to you. Really busy

05 Apr 2017 20:30

Autumn

I'm going to sleep. Good night

05 Apr 2017 22:01

Me

Good morning honey

06 Apr 2017 07:54

Autumn

Good morning

06 Apr 2017 08:11

Autumn

What happened last night

06 Apr 2017 08:13

Autumn

Hello....

06 Apr 2017 08:23

Autumn

You know trust in a relationship includes trusting that each other will resolve issues as they come up rather than ignore them. Have you noticed we're great together when things are all good but when there's a conflict it takes too long for it to be acknowledged and addressed? That's the true test of relationships...how well can we weather a storm? Apparently not well. I'm wondering why do I have to initiate a resolution when you instigated this problem? Think about it, it's not right

06 Apr 2017 08:52

Me

Yea I instigated

06 Apr 2017 09:15

Me

You seem to not trust that we can get through things things and also throw the fault at me

06 Apr 2017 09:17

Autumn

It is your fault in this situation

06 Apr 2017 09:20

Autumn

Trust builds through real life examples of problem solving and working through issues. In this situation there's been none of that

06 Apr 2017 09:21

Me

Right because you were cranky from lack of sleep and took my comment the wrong way

06 Apr 2017 09:21

Autumn

It's a petty stupid problem that blew up when it could have been resolved with even one message

06 Apr 2017 09:21

Autumn

How do you know I was tired or cranky? I was neither

06 Apr 2017 09:21

Autumn

You're not going to convince me that I'm at fault for how I took your comment. It's wrong whichever way you look at it

06 Apr 2017 09:22

Me

No things aren't always resolved with one message. I've done the whole let's just forget it and show love and you stay weird about it. So I don't think you should put all that on me either, as if there is even more of a problem when it wasn't "resolved" sooner. So now I'm an asshole and more

06 Apr 2017 09:29

Autumn

I didn't say everything can be resolved with one message. I said that situation could have been

06 Apr 2017 09:30

Autumn

Yes exactly

06 Apr 2017 09:31

Autumn

*That situation could have been solved with one message
but it wasn't*

06 Apr 2017 09:31

Autumn

*Yes you acted like an asshole. If I act like that I'd hope
you let me know*

06 Apr 2017 09:33

Me

And I call. Bs

06 Apr 2017 09:33

Me

*I didn't mean for it to sound like that at all. But an
asshole? OK I'll show you one. That's how I took it*

06 Apr 2017 09:34

Autumn

How else could you mean it to sound Jason?

06 Apr 2017 09:34

Autumn

There's not many ways it can sound

06 Apr 2017 09:34

Autumn

*I feel like you're trying to stick with your point and
argue it but there's really no alternative explanation*

06 Apr 2017 09:35

Me

*If you thought it was mean, you could have said that.
You called me an asshole from one message.*

06 Apr 2017 09:35

Autumn

*If you were kidding you could have said I'm jk sorry
babe that sucks*

06 Apr 2017 09:35

Autumn

*I'm not going to play this game back and forth of you
could have said this, I could have said that*

06 Apr 2017 09:36

Me

I did basically say that

06 Apr 2017 09:36

Me

Alright then

06 Apr 2017 09:36

Autumn

*The way I feel is if you don't want to be called an
asshole don't act like one*

06 Apr 2017 09:36

Autumn

You're trying to argue a point that has no weight. Why can't you just admit that it was wrong to say? Why are you allowed to instigate an issue/be rude but I can't have a response?

06 Apr 2017 09:38

Autumn

Do you see that? It makes no damn sense

06 Apr 2017 09:38

Me

I didn't say you can't have a response.

06 Apr 2017 09:40

Autumn

Well you act all surprised when I have an appropriate response

06 Apr 2017 09:41

Autumn

How about answer your phone

06 Apr 2017 09:41

Autumn

Hello

06 Apr 2017 09:43

Autumn

So are we going to move on with life or no

06 Apr 2017 10:02

Me

I'm just worried about how you are feeling

06 Apr 2017 10:09

Me

And want you to feel better

06 Apr 2017 10:10

Autumn

Overwhelmed with what I need to finish in the last 2 weeks of the semester. I think that's what's upsetting my stomach

06 Apr 2017 10:13

Me

Well arguing isn't going to help at all. Maybe we can talk about it later, but for now, just know that I'm here for you.

06 Apr 2017 10:15

Autumn

Alright thanks babe

06 Apr 2017 10:31

Me

I hope you see that even though we have our moments and it might seem like I'm not trying but I am still there, on the phone or in front of your face. I don't always have the words but I have the heart. I hope you see that

06 Apr 2017 10:36

Me

I care about you a lot and what you are going through

06 Apr 2017 10:38

Autumn

I know when it comes down to it that you care. It frustrates me that when there's a problem you pull back instead of working it through

06 Apr 2017 10:44

Me

Does me being here now say that I'm pulling back?

06 Apr 2017 10:45

Autumn

I don't want to ignore things, say forget it or pretend that they didn't happen. Sometimes you have to walk straight through shit, not around it

06 Apr 2017 10:45

Autumn

Let's talk later babe. I appreciate you saying that

06 Apr 2017 10:45

Autumn

I love you

06 Apr 2017 10:45

Me

We have walked straight through problems. Just not all of them.

06 Apr 2017 10:47

Me

I love you

06 Apr 2017 10:47

Me

I'll see you tonight

06 Apr 2017 10:47

10 Apr 2017 12:46

Me

I'm just so grateful that I'm not paralyzed. Idk his post made me think about my back issues

10 Apr 2017 13:04

Me

And occasionally it flares up. Not too bad that it disables me but he mentioned the same thing, that he gets it again every now and then and this time it's worse. I just have a little fear in the back of my head about that.

10 Apr 2017 13:06

Me

I guess it's good to use as an example of how to better approach "training" what I'm doing it for and what not

10 Apr 2017 13:08

Autumn

I see what you're saying. I like how he says at first he was forced to slow down and stop and now it's what he chooses

10 Apr 2017 13:56

Autumn

Many people get so hyper focused and rigid about training but then it's like...wait what am I doing this all for anyway

10 Apr 2017 13:59

Autumn

How about the fact that, as is, your legs carry you, your heart beats, lungs breathe, blood circulates. Give your body a break baby

10 Apr 2017 14:00

Autumn

12 Apr 2017 12:10

Autumn

I wonder if it would be any bit of help to have a little something in your stomach before tough days like this

12 Apr 2017 12:16

Me

Possibly. Maybe a few rice cakes or something easy like that

12 Apr 2017 12:17

Me

15 Apr 2017 15:10

Autumn

Might even make oats my side bitch for awhile now

15 Apr 2017 15:10

Autumn

15 Apr 2017 15:10

Autumn

Yea I didn't put protein in it lol

15 Apr 2017 15:10

Autumn

Fuxking delicious

15 Apr 2017 15:10

Autumn

I think the protein would be fine but just not cooked that much

15 Apr 2017 15:11

Me

It's basically a dessert though lol... Chocolate

15 Apr 2017 15:11

Autumn

I saw on google there's a cookies and cream flavor

15 Apr 2017 15:11

Me

Don't tell me that

15 Apr 2017 15:12

Autumn

Yea but it's not bad, the sugar content is pretty low. It's just a grains with some cocoa

15 Apr 2017 15:12

Autumn

I know that's why I'm telling you lol I thought you'd be interested

15 Apr 2017 15:12

Autumn

And actually I prefer the original flavor that's just plain

15 Apr 2017 15:13

Autumn

It's like oats but different consistency

15 Apr 2017 15:13

Autumn

I'm gonna buy some when I go to Walmart next

15 Apr 2017 15:13

Me

I been wanting to try it but I'll probably Fuck up a box lol

15 Apr 2017 15:14

Me

Could egg it up too

15 Apr 2017 15:14

Autumn

Oh wait the cookies and cream one is like an actual cereal. It's like Oreo o's

15 Apr 2017 15:14

Me

Oooo

15 Apr 2017 15:15

Autumn

Never mind

15 Apr 2017 15:15

Autumn

Lame

15 Apr 2017 15:15

Me

Oh yes I see

15 Apr 2017 15:15

Me

*They make good version of cinnamon toast crunch
though*

15 Apr 2017 15:16

Autumn

Nah

15 Apr 2017 15:16

Autumn

Fuck cereal unless it's hot

15 Apr 2017 15:16

Autumn

*Trader Joe's used to sell a hot cereal, oat bran ..pretty
similar to the original malt o meal*

15 Apr 2017 15:17

Autumn

*That was an obsession for a long time but now I can't
find it there anymore*

15 Apr 2017 15:17

Autumn

And the one at publix tastes different

15 Apr 2017 15:18

Me

Too easy to slam down though

15 Apr 2017 15:19

Me

Lol I need everything huge

15 Apr 2017 15:19

Autumn

Didn't you just say this

15 Apr 2017 15:20

Me

15 Apr 2017 15:20

Me

SUGAAAAR

15 Apr 2017 15:20

Me

CARBSSSS

15 Apr 2017 15:21

15 Apr 2017 15:27

Me

I guess the girl method worked this time

15 Apr 2017 15:27

Me

I forgot what exactly does it but it will blunt the absorption of iodine

15 Apr 2017 15:29

Autumn

Not quite sure

15 Apr 2017 15:29

16 Apr 2017 16:46

Autumn

Alright then forget t

16 Apr 2017 16:47

Autumn

It

16 Apr 2017 16:47

Me

16 Apr 2017 16:52

Autumn

What

16 Apr 2017 17:03

Autumn

???

16 Apr 2017 17:14

Autumn

Hello

16 Apr 2017 17:20

Me

Forget it

16 Apr 2017 17:30

Autumn

Forgive me for wanting to know why you're acting like something is off.. for wanting to see you

16 Apr 2017 17:31

Autumn

My bad

16 Apr 2017 17:31

Me

Doesn't look like that when you say OK forget it

16 Apr 2017 17:31

Autumn

Doesn't look like you care when you barely say hi, act like you couldn't care less that I was trying to talk to you, etc

16 Apr 2017 17:32

Me

I do care

16 Apr 2017 18:09

Me

I did wake up cranky I know

16 Apr 2017 18:10

Autumn

So you're gonna keep it going?

16 Apr 2017 18:24

Autumn

Just cause you woke up like that

16 Apr 2017 18:24

Autumn

And when I've been trying to be pleasant and cheer you up

16 Apr 2017 18:24

Autumn

There's a point where I'm gonna say forget it if you're almost going out of your way to stay like that

16 Apr 2017 18:25

Me

Thanks for sticking by

16 Apr 2017 18:25

Autumn

So don't put it on me that idc, that's bs

16 Apr 2017 18:27

Me

I was being sarcastic

16 Apr 2017 18:28

Me

Cuz saying shit like "there's a point where I'm going to say forget it" doesn't show much effort there

16 Apr 2017 18:29

Autumn

How much effort you want? You show no interest or appreciation of it

16 Apr 2017 18:29

Me

Even though I was cranky I still held you and explained to you Idk what was wrong.

16 Apr 2017 18:30

Autumn

You think you should act like that and I'm just going to be persistent and happy and unbothered

16 Apr 2017 18:30

Autumn

No it makes me feel like you want me to stop and leave you alone

16 Apr 2017 18:31

Autumn

So I will if that's what you want

16 Apr 2017 18:31

Autumn

Cause clearly you don't want me engaging you, being affectionate and saying I want to see you

16 Apr 2017 18:31

Me

You never said that

16 Apr 2017 18:32

Autumn

Said what

16 Apr 2017 18:32

Me

That you want to see me. You said it with a sort of attitude. Why say it at all

16 Apr 2017 18:33

Autumn

How do you know how I said it?

16 Apr 2017 18:34

Autumn

I wrote it

16 Apr 2017 18:34

Me

Then say forget it too

16 Apr 2017 18:34

Autumn

And there was no attitude

16 Apr 2017 18:34

Autumn

Maybe that's how you interpreted it since you're reading it through the cranky negative lens you have on today

16 Apr 2017 18:34

Me

You're being as in me*

16 Apr 2017 18:37

Autumn

Not how I intended it

16 Apr 2017 18:37

Me

There is an attitude there

16 Apr 2017 18:37

Autumn

How can you say that definitively

16 Apr 2017 18:38

Me

W. E

16 Apr 2017 18:38

Autumn

I'm telling you that's not how I meant it

16 Apr 2017 18:38

Autumn

Ok Jason

16 Apr 2017 18:38

Me

Ok

16 Apr 2017 18:38

Autumn

Whatever right, and you say idc

16 Apr 2017 18:38

Autumn

Remember there's no good reason for this to escalate into a problem that lingers for days

16 Apr 2017 18:39

Autumn

I'm done putting effort into trying to be nice when it's not appreciated

16 Apr 2017 18:40

Me

16 Apr 2017 18:40

Autumn

You're incredible Jason, unbelievable

16 Apr 2017 18:41

Me

I wanna go see you for a bit if you havent left yet

16 Apr 2017 19:40

Autumn

I haven't

16 Apr 2017 19:46

Me

Me

*Scar**

27 Apr 2017 10:48

Autumn

I don't get why that's the first thing you jump to especially when that was the point of my message -- Maybe if I said hey babe look at this guy, you think he's on drugs...

27 Apr 2017 10:48

Autumn

How did you do that:/'

27 Apr 2017 10:48

Me

Because I wanted to add that to his "philosophy"

27 Apr 2017 10:51

Autumn

Oh gotcha

27 Apr 2017 10:51

Autumn

27 Apr 2017 10:51

27 Apr 2017 11:33

Me

27 Apr 2017 11:39

Me

27 Apr 2017 11:40

Me

But not too serious we can talk about it soon

27 Apr 2017 11:40

Autumn

Tell me

27 Apr 2017 11:40

Autumn

Related to what?

27 Apr 2017 11:40

Autumn

Doing say that and then not tell me. At least give me a clue as to what you're referring to

27 Apr 2017 11:45

Autumn

*Don't **

27 Apr 2017 11:51

Autumn

Cool

27 Apr 2017 11:51

27 Apr 2017 11:52

Autumn

Tell me babe

27 Apr 2017 11:52

Autumn

You would want me to tell you..

27 Apr 2017 11:52

Me

27 Apr 2017 11:54

Me

Can't explain too much babe

27 Apr 2017 11:54

Autumn

-- jason

27 Apr 2017 11:54

Me

But I was going to tell you anyway. You brought it up so just saying

27 Apr 2017 11:54

Autumn

It takes 2 min, if that, to text a few sentences of what I said

27 Apr 2017 11:55

Autumn

I'm not asking you to explain yourself and have a conversation about it

27 Apr 2017 11:55

Autumn

In the time that you've sent the last few messages about it you could have told me what I said

27 Apr 2017 11:55

Me

Babe

27 Apr 2017 11:56

Me

I don't want to go over it now or in my head

27 Apr 2017 11:56

Autumn

Yes

27 Apr 2017 11:56

Autumn

Can you tell me what I said

27 Apr 2017 11:57

Autumn

Why are you doing this

27 Apr 2017 11:57

Autumn

Just tell me what I said

27 Apr 2017 11:57

Me

Something about single n married

27 Apr 2017 11:58

Autumn

Oh ok, that situation. I remember what you're referring to

27 Apr 2017 11:58

Autumn

Well yea I think better to talk about it later.. I think some things were misunderstood/ could have been said differently

27 Apr 2017 11:59

Autumn

Babe..

27 Apr 2017 13:24

Me

I'm sorry honey Fuck I was gonna text back but I got a call

27 Apr 2017 13:52

Me

Coordinator and facility manager

27 Apr 2017 13:53

Me

27 Apr 2017 13:53

Me

Just aw a guy rolling up a blunt while driving past a bus stop. No chill

27 Apr 2017 13:56

Autumn

27 Apr 2017 13:57

Autumn

27 Apr 2017 13:57

Autumn

Lol no chill at all

27 Apr 2017 13:58

Me

Nice nice.

27 Apr 2017 14:40

Me

Trip inspired

27 Apr 2017 14:41

Autumn

One good thing about being home is eating what you're used to/ not like an asshole

27 Apr 2017 14:52

Autumn

lol

27 Apr 2017 14:52

Me

I'm lost

27 Apr 2017 14:55

Autumn

Where

27 Apr 2017 14:55

Me

In the text lol

27 Apr 2017 14:56

Autumn

Oh I didn't know if you meant literally or figuratively

27 Apr 2017 14:56

Autumn

I sent a pic of the salad saying happy af

27 Apr 2017 14:57

Autumn

Because.. well.. it made me happy

27 Apr 2017 14:57

Autumn

27 Apr 2017 14:57

Me

*I'm talking about the *obe good thing about eating at home" text*

27 Apr 2017 14:57

Me

"not like an asshole" part

27 Apr 2017 14:58

Autumn

And then I said one good thing about being home (as opposed to traveling) is that you get to eat what you're used to eating and not forced to eat food of another culture or shit that you don't necessarily want

27 Apr 2017 14:58

Me

I thought you liked the food though. That's why I'm confused

27 Apr 2017 14:59

Autumn

Yes I enjoyed certain things that I thought were super good. But I'm not going to eat a loaf of bread everyday in other countries they don't have the products like we're used to here so it's hard to get protein in..

27 Apr 2017 15:00

Autumn

Like tofu for example

27 Apr 2017 15:00

Autumn

Or Greek yogurt

27 Apr 2017 15:00

Me

Ah OK

27 Apr 2017 15:00

Autumn

Or any other meat substitute

27 Apr 2017 15:00

Me

Lol

27 Apr 2017 15:00

Me

Well Spanish places do use so product

27 Apr 2017 15:01

Me

Kind of like that typ I bought

27 Apr 2017 15:01

Me

They use that too. But yes I see

27 Apr 2017 15:02

Autumn

In the places I've been through Europe, Argentina, Uruguay, and Colombia I didn't once see any sort of meat substitute

27 Apr 2017 15:02

Autumn

In restaurants or markets

27 Apr 2017 15:02

Me

I could eat a loaf everyday lol

27 Apr 2017 15:02

Me

Bought a bread maker and made some, was trying to get into that.

27 Apr 2017 15:02

Autumn

That's why I normally bring protein powder. Not ideal but better than nothing... even that kind of stuff you really can't find

27 Apr 2017 15:03

Me

They call it something though. I forgot like soya something

27 Apr 2017 15:03

Me

Seen it in a bunch of foods

27 Apr 2017 15:03

Autumn

Mm I bet it's good

27 Apr 2017 15:03

Autumn

Hm idk

27 Apr 2017 15:03

Me

True

27 Apr 2017 15:03

Autumn

Maybe here...

27 Apr 2017 15:03

Me

Ah it's Mexicans mostly

27 Apr 2017 15:04

Me

No not here

27 Apr 2017 15:04

Me

Something de soya lol

27 Apr 2017 15:04

Me

Nway one more car to go

27 Apr 2017 15:05

Me

I stopped making bread cuz that shit is time consuming

27 Apr 2017 15:05

Me

Even if you use a bread maker.. It takes a whole day almost

27 Apr 2017 15:05

Autumn

Oh ok

27 Apr 2017 15:06

Autumn

Need to go there

27 Apr 2017 15:06

Me

Unless you use a more batter type of dough but nah

27 Apr 2017 15:06

Autumn

Yea it's a process

27 Apr 2017 15:06

Me

I heart

30 Apr 2017 11:32

Autumn

And I hope you know that my concern about it isn't because I'm embarrassed of being with you, kissing you, etc. It's more just some level of self consciousness and not wanting to appear ridiculous. Now maybe you don't agree or understand that part..but you don't necessarily have to get it to accept my feeling about it, ya know

30 Apr 2017 11:39

Autumn

I'm sure there's things that you think or believe that I don't agree with. But that's life babe

Autumn

Tofu is a great alternative

01 May 2017 16:54

Autumn

01 May 2017 16:54

Me

I need firm af tofu

01 May 2017 16:55

Autumn

They sell that lol

01 May 2017 16:55

Autumn

Extra firm

01 May 2017 16:56

Autumn

And then you have to soak all the liquid out with paper towel or something. Have you done that?

01 May 2017 16:56

Me

I did try it and it broke into pieces

01 May 2017 16:58

Me

01 May 2017 16:58

Autumn

Idk babe. Doesn't happen to me

01 May 2017 16:59

Autumn

Maybe it wasn't extra firm?

01 May 2017 16:59

Me

Second times a charm

01 May 2017 16:59

Autumn

And you can't be ridiculously aggressive with it obviously

01 May 2017 16:59

Me

I think it was babe

01 May 2017 16:59

Me

Maybe I was

01 May 2017 16:59

Me

Tofu is made for delicate asain woman to handle I guess

01 May 2017 17:00

Autumn

If it breaks into pieces it's not bad, make tofu scramble lol

01 May 2017 17:00

Me

True

01 May 2017 17:00

Autumn

That's what I normally do

01 May 2017 17:00

I will make you some

01 May 2017 17:00

Autumn

But you're probably going to be like no I don't wanna try it

01 May 2017 17:00

01 May 2017 17:01

Me

Just cuz I said no to the pancakes

01 May 2017 17:01

01 May 2017 17:01

Autumn

And of course, trying to bring you to the other side

01 May 2017 17:01

Autumn

You weren't thrilled though

01 May 2017 17:02

Me

01 May 2017 17:02

Autumn

01 May 2017 17:05

Autumn

What's that from silly

01 May 2017 17:07

Me

I hate bananas.. So they sent it to me in a chat

01 May 2017 17:07

Autumn

I figured it was because of your banana hatred

01 May 2017 17:08

Autumn

Weirdo

01 May 2017 17:08

Autumn

What's not to like about bananas

01 May 2017 17:08

Me

01 May 2017 17:11

Autumn

Babe

01 May 2017 17:12

Autumn

That's a male

01 May 2017 17:12

Autumn

That's cool

01 May 2017 17:13

Autumn

I like her face

01 May 2017 17:13

Autumn

Where you find these

01 May 2017 17:15

Me

*I looked up triangle tattoos cuz idk why I've always
wanted one lol*

01 May 2017 17:15

Me

Or a little pyramid

01 May 2017 17:15

Autumn

Oh I see

01 May 2017 17:16

Me

And so I ran into those drawings.

01 May 2017 17:16

Autumn

*My friend Jess has one on her wrist but it's literally just
that, a triangle*

01 May 2017 17:16

Autumn

Pretty cool

01 May 2017 17:16

Autumn

I mean those drawings

01 May 2017 17:16

Me

Always wanted it behind my ear

01 May 2017 17:17

Autumn

A literal triangle? Or something more to it?

01 May 2017 17:17

Me

Idk I like the idea of a simple one

01 May 2017 17:21

Autumn

Like this?

01 May 2017 17:22

Autumn

What does it mean

01 May 2017 17:22

Me

Lol

01 May 2017 17:23

Me

To me... Just a pyramid lol

01 May 2017 17:23

Me

And my body is a temple type of thing lol

01 May 2017 17:23

Autumn

Oh

01 May 2017 17:24

Autumn

Lol

01 May 2017 17:24

Autumn

I see

01 May 2017 17:24

Me

Always liked the pink Floyd triangle

01 May 2017 17:25

Autumn

Right. I've seen a couple people with that

01 May 2017 17:26

Autumn

I like the meaning behind it but I also see it as like a basic bitch type thing.. lol does that make sense

01 May 2017 17:27

Autumn

Reminds me of how about 10 years ago or so it was trendy to get the om symbol tatted

01 May 2017 17:28

Autumn

Remember

01 May 2017 17:28

Me

I wouldn't get the pink Floyd one cuz its too common

01 May 2017 17:28

Me

It is what it is

01 May 2017 17:29

Autumn

Yes. I'm talking just a simple triangle.. like the one in the second pic you sent

01 May 2017 17:29

Me

It is basic lol

01 May 2017 17:29

Me

But it is what it is. Doesn't mean I'm getting it

01 May 2017 17:30

Autumn

yea..

01 May 2017 17:30

Autumn

And you're not basic

01 May 2017 17:30

Autumn

I think you could do better

01 May 2017 17:30

Autumn

Or do that but somehow more unique

01 May 2017 17:30

Autumn

01 May 2017 17:30

Me

Lol I have a great idea for a tattoo but I'm never getting it

01 May 2017 17:30

Autumn

Tell me

01 May 2017 17:31

Me

So the basic one was OK for a little accent to my neck lol

01 May 2017 17:31

Autumn

I suppose but still.. no

01 May 2017 17:31

Autumn

Lol

01 May 2017 17:31

Me

Basically.. A DNA helix that is expanding into space/time, planets and the universe. The helix is coming out of a mad mans head, also his wrist are hand cuffed to his head.

01 May 2017 17:35

Me

It's a feeling of a man trapped

01 May 2017 17:35

Me

*It would have a collage of stuff in it too as its
expanding. Like a clock with a 13th hour, a hourglass.
A clock with the time reversed*

01 May 2017 17:37

Autumn

Sounds much more like you babe

01 May 2017 17:38

Autumn

Why do you say you wouldn't get it

01 May 2017 17:38

Me

*Possibly some word coming out of his mouth spelled
backwards. For the mirror. He'd have a look of yelling
out*

01 May 2017 17:39

Me

*Besides not knowing where to put it. I just like the idea.
I would also need a good artist lol*

01 May 2017 17:40

Autumn

*That's what I was wondering, I wonder where that
would fit*

01 May 2017 17:45

Autumn

Lol babe!

01 May 2017 17:45

Me

Sound more like a shirt design then

01 May 2017 17:45

Autumn

Could be that too

01 May 2017 17:46

Autumn

*But doesn't mean it couldn't be a tattoo, just sounds like
you need space*

01 May 2017 17:46

Me

Yea but it ain't a huge deal. Would be cool though

01 May 2017 17:47

Me

Tattoos can take away the cuts

01 May 2017 17:48

Autumn

Oh the tragedy

01 May 2017 17:48

Autumn

Lol

01 May 2017 17:48

Autumn

Babe the traffic was like nonexistent today. Idk why

01 May 2017 17:49

Me

Maybe the lack of traffic could be a spring break thing?

01 May 2017 17:49

Me

You made it home?

01 May 2017 17:50

Autumn

Just got to my moms to see my baby

01 May 2017 17:50

01 May 2017 17:53

Autumn

I might take a nap if I can fall asleep

01 May 2017 17:53

Autumn

*I slept in my car for 10 min before work this morning
lol*

01 May 2017 17:53

Me

I see

01 May 2017 17:53

Me

Tell me when you wake up from it

01 May 2017 17:53

Autumn

01 May 2017 17:54

Autumn

Me

OK but you will see me...

02 May 2017 16:34

Autumn

Wow cooked too much

02 May 2017 16:34

Me

I'll find out where it's at in a bit

02 May 2017 16:34

Me

I will see you regardless

02 May 2017 16:34

Me

You're my partner in everything. I got chu

02 May 2017 16:35

Me

"toasted" too long huh?

02 May 2017 16:35

Me

Trying 300 degrees and only 15min next

02 May 2017 16:36

Autumn

Where did you toast it? Oven?

02 May 2017 16:36

Me

First one was in the airfry lolol

02 May 2017 16:36

Autumn

Partner

02 May 2017 16:36

Autumn

Lol get it together top chef

02 May 2017 16:36

Me

Now it's in the oven. I read you can pan toast it on a skillet.. I'll try that if this doesn't. And if that doesn't... I'll stick to the nature valley

02 May 2017 16:37

Me

I added egg white and pb2 to add protein and to cluster-ize em

02 May 2017 16:38

Autumn

Good idea. Did you see any recipes online

02 May 2017 16:38

Me

I kind of don't like the way pb2 over powers it all though. So nature valley played it well with the soy protein

02 May 2017 16:39

Me

And regular chocolate whey I don't want in there

02 May 2017 16:39

Autumn

Would it even stick though?

02 May 2017 16:41

Me

No

02 May 2017 16:41

Me

I broke it apart and put it on the pan without foil.. It's still soggy.. We will find out it like 8min

02 May 2017 16:42

Autumn

Fail

02 May 2017 16:42

Me

It will either be gross or burnt

02 May 2017 16:42

Me

Rice syrup or something might work

02 May 2017 16:45

Me

Or honey...

02 May 2017 16:46

Autumn

Babe lets quit life and sell granola and coconuts on the beach

02 May 2017 16:46

Me

Sounds ideal idgaf

02 May 2017 16:46

Autumn

Oh and soap

02 May 2017 16:47

Me

You can't forget soap

02 May 2017 16:48

Me

Didn't come out bad

02 May 2017 17:04

Me

It was supposed to be two 15 min rounds at 300 degrees.. Nice and crunchy . Just the flavor isn't the same that I'd like

02 May 2017 17:04

Autumn

Ok cool. Well the flavor can be perfected

02 May 2017 17:05

Me

I used brown sugar variety. Also the pb2 is meh

02 May 2017 17:07

Me

The honey one is good. I guess I can use honey with regular oats

02 May 2017 17:07

Me

The syrup will probably help it toast better too

02 May 2017 17:09

Me

Well...time for the gym.

02 May 2017 17:09

Autumn

Able to reach 120 protein no problem without meat. I could throw in some whey to top it off or like pasta with the tvp/riccotta/low fat cheese

04 May 2017 16:04

Autumn

Ate too many?

04 May 2017 16:05

Me

Yup

04 May 2017 16:08

Me

Leaving now bebe

04 May 2017 16:08

Autumn

Leaving too. Wait if you get there before me

04 May 2017 16:15

Me

Ok

04 May 2017 16:15

Me

Ever had kefir? It's high in protein

04 May 2017 19:24

Me

Probably tart ughh

04 May 2017 19:24

Autumn

I haven't

04 May 2017 19:27

Autumn

I was just talking about it today.. weird lol

04 May 2017 19:27

Me

Lol

04 May 2017 19:27

Autumn

I can't imagine you'll like it if you have such an aversion to yogurt. Who knows

04 May 2017 19:28

Me

It says tart

04 May 2017 19:28

Autumn

You've been at the grocery store this whole time?

04 May 2017 19:28

Me

Lol taking labels

04 May 2017 19:28

Me

*Reading labels **

04 May 2017 19:29

Autumn

Huh?

04 May 2017 19:29

Me

But no I went home first

04 May 2017 19:29

Autumn

Oh

04 May 2017 19:29

Autumn

Really??

04 May 2017 19:29

Autumn

Oh ok that makes sense

04 May 2017 19:29

Me

Tryna see what I can do to help the cereal be better macros lol

04 May 2017 19:31

Autumn

What's that

04 May 2017 19:31

Autumn

What about a scoop of protein in almond milk?

04 May 2017 19:31

Autumn

Pour over your cereal

04 May 2017 19:31

Me

I don't like doing that

04 May 2017 19:32

Me

I used to do that

04 May 2017 19:32

Autumn

How it tastes?

04 May 2017 19:32

Me

Yea. Takes away from the cereal

04 May 2017 19:32

Autumn

Ok

04 May 2017 19:33

Autumn

You and fiber lol

04 May 2017 19:33

Me

Unless I had vanilla protein

04 May 2017 19:34

Autumn

I don't get why you're hyper focused on getting so much

04 May 2017 19:34

Me

I usually get chocolate

04 May 2017 19:34

Me

I'm not. I'm balancing it out

04 May 2017 19:34

Autumn

Is it because of digestive purposes? Satiety?

04 May 2017 19:34

Autumn

We'll get vanilla boyyyy. If you want chocolate from time to time you could just add cocoa to it. That's what I typically do

04 May 2017 19:35

Me

So I can do something like one serving special K one serving the wheat one and maybe just a bar of nature valley lol the non protein one. Cuz it would be cheaper than their protein option

04 May 2017 19:35

Me

True babe

04 May 2017 19:35

Autumn

*Well**

04 May 2017 19:35

Autumn

I see. You're definitely in the grip of your cereal phase

04 May 2017 19:36

Me

Plus you get slot of servings and at good value when choosing the wheat based cereals. The not so popular ones lol

04 May 2017 19:37

Autumn

Not bad

04 May 2017 19:40

Autumn

Babe you should get into

04 May 2017 19:40

Autumn

04 May 2017 19:40

Me

04 May 2017 19:41

Autumn

Doesn't beat oatmeal though for sureeeee

04 May 2017 19:42

Me

I look at it all the time

04 May 2017 19:42

Me

04 May 2017 19:46

Autumn

Just giving you suggestions ... and I bet you could find a way to eat it that you like

04 May 2017 19:46

Autumn

Yea they're good. I definitely had a lentil phase.. I think I over did it

04 May 2017 19:47

Me

Way too high in fiber but good to add to things

04 May 2017 19:47

Autumn

Too high? Can't believe you think there's such a thing

04 May 2017 19:48

Autumn

Still at publix?

04 May 2017 19:48

Me

Lol yes 11-15g fiber per serving

04 May 2017 19:49

Me

04 May 2017 19:49

Autumn

04 May 2017 19:52

04 May 2017 19:58

Autumn

Das ma baby daddy

04 May 2017 20:00

Me

Planning.. Plotting...

04 May 2017 20:00

Autumn

People also overlook vegetables in the search for protein. I know they're not gonna yield the same amount as a chicken breast or something but definitely adds up

04 May 2017 20:01

Autumn

And plus there's more to life than protein... so veggies because #health

04 May 2017 20:02

Me

True that bebe. I think per gram broccoli is up there

04 May 2017 20:02

Autumn

Also fiber

04 May 2017 20:02

Me

I know that hun

04 May 2017 20:02

Me

Lol

04 May 2017 20:02

Autumn

Yea exactly

04 May 2017 20:02

Autumn

I'm not saying you don't

04 May 2017 20:02

Autumn

But it's easy to overlook them or not really give it too much consideration, especially when you're focused on protein

04 May 2017 20:03

Me

I'm saying cuz "more to life than protein" lol only kidding

04 May 2017 20:03

Me

Very true love

04 May 2017 20:03

04 May 2017 20:04

04 May 2017 20:10

Me

04 May 2017 20:10

Autumn

*Well hearing what you have in mind is important to me.
It's not like it's 2am, and even then, I am your partner
and it's always ok*

08 May 2017 23:44

Autumn

Super tired

08 May 2017 23:50

Autumn

Sweet dreams

08 May 2017 23:50

Autumn

I love you mwa

08 May 2017 23:51

Autumn

If you want to know what's important to me.. it's important to me that people of your past aren't consistently contacting you. You can't write it off as they're "crazy" because if you wanted it to stop you would find a way. Anyway, this doesn't need to be a further conversation.. actually it's probably better if you don't say anything about it. Just letting you know that's what I think

08 May 2017 23:51

Me

My way is.. Not responding.

08 May 2017 23:53

Autumn

Yea that's the problem

08 May 2017 23:53

Me

The person doesn't exist in my mind.

08 May 2017 23:54

Me

Or life.

08 May 2017 23:54

Autumn

Jason really I don't want to converse about this now, that's why I didn't want to bring it up in the first place. Maybe I shouldn't have overall

08 May 2017 23:54

Autumn

Forget it really

08 May 2017 23:54

Me

Alright

08 May 2017 23:55

Me

Goodnight.

08 May 2017 23:55

Autumn

We don't see eye to eye on it clearly and I don't want to start any issues with us

08 May 2017 23:55

Autumn

Think about it if you were in my shoes

08 May 2017 23:56

Me

If you told me you didn't respond to that person or w.e I'd be like ok. I'd still Yea probably feel like wtf is with the guy but yea

08 May 2017 23:57

Autumn

Idk wth you're mad at?? You tell me you want me to talk to you, apparently you don't because you just get mad that I have an opinion about this situation

08 May 2017 23:57

Autumn

That's not it though

08 May 2017 23:57

Me

I'm not mad

08 May 2017 23:58

Autumn

You could've told me when it happened.. also I don't believe someone is so crazy to consistently contact you for years without any response. Be serious they're getting something out of it

08 May 2017 23:59

Autumn

I just don't believe that, makes 0 sense

08 May 2017 23:59

Me

I forgot it happened cuz idc about that person. The fact that you brought it up made me remember

09 May 2017 00:00

Autumn

Whatever though. I trust that you wouldn't screw what we have up

09 May 2017 00:00

Autumn

Just letting you know that that shit doesn't add up completely. But what can ya do, that's the gamble... you have to put your faith into someone and hope they don't fuck you over

09 May 2017 00:02

Me

Wow

09 May 2017 00:02

Autumn

Good night I love you

09 May 2017 00:02

Me

In your head it might not add up but I have zero reason to bullshit you and if you feel it's some sort of gamble and don't feel secure your going to do something you regret

09 May 2017 00:05

Autumn

Hi babe good morning I love youuuuuu

09 May 2017 07:30

Me

09 May 2017 10:07

09 May 2017 10:22

Me

Autumn

Hi babe

12 May 2017 10:51

Autumn

Hey there

12 May 2017 10:51

Autumn

What's going on boo boo

12 May 2017 10:51

Autumn

How's my cutie pie muffin face

12 May 2017 10:51

Me

Stopping at Walmart real quick. Did 60min cardio

12 May 2017 10:52

Me

Can't wait to see you mama

12 May 2017 10:52

Autumn

Wow look at you with the cardio

12 May 2017 10:53

Autumn

What are you getting

12 May 2017 10:53

Me

Protein bites, halo top..... Chicken

12 May 2017 10:54

Autumn

No

12 May 2017 10:55

Me

Satiation factor

12 May 2017 10:55

Autumn

Take a walk down the aisle with the meat substitutes

12 May 2017 10:55

Autumn

I bought a couple good things the other day by Morningstar Farms

12 May 2017 10:56

Me

Very low fat

12 May 2017 10:56

Me

What did you buy

12 May 2017 10:56

Autumn

Yes

12 May 2017 10:56

Autumn

9 protein 3f 3c 80 cal

12 May 2017 10:57

Me

Compared to chicken.. 1.5 fat 24 protein 0 carb

12 May 2017 10:58

Autumn

And another thing by Boca I think? It's called original vegan burger or something

12 May 2017 10:58

Me

Like 1xx cal for it. Heard many bad reviews on boca lol

12 May 2017 10:58

Autumn

I get it Jason it's not a comparison in terms of nutrition

12 May 2017 10:58

Me

Per 4oz on chicken

12 May 2017 10:58

Autumn

However, no slaughtering of animals in the process

12 May 2017 10:58

Me

Nutritional value isn't the argument lol

12 May 2017 10:59

Me

It's def the slaughter

12 May 2017 10:59

Autumn

Also, didn't contribute the destruction and depletion of our environment and it's resources

12 May 2017 10:59

Autumn

.....

12 May 2017 10:59

Autumn

Exactly so why are you telling me that it doesn't compare to 4 oz of chicken then?

12 May 2017 10:59

Autumn

That's not the argument here

12 May 2017 10:59

Me

What's the weight per serving

12 May 2017 11:00

Autumn

You heard bad reviews? Have you tried it? You're just giving me excuses as to why it's not worth it or "good enough"

12 May 2017 11:00

Autumn

12 May 2017 11:01

Autumn

Don't know

12 May 2017 11:01

Me

Chicken is one of the highest in protein per gram and lowest in calorie In veggies it's broccoli I think

12 May 2017 11:01

Me

If I were to get any it would be beyond meat

12 May 2017 11:01

Autumn

I never disputed that...

12 May 2017 11:01

Autumn

I'm not saying that meat substitutes are superior in terms of macros

12 May 2017 11:02

Autumn

I'm saying they're superior in all other aspects

12 May 2017 11:02

Me

Yea but nutrition wise. That product has more fat per whatever lol... Not as "nutritional"

12 May 2017 11:02

Me

As you say

12 May 2017 11:02

Me

But the slaughter.. Yes. .terrible

12 May 2017 11:03

Autumn

And since the nutritional content isn't always comparable, I'm trying to give you some options that are pretty good...kinda like the next best thing

12 May 2017 11:03

Autumn

I'm done with this conversation

12 May 2017 11:03

Me

Yea grainz bebe

12 May 2017 11:03

Autumn

Because you know exactly where I'm trying to go with us and you're just dismissing everything I'm saying

12 May 2017 11:04

Me

Babe. You see me slowing down my consumption yet you are not praying that part

12 May 2017 11:04

Me

*Praising **

12 May 2017 11:04

Me

12 May 2017 11:04

12 May 2017 11:04

12 May 2017 11:05

Autumn

I am proud of you for that

12 May 2017 11:07

Me

I know your passionate about it babe. I see all of that too

12 May 2017 11:07

Autumn

And you know damn well that you know what I'm trying to say and how to rub me the wrong way. How about don't do that

12 May 2017 11:07

Me

That's not what I'm doing. Just simple discussion babe

12 May 2017 11:07

Me

OK?

12 May 2017 11:08

Autumn

You're just irritating the fuck out of me with this convo

12 May 2017 11:08

Me

And.... I love you

12 May 2017 11:08

Autumn

Successive approximations

12 May 2017 11:08

Autumn

Good job

12 May 2017 11:08

Me

12 May 2017 11:09

Autumn

But we both agreed they're not identical or comparable in terms of nutrition... so that's not the argument

12 May 2017 11:10

Me

K

12 May 2017 11:10

Autumn

Yes I know that/you know that/we both agreed that

12 May 2017 11:10

Me

No more of this

12 May 2017 11:11

Autumn

I love you too baby

12 May 2017 11:13

Autumn

Yet you're still telling me oh well chicken has less fat

12 May 2017 11:18

12 May 2017 11:32

Me

12 May 2017 11:37

Autumn

Wow lol

12 May 2017 11:38

Autumn

You're looking at all kinds of stuff

12 May 2017 11:38

Me

Well I need shampoo and just saw that. And that soy iso protein is def a good choice. When I'm in a pinch I buy it.

12 May 2017 11:40

Autumn

12 May 2017 11:47

Autumn

12 May 2017 11:49

Me

12 May 2017 11:50

Autumn

12 May 2017 13:10

Me

Keep fit and entertained.. Cool

12 May 2017 13:13

Autumn

I changed my schedule. So now my dedicated study day for this exam is going to be Fridays

12 May 2017 13:16

Autumn

Well I'm going to try to study other days for it as well, especially the couple weeks before it. But it will be good to have this day completely open for that

12 May 2017 13:17

Me

Nice babe. Good that they were understanding

12 May 2017 13:21

Me

So you'll be working more hours other days but got three days off

12 May 2017 13:22

Me

12 May 2017 13:22

Autumn

Yea I emailed my supervisor this whole well written out paragraph asking if I could change up my schedule a bit due to my classes and such. Lol I really gave it a lot of thought and it sounded eloquent...all he responded was "ok no problem, have a good weekend"

12 May 2017 13:24

Autumn

20 min of thinking then drafting out this great email for no reason

12 May 2017 13:24

Me

Yea happens to me too at work. Trying to type the best thing and I get a "no prob call nathan"

12 May 2017 13:26

Me

So I just talk normal usually, even when I call up a company. Gotta realize they are people to, so it's OK to be down to earthish

12 May 2017 13:26

Autumn

Well I still have 2 full days at the center in Ft Lauderdale. That's my clinical placement for school, basically like on the job training. But then this new thing that I started as a research assistant is on campus at school. Before I was arranging the schedule around my classes which are on Monday and Wednesday, so coming in earlier than class to work and going after class to work. So now that I eliminated Friday I'm going to have to come in even earlier and leave later to get all those hours in on Monday and Wednesday but it's worth it to have Friday off

12 May 2017 13:28

Autumn

Yea that's true, I've noticed everyone has a different style

12 May 2017 13:29

Me

I see. I see

12 May 2017 13:29

Me

You can still be PC and

12 May 2017 13:29

Autumn

PC?

12 May 2017 13:30

Me

12 May 2017 13:30

Autumn

I see that

15 May 2017 11:07

Autumn

So I'm supposed to wait around until you text me

15 May 2017 11:07

Autumn

I need to make arrangements beforehand which is why I'm asking. I asked Jim if he can help with his truck to get the furniture but I need to specify a day/time

15 May 2017 11:08

Me

That hey there how are you though hmm

15 May 2017 11:08

Me

He'll see that as a wtf you think

15 May 2017 11:08

Autumn

What should I respond? I want to say what I just sent to you but then it's going to make it worse I feel. Kill em with kindness?

15 May 2017 11:08

Autumn

The hey there how are you is me being pleasant babe

15 May 2017 11:09

Me

Tell him it's important for you to have it and that you have a relative helping

15 May 2017 11:10

Autumn

Yea I suppose

15 May 2017 11:10

Me

That way he knows another person is involved and isn't only being a dick to you but now another so it might help

15 May 2017 11:10

Autumn

But I feel like he's going to be like well you didn't seem to have a problem leaving all your shit here to begin with and now you want to get it at your convenience... sureeeee

15 May 2017 11:11

Autumn

That's probably how he's feeling

15 May 2017 11:11

Me

Its the only time the truck is available

15 May 2017 11:11

Autumn

Ugh

15 May 2017 11:13

Autumn

I'm biting my tongue, trying to be as nice as possible

15 May 2017 11:14

Autumn

If I play back with the rude shit I'm not going to get my stuff

15 May 2017 11:14

Me

You going off a guess though you're probably right

15 May 2017 11:14

Autumn

How else would he feel

15 May 2017 11:15

Autumn

How would any normal person feel

15 May 2017 11:16

Autumn

I'd do the same thing I'm sure

15 May 2017 11:16

Me

I'd let them take their shit back no matter how much I'm mad at them

15 May 2017 11:18

Me

It's their personal belongings

15 May 2017 11:18

Autumn

Right I don't think he's going to trash it or something like that

15 May 2017 11:18

Autumn

I mean he's just going to play this game of being difficult and want to do it when it's convenient for him not me

15 May 2017 11:19

Autumn

Which I deserve when it comes down to it

15 May 2017 11:19

Autumn

For being a CB

15 May 2017 11:19

Me

No you dont

15 May 2017 11:19

Me

It's your stuff. Period.

15 May 2017 11:19

Autumn

Yea

15 May 2017 11:23

Me

Tell him to leave a copy of a key or something and that you'll leave it there

15 May 2017 11:24

Autumn

Oh yea idk if that's gonna happen

15 May 2017 11:24

Autumn

Maybe if he was being more pleasant I'd suggest that but I don't think that's a good option

15 May 2017 11:25

Autumn

How's your day babe

15 May 2017 11:31

Me

Lifting. So it's a good day so far.

Autumn

I know babe

15 May 2017 11:57

Autumn

15 May 2017 11:57

Me

That he doesn't want to work with it. Like I said your stuff is your stuff, it doesn't matter what happened.

*The question can be presented the other way around as
well.*

16 May 2017 17:42

Autumn

*They're saying because girls that are "too fine" are
unapproachable*

16 May 2017 17:42

Me

*I see what they mean but of course they can. It's a
person.*

Autumn

Yea exactly so I'm wondering why they're asking only about females

16 May 2017 17:42

Autumn

Maybe I missed the beginning, idk

16 May 2017 17:42

Me

That unapproachable is bs

16 May 2017 17:43

Me

There are all types that are un/approachable

16 May 2017 17:43

Me

It's mood and personality of course

16 May 2017 17:44

Autumn

Yea this is a really ignorant convo

16 May 2017 17:44

Autumn

Agreed

16 May 2017 17:44

Me

Set and setting. Timing. If a girl is "too fine" than they would get more compliments and feel more entitled to certain behaviour or W. E but still that's only part of it

16 May 2017 17:45

Me

And insecurities come in all

16 May 2017 17:46

Autumn

Yea.. the way these guys are talking about it is as if there's one type of person

16 May 2017 17:46

Me

Gotta buy moms cancer sticks

16 May 2017 17:46

Autumn

As if every female who looks good acts exactly the same way

16 May 2017 17:47

Autumn

16 May 2017 17:47

Me

Exactly

16 May 2017 17:47

Autumn

Gotta buy Josie foood

16 May 2017 17:47

Autumn

My baby eatsssss

16 May 2017 17:48

Me

Anyway this relationship answers that question like I said

16 May 2017 17:48

Me

You going now?

16 May 2017 17:48

Autumn

16 May 2017 17:48

Autumn

You're my sweetie

16 May 2017 17:48

Me

Oh

16 May 2017 17:49

Autumn

Can't wait to see my love

16 May 2017 17:50

Me

Almost that time

16 May 2017 17:50

Me

16 May 2017 17:57

Me

16 May 2017 17:58

Autumn

16 May 2017 18:01

Autumn

Bad habits

16 May 2017 18:01

Autumn

*Habit **

16 May 2017 18:01

Me

That last like four days or so

16 May 2017 18:03

Autumn

Do the math

16 May 2017 18:04

Me

Yea smh

16 May 2017 18:04

Autumn

I haven't gotten a kiss from you today :/

16 May 2017 18:15

Me

You'll get a real one soooooon

16 May 2017 18:20

Autumn

...with kisses

16 May 2017 18:21

Me

That was a kiss

16 May 2017 18:21

Me

Mmmmwaaa

16 May 2017 18:21

Me

Where are mine though

16 May 2017 18:21

16 May 2017 19:01

Autumn

Sinfully delicious

16 May 2017 19:01

Me

Gummy beware

16 May 2017 19:09

Me

Here

16 May 2017 19:23

Me

Wow. Hopefully they say Fuck it

17 May 2017 07:50

Autumn

They're not

17 May 2017 07:50

Autumn

Idk who this black guy is but now her husband showed up

17 May 2017 07:50

Autumn

17 May 2017 07:50

Me

Let me know what happens

17 May 2017 07:51

Autumn

And her husband is a dr

17 May 2017 07:52

Autumn

Of course right

17 May 2017 07:52

Autumn

As soon as the police show up this woman says

17 May 2017 07:52

Autumn

Well I hit my head pretty hard, I feel quite dazed

17 May 2017 07:52

Autumn

Smh

17 May 2017 07:52

Me

She's a soft bitch.

17 May 2017 07:53

Autumn

17 May 2017 07:53

Autumn

Like I said

17 May 2017 12:33

Autumn

Just made an appt to drop my car off for repairs. Soonest I can get it in is Monday morning. So let's see if my grandpa can not notice my car until then I'm not trying to have that convo with him

17 May 2017 12:35

Me

I'm leaving at 2

17 May 2017 12:38

Me

So how you gonna get to class and stuff

17 May 2017 12:38

Autumn

17 May 2017 12:39

17 May 2017 12:45

Me

17 May 2017 12:48

Autumn

I have never related to this bitmoji more than I do today

17 May 2017 12:48

Me

And work

17 May 2017 12:48

Autumn

Huh? I'm supposed to work until 3 then have class so I'm skipping class to drop it off before they close

17 May 2017 12:49

Autumn

Rental I suppose

17 May 2017 12:49

Me

I thought you said work, school then work

17 May 2017 12:49

Autumn

Yea I had to leave for 30 min to go to a meeting

17 May 2017 12:51

Autumn

But I already came back

17 May 2017 12:51

Autumn

School meeting

17 May 2017 12:52

Autumn

The office is on the campus where I work so I just went downstairs lol

17 May 2017 12:52

Me

So you're going back to work in a rental?

17 May 2017 12:53

Autumn

Babe

17 May 2017 12:53

Autumn

I had to come to work at 9 (was late because I decided to rear end someone) so I got here, worked for a few hours, went to the meeting with this professor, came back to work, supposed to have class at 3 but I'm not going so that I can repair my car

17 May 2017 12:54

Autumn

Maybe it was confusing when I said work, school, work. I guess what I really meant was work, school, work, school. However, I'm skipping that last school part today. Make sense

17 May 2017 12:55

Me

Yea got it

17 May 2017 12:56

Autumn

I love you babe

17 May 2017 13:04

17 May 2017 15:13

Me

17 May 2017 15:15

Autumn

Oh and when they were checking out the damages they said the check engine light was on

17 May 2017 15:16

Autumn

Which I didn't see?

17 May 2017 15:16

Autumn

Idk if I missed it or it just coincidentally came on

17 May 2017 15:16

Autumn

Yea I guess

17 May 2017 15:16

Me

The maintenance thing Idk

17 May 2017 15:16

Autumn

Idk why it would be on

17 May 2017 15:16

Autumn

That's what I'm saying, is it from the accident or coincidentally came on for some reason

17 May 2017 15:17

Me

Hopefully nothing got messed up or cracked

17 May 2017 15:17

Autumn

17 May 2017 15:17

Me

Unless they are confused by what light. The maintenance light could be what they are talking about

17 May 2017 15:18

Autumn

The maintenance light isn't on though

17 May 2017 15:18

Autumn

Why would it be on

17 May 2017 15:18

Me

Oil change

17 May 2017 15:19

Autumn

It's been off babe

17 May 2017 15:19

Me

*I'm sure when I got in your car it said maintenance
required or something*

17 May 2017 15:19

Autumn

That already happened, remember

17 May 2017 15:19

Me

Oh right

17 May 2017 15:19

Autumn

So then he gives me his business card - _____ -

17 May 2017 15:23

Autumn

And I left it right there

17 May 2017 15:23

Autumn

*As I was inside talking to the collision lady, she left to
go print something, this guy comes over and starts
making small talk asking if I've been helped yet (when
clearly I have been because I'm sitting at this woman's
desk)*

17 May 2017 15:23

Autumn

*Then I come outside to wait and some other guy did the
same goddamn thing*

17 May 2017 15:23

Me

17 May 2017 17:38

Autumn

Oh

17 May 2017 17:38

Autumn

I bet you'd guess I was on my phone... but I really wasn't

17 May 2017 17:38

Autumn

That's the best part

17 May 2017 17:38

Me

He's good. And no damage to his car but other dudes bumper came off

17 May 2017 17:42

Me

His sis told him not to admit to anything

17 May 2017 17:43

Autumn

Lower body stuff

18 May 2017 09:45

Me

I've seen how you diddling with dumbbells. Your form is good except that you look to your right towards the mirror. Everything should be neutral

Autumn

Ok

18 May 2017 09:45

Autumn

True

18 May 2017 09:45

Autumn

You know how my neck sometimes hurts, it's usually on the side. This is coming from the top of the spine and upward through my neck

18 May 2017 09:46

Autumn

I don't doubt its from yesterday, it's normal to have some soreness and pain after impact. I hope it gets better

18 May 2017 09:46

Me

Yea but that can happen with deadlifting like that

18 May 2017 09:51

Me

I know but I'm trying to connect the dots too. Through habits.

18 May 2017 09:51

Autumn

Yea I see what you're saying

18 May 2017 09:52

Autumn

The effects of bad habits accumulate over time. I can't imagine this pain suddenly came about today from something I've been doing for months or whatever. Know what I mean?

18 May 2017 09:53

Autumn

It's usually a gradual onset whereas this is like a drastic difference from yesterday to today

18 May 2017 09:54

Autumn

Anyway

18 May 2017 09:54

Autumn

I'll pay attention to what you said

18 May 2017 09:54

Me

I know hun. Only saying what I've observed.

18 May 2017 09:59

18 May 2017 13:49

Autumn

So I didn't hear anything and called back at 11:30 and she said she's going to work on it...still haven't heard anything back

18 May 2017 13:50

Autumn

Mind you, I told her I'll go to any location to trade in the car... hollywood, ft laud, weston, whatever. I really can't imagine they don't have one damn car I can get

18 May 2017 13:52

Autumn

And now I'm just gonna be waiting around for these people to get their shit together and tell me where I can get something else

18 May 2017 14:21

Autumn

I've been asking since 730 this morning and nothing has transpired. The offices all close at six so if I don't see it happening today

18 May 2017 14:21

Me

Well IDK what to tell you babe

18 May 2017 14:22

Autumn

They said that I can pick up a different car at the airport then shortly called back and said no you can't

18 May 2017 14:22

Autumn

I'm not asking you to tell me anything

18 May 2017 14:22

Autumn

I'm just expressing my frustration

18 May 2017 14:22

Autumn

But never mind I'll complain to someone else or just talk to myself like lunatic I am

18 May 2017 14:39

Autumn

Btw you didn't answer me earlier

18 May 2017 14:39

Autumn

Wish my bf wanted to be supportive rather than annoyed by me

18 May 2017 14:46

Autumn

Also wish he talked to me

18 May 2017 14:46

Autumn

My third wish from the genie is- I wish my bf told me love love loves me

18 May 2017 14:47

Me

Supportive of someone that rather talk to someone else

18 May 2017 14:49

Me

No

18 May 2017 14:49

Autumn

Babe I'm venting my frustration to you and you're just like "idk what to tell you" basically translates to shut up, idc what you're saying

18 May 2017 14:50

Me

No

18 May 2017 14:51

Autumn

Then ask you to tell me anything. It's pretty clear I'm just looking for you to hear me out

18 May 2017 14:51

Autumn

*I didn't ask you **

18 May 2017 14:51

Me

I am hearing you out. And that's my response

18 May 2017 14:51

Autumn

Thank you

18 May 2017 14:51

Autumn

Profound

18 May 2017 14:51

Me

There's not much to say then wait it out and calm down.. So that's why I said that. I was only saying it

18 May 2017 14:52

Me

W. E Autumn

18 May 2017 14:52

Autumn

Yea I guess

18 May 2017 14:53

Autumn

I'm really annoyed over this. I just feel like you're invalidating whatever I'm saying

18 May 2017 14:53

Autumn

That's not how we should be with each other

18 May 2017 14:54

Autumn

And I'm going to be honest, I feel like I annoy you a lot lately

18 May 2017 14:54

Me

That's not how I was saying it. It was my way of saying just deal with it it's not such a big deal

18 May 2017 14:55

Autumn

Idk if that's true or maybe we're just interacting differently idk

18 May 2017 14:55

Me

It's not true

18 May 2017 14:57

Me

But you saying that you feel like you're annoying me is annoying because idk what it is I'm doing to make you feel that way

18 May 2017 14:58

Autumn

Idk babe. I feel that I've pointed it out as they come up

18 May 2017 15:00

Autumn

It just seems like there's a low tolerance for what I'm saying or doing idk. I'm not saying it's all you, it could be me

18 May 2017 15:00

Me

I tell you every time I'm not annoyed

18 May 2017 15:01

Autumn

And part of it could be me over analyzing in my head

18 May 2017 15:01

Me

Babe I love you, I want to be with you every second of the day. That's it.

18 May 2017 15:02

Autumn

I don't like how I feel about it though. I feel like I love you so much that I just want you always to be happy but then it seems I'm bothering you at times, which I know is normal. We're gonna annoy each other but it seems like more than before

18 May 2017 15:03

Me

Nothing you do annoys me. Everything you do is you. And I love it

18 May 2017 15:03

Autumn

Ok

18 May 2017 15:03

Autumn

I love you too

18 May 2017 15:03

18 May 2017 15:03

Me

I always take in your sweet company and just bask in it.

18 May 2017 15:05

Autumn

Ok babe

18 May 2017 15:07

Autumn

I'm not saying that because I want you to reiterate what you feel. I'm just making you aware of my thoughts

18 May 2017 15:07

Me

Wow ok

18 May 2017 15:07

Autumn

What??

18 May 2017 15:07

Me

Thanks

18 May 2017 15:08

Autumn

I mean that I feel like maybe you think I'm complaining and wanting you to be like oh babe I love you you're great blah blah

18 May 2017 15:08

Autumn

Then again, maybe I'm just over analyzing

18 May 2017 15:08

Autumn

I'm gonna stop talking cause apparently I'm not getting anything right

18 May 2017 15:08

Me

I fucking say what I want and feel I don't need you telling me that that's not what you wanted me to say or we

20 May 2017 18:43

20 May 2017 18:44

Me

Nope lol just chocolate, murp

20 May 2017 18:44

Me

They didn't stock on the chocolate fiberbrownie

20 May 2017 18:51

Me

20 May 2017 19:42

Me

20 May 2017 19:42

Autumn

Damn. You put double the protein?

20 May 2017 19:43

Autumn

What is that

20 May 2017 19:43

Me

Carbs like 12

20 May 2017 19:43

Me

Ice cream maker

20 May 2017 19:43

Autumn

Oh I thought you were making the macro experiment one

20 May 2017 19:43

Me

No babe that thing was 5bucks and I'm like nah

20 May 2017 19:43

Autumn

I wanna see the finished product

20 May 2017 19:43

Me

It's almost done. It will be soft serve. But when you freeze it it's firm like store bought

20 May 2017 19:44

Autumn

4.79 I think lol

20 May 2017 19:44

Me

Something like that

20 May 2017 19:45

Autumn

But I love my man soooo ˘()˘

20 May 2017 19:45

Autumn

You can have it

20 May 2017 19:45

Autumn

And the butter flavored extract too if you want it. Idk what I would do with it

20 May 2017 19:45

Me

I know. Your so great baby. You were so freaking sweet for doing that!

20 May 2017 19:46

Me

Goes good in protein pancakes if you want buttermilk-ish taste

20 May 2017 19:46

Autumn

20 May 2017 19:47

Me

I used to throw in rum extract as well

20 May 2017 19:47

Autumn

True. Probably won't use it so you can have it

20 May 2017 19:47

Autumn

Did you give your mom the jeans

20 May 2017 19:47

Me

Lol cutie

20 May 2017 19:47

Me

Yea baby I gave the jeans

20 May 2017 19:47

Me

20 May 2017 19:48

Autumn

Haha throwbackkk

20 May 2017 19:48

Autumn

Tummy is full , nice and fresh , laying on the couch with no pants on

20 May 2017 19:51

Autumn

I'm so tired for some reason ..and also so comfortable I can't get up to get my clothes lol

20 May 2017 19:51

Me

No pants on huh

20 May 2017 19:51

Me

Thinking of all the things you want me to do to you

20 May 2017 19:52

Autumn

I had leggings out to put on but by the time I put my shirt on I'm like wowww that looks like way to much effort

20 May 2017 19:52

Autumn

Too

20 May 2017 19:52

Me

*It's OK to be tired boo. You need the rest sometimes..
Your cute*

20 May 2017 19:52

Me

Ha I'm telling you the stoned feeling lingers a bit

20 May 2017 19:52

Me

In combo with sub-par sleep

20 May 2017 19:53

Autumn

Thinking that I wish my baby was here

20 May 2017 19:53

Autumn

Yea not enough sleep

20 May 2017 19:53

Me

Kinda had to get used to that bed. But eventually, besides getting up to pee a lot..i had a nice sleep with my girl.

20 May 2017 19:53

Me

Awe

20 May 2017 19:53

Me

My stomach is red af and pubic area is white af

20 May 2017 19:54

Me

Awe baby... I wanna be there

20 May 2017 19:56

Autumn

That looks great

20 May 2017 19:56

Autumn

And yes, I was overall comfortable although I know I moved around a lot which may have been annoying to you

20 May 2017 19:57

Autumn

How did you make that

20 May 2017 19:59

Me

All I did was your 2% fairlife milk cuz its got higher protein and I assume some fats will have it creamy. I and 1/2 cup fairlife milk. I n half scoop protein, vanilla extract... Optional, one serving pb2 lol

20 May 2017 20:02

Me

Blend it and put it in the ice cream maker

20 May 2017 20:02

Autumn

How does the ice cream maker work

20 May 2017 20:04

Me

I've used almond milk. I'm not sure if I used it alone. I think I always did 1 cup fairlife and half cup almond.

Don't recall

20 May 2017 20:04

Autumn

It does it or you have to do something to it?

20 May 2017 20:04

Me

Pretty good. I'm sure there are better ones.

20 May 2017 20:04

Me

You just freeze the core for 24hrs. And pour the stuff in and mix it with the machine

20 May 2017 20:04

Autumn

You have to mix it though?

20 May 2017 20:05

Autumn

Manually is what I'm asking

20 May 2017 20:05

Me

No the machine does it

20 May 2017 20:05

Autumn

Oh ok

20 May 2017 20:05

Autumn

Cool

20 May 2017 20:05

Me

Machine was only like 15 bucks so I'm sure there are better

20 May 2017 20:05

Autumn

Looks real good babe

20 May 2017 20:05

Me

If the machine is stronger I assume it can froth it better or W. E

20 May 2017 20:06

Autumn

Right makes sense. I think my grandparents have one actually

20 May 2017 20:06

Me

Yea it's purrty good

20 May 2017 20:06

Me

Ooooo

20 May 2017 20:06

Me

Unfortunately the chocolate didn't blend well. It just clumped. I've used chocolate chips and it blends like a powder. It maintains a bit of the creamy grainyness within the ice cream. Like little bits in it. It doesn't blend like cocoa might

20 May 2017 20:09

Me

If that makes sense

20 May 2017 20:09

Autumn

Which chocolate did you use?

20 May 2017 20:11

Me

A bar. It's probably a different consistency Vs chips

20 May 2017 20:12

Autumn

Good morning baby I love you

21 May 2017 08:38

Me

*Good morning sunshine. Hit me up when you're done

Are you still not home babe I just realized that

21 May 2017 15:02

Me

Maybe overstock hun

21 May 2017 15:02

Me

It's funny cuz sometimes they put baked stuff on sale and the sign reads "we made too much"

21 May 2017 15:03

Me

But I'm skeptical about it.. I'm like sureee I bet it's closer to expiration lol

21 May 2017 15:03

Me

I think they are usually too

21 May 2017 15:03

Autumn

True

21 May 2017 15:05

Autumn

My grandma was saying how she bought some bread that was marked down at Walmart and it was perfectly fine, not expired or getting stale

21 May 2017 15:05

Autumn

And she said she's seen it a lot

21 May 2017 15:05

Autumn

So know who's

21 May 2017 15:12

Autumn

Isn't that 2 things

21 May 2017 15:13

Me

No tricking.

21 May 2017 15:13

Autumn

What's on the right?

21 May 2017 15:13

Me

Two things in one pic and one in the other

21 May 2017 15:13

Me

Some mat for hot things

21 May 2017 15:13

Me

I sometimes use a towel. Or a mitt

21 May 2017 15:14

Me

Just to place hot stuff on the counter. The other thing is a silicone scrapper which I thought was cool

21 May 2017 15:14

Me

And the other thing is a pastry matt

21 May 2017 15:15

Me

Also though about a pizza pan. Though pizza stones are awesome, I always break em

21 May 2017 15:15

Autumn

Ok I see the other pic now

21 May 2017 15:15

Autumn

Yea those scrapers work well

21 May 2017 15:15

Me

I guess it won't damage pans

21 May 2017 15:16

Autumn

Yea

21 May 2017 15:16

Me

*The pizza thing was so that we can cute-ly create our
veggie pizza*

22 May 2017 09:18

Autumn

22 May 2017 09:19

Me

Me

Just left the post office. I was sending the shoes out

22 May 2017 15:14

Me

I'm headed home to change for church.

22 May 2017 15:14

Me

Send this to mom <https://youtu.be/uIFP3z7f8mc>

22 May 2017 15:15

Autumn

Ok I wanna tell you something real quick

22 May 2017 15:15

Autumn

She made that before

22 May 2017 15:15

Autumn

It's with jack fruit right?

22 May 2017 15:15

Autumn

She didn't like it but I thought it was good

22 May 2017 15:15

Me

Yes with Jack fruit. Everyone in the video liked it

22 May 2017 15:16

Me

Babe

22 May 2017 15:55

Me

Thinking if you in the robe you had on with the white top n bottom

22 May 2017 15:56

Me

Mmm

22 May 2017 15:56

Autumn

Aww baby we need to recreate that

22 May 2017 16:05

Me

Blackly

22 May 2017 17:48

Me

45 cardio

22 May 2017 17:48

Me

22 May 2017 17:48

Autumn

Zoom in on him

22 May 2017 17:48

Autumn

So. Busted.

22 May 2017 17:48

Autumn

Cardio king

22 May 2017 17:48

Me

I see it lolol

22 May 2017 17:48

Me

Like he got ran over by a street sweeper

22 May 2017 17:49

Autumn

Poor guy

22 May 2017 17:54

Autumn

Babe why you doing so much cardio

22 May 2017 18:04

Me

I get to eat more

22 May 2017 18:09

Autumn

I see

22 May 2017 18:09

Me

Yet stay in a slight deficit

22 May 2017 18:09

Me

22 May 2017 18:09

Autumn

Do you feel that as you expend more your appetite increases?

22 May 2017 18:10

Autumn

Or you just literally want to eat more food but not because you're more hungry?

22 May 2017 18:10

Me

I get to be a little lenient and still perform and maintain and even lose a lil fat. Slowly but it's good

22 May 2017 18:10

Me

No my appetite surprisingly hasn't increased. But it feels good eating more and just putting in a little walk every day for it, is worth it.

22 May 2017 18:11

Me

It's not super taxing. And also the training/programming is at a sweet spot.

22 May 2017 18:12

Autumn

I see what you're saying

22 May 2017 18:13

Autumn

Cardiovascular health af

22 May 2017 18:13

Me

Not going too crazy with volume. Just everyday I come in after the programming I do only few isolation sets. I used to do crazy shit like 10 sets tris 10sets bis, bunch of rows

22 May 2017 18:13

Autumn

Changing it up a bit

22 May 2017 18:14

Me

Buy now that I limit but focus on progressing even on one rep public but only do like 2 sets.. It's fine. Cuz it adds up in frequency and volume. If I did too many sets everyday it would be harder to beat a red here and there

22 May 2017 18:14

Me

I'd regress at times

22 May 2017 18:14

Autumn

Right

22 May 2017 18:15

Me

*It's just the right balance. Especially in a deficit.
Should always cut volume at least 1/3rd..i used to do
more lol or not cut anything*

22 May 2017 18:15

Me

Then get beat up too fast.

22 May 2017 18:15

Autumn

Your body doesn't forgive you for that

22 May 2017 18:15

Me

*Leads to bad performance... Regression... Muscle
loss.... Binging*

22 May 2017 18:16

Autumn

Yea beat up, stalls, says don't kill plz

22 May 2017 18:16

Me

Yea.. But in my head " I'm invincible " but now I smart

22 May 2017 18:16

Autumn

*Don't kill me plz**

22 May 2017 18:16

Autumn

Lol

22 May 2017 18:16

22 May 2017 19:24

Autumn

Nice, are you using an electric thing to whip it

22 May 2017 19:24

Me

22 May 2017 20:03

Me

*Added little more splenda. Little more vanilla extract.
Only used one cup fairlife milk and half cup cashew
milk*

22 May 2017 20:04

Me

Also two scoops protein. That may have helped too

22 May 2017 20:05

Autumn

Looks good babe

22 May 2017 20:06

Me

Could be a good topping for that cake..

22 May 2017 20:07

22 May 2017 20:11

Autumn

Doesn't sound like a good mix with sweetness

22 May 2017 20:11

Me

You probably skimmed through it. Like you skimmed through the process

22 May 2017 20:12

Autumn

I didn't watch the video actually

22 May 2017 20:12

Me

Babe it's supposed to be fluffy/airy

22 May 2017 20:13

Autumn

I know that

22 May 2017 20:13

Autumn

But it tasted tart

22 May 2017 20:13

Autumn

Or sour

22 May 2017 20:13

Autumn

Idk, I think the cream of tartar

22 May 2017 20:13

Me

Might not be sour when it actually expands .

22 May 2017 20:13

Me

It's less concentrated

22 May 2017 20:14

Autumn

I guess you'll see

22 May 2017 20:14

Me

23 May 2017 17:58

Me

23 May 2017 17:59

Autumn

Curious about it

23 May 2017 17:59

Me

Got two chocolates and one of each

23 May 2017 17:59

Me

You could do with half a pack cuz 300mg too much for you

23 May 2017 18:00

Autumn

How you know what's too much for me babe

23 May 2017 18:04

Autumn

I feel like I'm very caffeine tolerant at this point, which is annoying actually

23 May 2017 18:05

Me

You were dying off sips of it along with your coffee that one time

23 May 2017 18:05

Autumn

It doesn't give me an effect unless I have a couple caffeine pills and coffee or something like that but just coffee or an energy drink alone doesn't do it

23 May 2017 18:06

Autumn

I was?

23 May 2017 18:06

Autumn

When?

23 May 2017 18:06

Me

It always hits me only if I'm stupid tired and I Fuck up drinking another half... Then for some reason the tolerance for the week is done.

23 May 2017 18:07

Me

It may have been the pill and some of my drink. I don't remember

23 May 2017 18:07

Autumn

Oh ok, maybe one of those samples I got from GNC

23 May 2017 18:08

Autumn

I guess you're supposed to take one and I thought you were supposed to take both in the pack lol. Plus I had coffee

23 May 2017 18:09

Me

But that one pill was only like 120 or 150

23 May 2017 18:09

Me

Said take two I believe

23 May 2017 18:09

Autumn

Hmm I don't remember exactly. When I took one and coffee together I didn't feel anything differently so I'm not sure

23 May 2017 18:10

Autumn

Anyway I'm curious about how that chocolate one tastes

23 May 2017 18:10

Me

Yea but I think you drank some of my drink too that day

23 May 2017 18:11

Autumn

Possibly I don't remember but it seems like you do better than me

23 May 2017 18:12

Me

23 May 2017 23:46

Me

23 May 2017 23:49

Me

Good night babe. Thank you

23 May 2017 23:49

Autumn

Right

23 May 2017 23:49

Me

For everything

23 May 2017 23:49

Autumn

Basically inseparable and it's more than sexual

Withstand every shell Tell me don't you like the sound of that?

Got my heart racing and about to have a heart attack

Wantin' to be loved by you just you

There's nobody loves you like I do

And I ain't scared to show it

But these feelings are hard to put into words

And I'm a poet slash MC

So give me credit for expressing them

Because writin' this was more nervous than I ever been

I had to get it out for when I'm unable to sit with you

You have a little song that I wrote for you to listen to

So you know the way that you're missin' me I'm missin' you

I wanna give you the world but for now I hope this'll do

23 May 2017 23:52

Autumn

This whole last verse is my favorite, especially the last line ^^

25 May 2017 14:44

Autumn

Sounds good, that's a recipe you're following or you're throwing things together?

25 May 2017 14:47

Me

26 May 2017 09:44

Me

But that's usually how it goes. That Wednesday my cns was like nope..but it was low volume enough to enforce motor pattern recruitment and now today I should be... Recovered and ready to hit that

Me

Lol

26 May 2017 14:35

Autumn

26 May 2017 14:36

Me

I'm not that bad. Used to be with dieting. I would feel like I'm shrinking, which you are lol but I definitely would lose mass and stuff. Big % of people in the gym are so critical of all that too in some way

26 May 2017 14:37

Autumn

I know babe

26 May 2017 14:38

Me

But it can turn problematic for sure, especially with the internet generation and fake nattys glorifying some dream

26 May 2017 14:38

Autumn

Lol yes

26 May 2017 14:38

Me

Murp

26 May 2017 14:39

26 May 2017 14:41

26 May 2017 14:43

Autumn

I am babyyyy

26 May 2017 14:43

You're my everything baby
26 May 2017 14:43

Autumn
Lol should have shaken it up
26 May 2017 14:43

Autumn
Love of my life :)
26 May 2017 14:44

Autumn
My grandpa is driving me crazy about my car
26 May 2017 15:37

Autumn
He's more concerned about it than me smh
26 May 2017 15:37

Me
Any word on that btw
26 May 2017 15:38

Autumn
No they haven't returned my call
26 May 2017 15:38

Autumn
I called yesterday
26 May 2017 15:38

Autumn
I'll try again
26 May 2017 15:38

Me
Bet he's wondering how you are paying for the rental?
26 May 2017 15:38

Autumn
No I told him insurance is covering it so far
26 May 2017 15:40

Autumn
He's asking me why it's taking so long
26 May 2017 15:41

Autumn
And he's asked me so many times
26 May 2017 15:41

Autumn
And if I've heard anything, what's holding up the process, etc etc etc
26 May 2017 15:42

Me
Lol
26 May 2017 15:43

Autumn
I told them they're probably waiting on parts to come in. So he says maybe you should ask them if it's drive-able and then pick it up until the parts come in

26 May 2017 15:43

Me

Well he's concerned

26 May 2017 15:43

Autumn

I told him, listen grandpa, contrary to what you might think, I've got it under control. What I'm going to do is this: Let the people do their job and I'll hear back from them when it's ready

26 May 2017 15:44

Me

Tell him that there is painting involved. So it takes longer

26 May 2017 15:44

Me

Cuz parts, spraying, drying,

26 May 2017 15:44

Autumn

Yea I guess, also he's retired and has nothing else to concern himself with

26 May 2017 15:44

Autumn

Lol

26 May 2017 15:44

Autumn

But naturally he's a pretty obsessive/anxious kind of person so he fixates on these kinds of things and doesn't let it go

26 May 2017 15:45

Autumn

Shortly after I told him all this I heard him asking my grandma what she's going to cook for dinner and then was asking why she's not gonna use the fresh bread that you just bought

26 May 2017 15:45

Autumn

*That she just bought **

26 May 2017 15:46

Autumn

And she's like because that's not my plan I'm doing something else blah blah. So I'm like grandpa, she's got it under control ..just like I got my car under control

26 May 2017 15:46

Autumn

He laughed but kept going at it about the bread

26 May 2017 15:46

Me

Lol

26 May 2017 15:47

Me

I mean it's the way he is and the way he communicates.

26 May 2017 15:48

Autumn

"I just I don't understand why you're not going to use the bread, it's so nice and fresh"

Blah blah blah ...

26 May 2017 15:48

Me

Doesn't have to be taken like he's at you guys lol

26 May 2017 15:48

Me

He's just speaking his mind

26 May 2017 15:48

Me

26 May 2017 15:48

Autumn

It's funny though because my grandma has like no patience and he is so picky about these kinds of things so she snaps on him

26 May 2017 15:49

Autumn

Then I feel bad lol

26 May 2017 15:49

Me

Lol

26 May 2017 15:49

Me

He just wants to talk maybe lol

26 May 2017 15:49

Autumn

She's like "Tony if you think the bread looks so good have at it, why don't you just eat some!!!!"

Lol then he went to get a piece.. poor guy

26 May 2017 15:50

Me

Lol but how does he take it? Jokingly?

26 May 2017 15:50

Autumn

Yea I think that's part of it, which is why I was trying to stay chill when this is the 4th consecutive day that he's asked about my car/also asked the same damn questions about my car

26 May 2017 15:51

Autumn

Kinda I guess, lightly most of the time. They're used to each other's temperaments I would say.. after 50 something years of marriage lol

26 May 2017 15:51

Me

Just like the millionth consecutive day I've seen that guy being a monkey at the gym

26 May 2017 15:51

28 May 2017 19:20

Me

Can't hear

28 May 2017 19:36

Me

Looks runnier than the site shows

28 May 2017 20:55

Me

Might be more cake than cookie

28 May 2017 20:55

Me

I guess cuz the pb. I might have used too much apple sauce

28 May 2017 20:55

Autumn

Merp

28 May 2017 21:02

Autumn

Let me see

28 May 2017 21:15

Me

I put them back in

28 May 2017 21:20

Me

The dough came out cool

28 May 2017 21:36

Autumn

How was the taste

28 May 2017 21:39

Me

Not bad for what it is. But cup of flour is 440 cal the yogurt 130 or W. E but 34g protein I guess is OK for a good amount of bread lol

28 May 2017 21:42

Me

I could see myself occasionally making a pizza with it. If I had a better way to roll or spread it, it would be bigger I'm surface area.

28 May 2017 21:43

Me

It's sticky and breaks apart so you can't really work it

28 May 2017 21:43

Autumn

So what's the macros for the whole thing?

28 May 2017 21:44

Autumn

Cool

28 May 2017 21:47

31 May 2017 09:35

Me

Nvm

31 May 2017 09:40

Me

31 May 2017 09:57

Autumn

What's the matter?

31 May 2017 10:02

Autumn

?? Hello

31 May 2017 10:08

Me

Nothing I'm good babe.

31 May 2017 10:12

Autumn

So why

31 May 2017 10:13

Me

Just sounds better to hear that you want to see me.

31 May 2017 10:13

Autumn

Ok

31 May 2017 10:14

Autumn

Sorry

31 May 2017 10:14

Me

*Rather than asking if I'm going to see you or not...
Sound more like let me know so that I can fix plans*

31 May 2017 10:14

Autumn

*FYI not trying to be a bitch but I'm in some type of
mood today*

31 May 2017 10:15

Me

Nothing to apologize for hun

31 May 2017 10:15

Me

I'm just saying its nicer

31 May 2017 10:15

Autumn

Ok

31 May 2017 10:15

Me

Why are you in this mood?

31 May 2017 10:16

Me

Did you not sleep well

31 May 2017 10:17

Autumn

*Stressed out. I'm guessing that my period is coming and
that's not helping the situation, I feel hormonal af*

31 May 2017 10:17

Me

I see

31 May 2017 10:17

Me

I'll ease it for you hun

31 May 2017 10:18

Autumn

*Before I get my period my face always breaks out so
that's happening and looks like shit, feel ugly af,
anxious, don't want to work and just thinking about how
the grass is greener on the other side*

31 May 2017 10:19

Me

Babe your "breaking out" is literally a pimple.

31 May 2017 10:19

Me

And you're gorgeous as fuck

31 May 2017 10:19

Autumn

It's actually not

31 May 2017 10:20

Me

I'm going to choke and fuck the stress out of you

31 May 2017 10:20

Autumn

Can't wait

31 May 2017 10:22

Autumn

How are you

31 May 2017 10:24

Autumn

Alright.. Expensive cabinet

31 May 2017 10:45

Me

Broward colleges are possibly getting a 3million dollar budget cut. And Miami Dade colleges are possibly getting 6million dollar cut

31 May 2017 11:57

Me

While the private colleges barley get cuts

31 May 2017 11:58

Autumn

Well private colleges don't get funding really. They have to generate their own

31 May 2017 12:03

Autumn

Yea the education system here is fucked. There's like no incentive for getting an education

31 May 2017 12:04

Autumn

3 years ago today fast forward to now at work hating life

31 May 2017 12:22

Me

Ain't easy

31 May 2017 12:24

Autumn

Throwback to times when my face wasn't breaking out

31 May 2017 12:25

Autumn

When I was skinnier

31 May 2017 12:25

Autumn

When I wasn't at school

31 May 2017 12:26

Me

You're seeing things

31 May 2017 12:26

Autumn

When my boobs were nonexistent

31 May 2017 12:26

Me

Your body is one hunnit. Skinny is no bueno

31 May 2017 12:26

Autumn

When I wasn't feeling hormonal af due to my period

31 May 2017 12:27

Autumn

Because I didn't get my period anyway

31 May 2017 12:27

Autumn

Ok done complaining

31 May 2017 12:27

Autumn

I miss you

31 May 2017 12:27

Me

31 May 2017 12:28

Me

Sometimes when I'm mad or something and possibly taking it out on everyone, I think, well I could die tomorrow or anyone I care about so why waste any time with little stuff. I know we are human and feelings affect us but it's good to put that in perspective.

31 May 2017 12:35

Autumn

One more complaint

31 May 2017 12:35

Autumn

Throwback to 3 years ago when I didn't have Jason in my life

31 May 2017 12:36

Me

Happens often. But yesterday I was reflecting on how you were saying I was mean and we should be pleasant with each other. It ran through my head that, you know at any moment it can be stripped away so I should be the best I can be for you.

31 May 2017 12:37

Me

IDK why I just thought of that but probably cuz you're complaining lol

31 May 2017 12:38

Autumn

You're so sweet

31 May 2017 12:38

Autumn

I know you're right

31 May 2017 12:38

Me

So it ain't so bad as it seems sometimes

31 May 2017 12:38

Autumn

Yea

31 May 2017 12:39

Autumn

I'm not saying that it's all bad. I acknowledge that there's actually a lot more good than bad in my life and that I should practice being grateful more often

31 May 2017 12:39

Autumn

Right now I'm stuck in a mood that's not necessarily emphasizing the bad in my life. It's more of questioning uncertainty in my life, things that I question

31 May 2017 12:40

Me

I know your not saying its all bad

31 May 2017 12:40

Autumn

We'll talk later

31 May 2017 12:40

Autumn

The collision center called and said my car will be ready by the 9th

31 May 2017 12:45

Me

Wow

31 May 2017 12:47

Me

Such small damage and these people taking forever

31 May 2017 12:47

Me

Low priority. Probably doing other cars

31 May 2017 12:48

Autumn

Yea

31 May 2017 12:51

Autumn

It's less than 30 days so at least I'm not paying out of pocket for the rental

31 May 2017 12:51

31 May 2017 18:24

Autumn

You're stuck with me. Don't you realize that

31 May 2017 18:24

Me

That was annoying

31 May 2017 18:24

Autumn

Well I'm saying don't do it for the acknowledgment.. do it because you want to speak to me

31 May 2017 18:25

Me

You don't have to even say that because that's not what I did it for

31 May 2017 18:26

Me

You saying that is like you don't believe I did it for that anyway

31 May 2017 18:26

Autumn

31 May 2017 19:29

31 May 2017 19:31

31 May 2017 19:32

Me

31 May 2017 19:32

Me

31 May 2017 19:33

Autumn

Ok.. if you don't want to rush we can see each other tomorrow

31 May 2017 19:33

Autumn

Now don't take that as I don't want to see you

31 May 2017 19:33

Autumn

I'm just trying to be reasonable

31 May 2017 19:34

Me

01 Jun 2017 07:44

Me

It was decent. I woke up at 6

01 Jun 2017 07:56

Me

Finishing up getting dressed

01 Jun 2017 07:56

Autumn

Good. Did you go to the gym?

01 Jun 2017 07:57

Me

How did you sleep?

01 Jun 2017 07:57

Me

No. I'll go after

01 Jun 2017 07:57

Autumn

Woke up a lot then finally got into a decent sleep, which was interrupted by my mom calling me at 5:30

01 Jun 2017 07:58

Autumn

I'm going to go to the gym after work as well so wait for me

01 Jun 2017 07:59

Autumn

Si?

01 Jun 2017 08:06

Me

Why she call so early?

01 Jun 2017 08:12

Me

What time you get off

Autumn

She thought I'd be up.

01 Jun 2017 08:12

Autumn

I guess she needed a ride to work but she ended up taking an uber

01 Jun 2017 08:13

Autumn

About 3:30

01 Jun 2017 08:14

Autumn

Came in early

01 Jun 2017 08:14

Me

Oh wow lol

01 Jun 2017 08:15

Me

Mom in dat uber

01 Jun 2017 08:15

Me

I should be ready around the same time you leave anyway

01 Jun 2017 08:18

Me

So yea

01 Jun 2017 08:19

Autumn

01 Jun 2017 08:30

Autumn

My sweetie. I LOVE YOU

01 Jun 2017 08:39

Autumn

Apparently Geico decided they're only paying until tomorrow. Enterprise called me earlier

01 Jun 2017 08:44

Autumn

So now I have to contact Geico and see if they'll grant an extension. Not sure why I have to ask for an extension in the first place since my policy is supposed to cover \$1500 or 30 days

01 Jun 2017 08:45

Autumn

One more thing to worry about I guess

01 Jun 2017 08:46

Me

How can they go against their policies or what ever it is they told you.

01 Jun 2017 09:21

Autumn

Don't know trying to get them on the phone

01 Jun 2017 09:21

Me

It's not personal for them to tell you one thing and do another

01 Jun 2017 09:24

Autumn

We'll see, waiting for a call back

01 Jun 2017 11:25

Autumn

Babe

01 Jun 2017 14:12

Me

Hey babe. Just heading out this bitch

01 Jun 2017 14:15

Autumn

Ok. Can't wait to see you..

01 Jun 2017 14:21

Autumn

When the hell am I going to get my.

01 Jun 2017 14:31

Autumn

*Period * voice text thing put a literal period*

01 Jun 2017 14:31

Autumn

Lol

01 Jun 2017 14:31

Autumn

What I'm wondering is how much longer should I attribute my shitty mood to my period... or is it something else going on

01 Jun 2017 14:32

Me

I understood it lol

01 Jun 2017 14:32

Me

It will come. Knowing your body, it's not predictable.

01 Jun 2017 14:33

Me

Can't wait to see my

01 Jun 2017 14:33

Autumn

When though

01 Jun 2017 14:33

Me

Right

01 Jun 2017 14:34

Autumn

I feel constantly irritated

01 Jun 2017 14:34

Me

Ow

01 Jun 2017 14:34

Me

*Now**

01 Jun 2017 14:34

Autumn

And pissed at the world

01 Jun 2017 14:34

Autumn

And on the verge of tears at any moment

01 Jun 2017 14:34

Me

I can help you. You can cry for me between your legs

01 Jun 2017 14:35

Autumn

Like I know it sounds ridiculous but I'm literally mad at my existence

01 Jun 2017 14:36

Autumn

Wondering why I was born when I didn't ask for it

01 Jun 2017 14:36

Autumn

I'm serious

01 Jun 2017 14:36

Me

Baby don't talk like that

01 Jun 2017 14:36

Me

I know, I've been there

01 Jun 2017 14:36

Autumn

I know house crazy it sounds but I mean it with every fiber of my being

01 Jun 2017 14:36

Autumn

*How **

01 Jun 2017 14:37

Autumn

And I don't mean it in a way like I want to hurt myself or I want to die it's more of just a general irritation at existing

01 Jun 2017 14:37

Me

You're stressing

01 Jun 2017 14:39

Autumn

My question relates a lo to.. what were my parents thinking. Why did they want to have a daughter? When I'm around my mom she doesn't show much interest in my presence and obviously my dad is a whole other story. I'm just wondering for what?? What was the point

01 Jun 2017 14:40

Autumn

So now I have to be here, living/stressing as a consequence of their poor decision

01 Jun 2017 14:41

Autumn

Irritating

01 Jun 2017 14:41

Autumn

Is that dramatic

01 Jun 2017 14:41

Me

Baaaabe chill

01 Jun 2017 14:42

Autumn

I'm being serious

01 Jun 2017 14:42

Autumn

It's so annoying

01 Jun 2017 14:42

Autumn

I'll stop though

01 Jun 2017 14:43

Autumn

No one wants to be around negativity

01 Jun 2017 14:43

Me

Do you think I'm not taking you serious?

01 Jun 2017 14:43

Autumn

Idk

01 Jun 2017 14:44

Me

Shut up, I'm not just "no one" idc how bad it is from you. I'm here for you

01 Jun 2017 14:44

Me

Don't say thay

01 Jun 2017 14:44

Autumn

I know you're not just anyone. I mean I'm telling you exactly how I feel and the reality is that it's negative but I don't want to bring that on you either or be such a downer

01 Jun 2017 14:50

Autumn

Also I said I'll stop because it's not like it's the first time I'm repeating this same issue to you. It's a constant theme in my head so I guess it's kind of what typically gets me down and what I dwell on

01 Jun 2017 14:52

Autumn

So thanks for hearing me out each time. Sorry I say the same shit over and over

01 Jun 2017 14:52

Me

Babe there will be days like this

01 Jun 2017 14:54

Me

And I'm OK with hearing it, being in it with you anytime and everytime you need it

01 Jun 2017 14:55

Autumn

Ok babe

01 Jun 2017 15:08

Autumn

01 Jun 2017 20:57

Autumn

01 Jun 2017 20:57

Autumn

Did you put baking powder? Makes it flufffffffy

01 Jun 2017 20:58

Autumn

It

01 Jun 2017 20:58

Me

Yup

01 Jun 2017 20:58

Me

*It would make it better but I find pes is good with out
pancake mix*

01 Jun 2017 20:59

Autumn

Chocolate?

01 Jun 2017 20:59

Me

*But it definitely would be better. And definitely the cure
for other protein pancakes*

01 Jun 2017 20:59

Autumn

Protein

01 Jun 2017 20:59

Me

Yes chocolate lol

01 Jun 2017 20:59

Autumn

Looks good

01 Jun 2017 21:01

Me

*I used to use Kodiak power pancake mix. Per 60g is
14g protein. But I use half. So adds 7g with the egg and
scoop gives like 36 or so protein*

01 Jun 2017 21:02

Me

Kodiak pancake mix is one hunnit

01 Jun 2017 21:03

Autumn

That's what I made you right here ^

Dough

04 Jun 2017 18:00

Me

I bet some "multipurpose" quest protein would work to bind it even better and be more like dough

04 Jun 2017 18:03

Me

See how it's more like a cream crease type consistency at first. Cooks pretty well though

04 Jun 2017 18:04

Autumn

Look at my baby eating Greek yogurt

04 Jun 2017 18:14

Autumn

You go boy

04 Jun 2017 18:14

Me

04 Jun 2017 18:37

Autumn

Lame

04 Jun 2017 18:39

Me

Better than 8g from a regular dough. Roughly

04 Jun 2017 18:39

Autumn

Marginally

04 Jun 2017 18:40

Me

05 Jun 2017 13:23

Autumn

Babe

05 Jun 2017 13:55

Autumn

You turn me on to the point that I'm like goddamn just give me your babies but in reality I'm like I don't want a baby and absolutely it wouldn't be right now so I wonder where that feeling/ desire comes about from??

05 Jun 2017 13:56

Autumn

I wonder if it's just some sort of biological urge ..because I'm really attracted to you.. idk it's interesting lol

05 Jun 2017 13:57

Autumn

And it varies from like when we're having sex to even just intimate, close moments with each other. Am I freaking you out?

05 Jun 2017 13:58

Me

You're probably right

05 Jun 2017 14:01

Me

You want your babies with a mate that will be able to protect your offspring haha

05 Jun 2017 14:01

Me

And it turns me on when you say these things

05 Jun 2017 14:02

Me

And you're not alone babe

05 Jun 2017 14:03

Me

I get your mind and hormones raging baby?

Autumn

Yea baby

05 Jun 2017 14:05

05 Jun 2017 14:05

Me

We probably feel that the other would be not only a good mate but parent in some way

05 Jun 2017 14:07

Me

I can see you holding my baby in your arms. As crazy as it may sound. I also never felt that way before, like I never been able to envision it

05 Jun 2017 14:09

Autumn

Yes you hit it on the head. I've never envisioned that

05 Jun 2017 14:11

Autumn

Even now it's like, realistically, I don't want that yet but there's some vision of it with you

05 Jun 2017 14:12

Autumn

What I'm saying is I still don't know if I want it but I'm tolerating and enjoying the vision. Know what I mean?

05 Jun 2017 14:13

Autumn

Which seems huge for me because even the thought about it be

05 Jun 2017 14:13

Autumn

Thought about having a family, marriage, kids, etc before literally caused me to feel fearful and freaked out

05 Jun 2017 14:13

Autumn

Not only fearful emotions but even more pronounced physiological response. Like my chest would hurt and feel sick to my stomach just thinking about it lol. That's how strong my reactions to that kind of stuff has been

05 Jun 2017 14:15

Autumn

Anyway

05 Jun 2017 14:15

Me

You were grossed out at the idea baby lol

05 Jun 2017 14:18

Autumn

06 Jun 2017 14:57

Autumn

What does that do

06 Jun 2017 15:10

Me

Like offer up

06 Jun 2017 15:10

Autumn

Oh I thought you meant it's a feature on offer up or something that limits the distance people can see your listing

06 Jun 2017 15:12

Me

It's a newer app. It has more features I think

06 Jun 2017 15:13

Autumn

Ok cool

06 Jun 2017 15:14

Me

Allows followers to see get notified of sellers price changes. Also allows to bump the item again, offer up's bump doesn't always work. And you can also see the traffic coming in, how many people viewed and stuff

07 Jun 2017 19:23

Me

Turned out better

Me

I love you baby

08 Jun 2017 09:27

Autumn

I love youuu

08 Jun 2017 09:28

Autumn

Bottom line: GD hope I'm ready by 06/21. Couldn't sleep for shit because I'm thinking about all the things I haven't studied yet and wondering where I can find more time for tutoring

08 Jun 2017 09:28

Me

Babe. Stop hoping you're ready and just do what you need to do to prepare for it, that's it

08 Jun 2017 09:29

Autumn

Jason wtf you think I'm doing

08 Jun 2017 09:30

Autumn

I'm thinking about how I need more tutoring so Im like ok yea that's what I need to do and then I open my calendar and it's like where can I possibly add anything else I may take off work if I can next week to free up at least 2 days

08 Jun 2017 09:30

Me

That worry won't make a difference in the end, when you pass. It will only stress you

08 Jun 2017 09:30

Me

OK then that's what you have to do babe. Take off work

08 Jun 2017 09:30

Autumn

I'm a practical person not one to leave things up to fate or what may happen. I have a plan that I've been sticking to, studying, tutoring, reviewing with others. I recorded audio clips on my phone so I can play them in the car, throughout the day, at the gym, etc. You say that like I'm just eating shit and hoping for the best

08 Jun 2017 09:33

Me

That's not what I'm saying at all

08 Jun 2017 09:33

Autumn

I'm going to feel uncertain and regardless of how much I'm studying and sticking to an actual plan. I get that overwhelming anxiety is not constructive, especially in the end. If anything I'm just venting how stressed I am

08 Jun 2017 09:35

Autumn

/ envious of anyone who has time they can do whatever the fuck they want with

08 Jun 2017 09:36

Me

I'm saying trust the process because you're putting the right steps to get there so don't put as much worry in

08 Jun 2017 09:36

Autumn

But hey I chose this so ...end rant

08 Jun 2017 09:36

Me

Ok

08 Jun 2017 09:36

Autumn

Yes trying to keep that trust the process thing in mind. It's freaking me out that I'm watching the days pass, getting closer and closer and don't feel that I'm necessarily anymore comfortable with the material

08 Jun 2017 09:38

Autumn

But I'll stop talking about it

08 Jun 2017 09:38

Autumn

I'm just trying to vent some of my frustration and reasonable worry. Maybe you don't realize the magnitude of this exam/not passing.. that's why I'm like stuck on it. Whatever it is, I'm just trying to blow off steam but it seems like you just think I'm worrying unnecessarily.

08 Jun 2017 09:43

Autumn

I think the best thing I could hear is something supportive.. it's all good babe, you're putting in the work, you got it, I know you're working hard, whatever..

08 Jun 2017 09:44

Me

I believe trying to get you to worry less is supportive. It's just in a different way. But I see

08 Jun 2017 09:46

Me

I do understand the "magnitude" of it. Just because I'm not saying exactly what you wanted to hear doesn't mean I'm not trying

08 Jun 2017 09:48

Me

To help

08 Jun 2017 09:48

Autumn

Now I'm continuing my rant lol but i'm very much of a keep my problems to myself person like my problems are mine and I don't want to make them yours. But the more I grow as a person I realize, especially in a close relationship like we have, that my problems are actually your problems too. I mean that you deal with the effects my problems are having on me. I'm not trying to be redundant and talk about the same things all the time aka how this exam is stressing me the fuck out but hey that's what my life is right now. And I'm sorry if it's annoying that I keep talking about it.. but you signed up for it

08 Jun 2017 09:49

Autumn

Ok babe, I know that you're trying to help. I guess I'm just trying to communicate exactly what I need rather than assume that you know. Trying to save that inner frustration

08 Jun 2017 09:50

Me

I was just trying to focus your attention away from worry.

08 Jun 2017 09:50

Autumn

I appreciate you babe really do. I know you have the best intentions

08 Jun 2017 09:50

Autumn

I see babe

08 Jun 2017 09:59

Autumn

Me

Why you make it sound like its a bad thing

08 Jun 2017 12:17

Me

08 Jun 2017 12:17

Autumn

Because I said I want you to wait and you literally didn't respond to it

08 Jun 2017 12:18

Me

Babe. I was working, I told you I'd get back to you

08 Jun 2017 12:19

Autumn

Ok so I'm waiting for you to respond to it

Me

I want to go in a few

08 Jun 2017 12:22

Autumn

Exactly

08 Jun 2017 12:24

Me

Why are you taking it like I don't want to see you?

08 Jun 2017 12:26

Autumn

Idk

08 Jun 2017 12:26

Autumn

Maybe based on the fact that you're not acting interested in talking to me even...

08 Jun 2017 14:07

Me

How is that

08 Jun 2017 14:16

Me

I was talking to you earlier?

08 Jun 2017 14:16

Me

You going to the gym after work? Or home first?

08 Jun 2017 14:17

Autumn

I have my clothes with me but idk yet

08 Jun 2017 14:29

Autumn

08 Jun 2017 14:29

Autumn

Like I said I want to see you but I don't need to hold you up if you really want to go now

08 Jun 2017 14:30

09 Jun 2017 07:46

Me

Your tone wasn't serious!

09 Jun 2017 07:46

Autumn

09 Jun 2017 07:46

Me

09 Jun 2017 07:46

09 Jun 2017 07:48

Me

09 Jun 2017 07:48

Me

09 Jun 2017 07:48

Autumn

It's not that big of a deal, just annoying that I wanted you to see it and you weren't looking but whatever then you got to wake up to it

09 Jun 2017 07:48

Autumn

Why not

09 Jun 2017 07:48

Me

Could of said it in a serious sexy tone

09 Jun 2017 07:50

Me

I thought it was a joke. You laughed.

09 Jun 2017 07:50

Autumn

Lol because I was laughing

09 Jun 2017 07:50

Autumn

Ok babe

09 Jun 2017 07:50

Me

09 Jun 2017 07:51

Me

09 Jun 2017 07:51

Me

Sleep

09 Jun 2017 07:51

Me

Well

09 Jun 2017 07:51

Me

Why don't you answer

09 Jun 2017 07:51

Autumn

Since you were saying you were so tired I was kinda messing with you like wakeeee upppp.. just being silly with ya

09 Jun 2017 07:51

Autumn

I slept fine, couldn't fall asleep too easy but fine otherwise

09 Jun 2017 07:52

Me

You should take a nap later

09 Jun 2017 07:52

Me

And not look at your screen before sleep.

09 Jun 2017 07:54

Me

I love you baby

09 Jun 2017 07:55

Autumn

Merp

09 Jun 2017 07:55

Autumn

You swear I'm always on my phone

09 Jun 2017 07:55

Autumn

I can try to rest but I doubt I'll fall asleep

09 Jun 2017 07:55

Me

You are.

09 Jun 2017 07:56

Me

Even whole time on cardio.

09 Jun 2017 07:56

Me

09 Jun 2017 07:57

Autumn

09 Jun 2017 07:58

Me

Scrolling the gram

09 Jun 2017 07:59

Me

Babe

09 Jun 2017 07:59

Autumn

Interesting what your definition of "on your phone" is..

09 Jun 2017 08:00

Autumn

Since you were on your phone during cardio the whole time as wel

09 Jun 2017 08:00

Autumn

Wel

09 Jun 2017 08:00

Autumn

Well GD

09 Jun 2017 08:00

Me

More like using it as a TV.

09 Jun 2017 08:02

Autumn

Ok so why is it different

09 Jun 2017 08:05

Autumn

You're "on your phone"

09 Jun 2017 08:05

Autumn

Should I complain you're always "watching TV"

09 Jun 2017 08:05

Me

I've done that twice

09 Jun 2017 08:06

Me

And actually have the volume low enough to hear you still....

09 Jun 2017 08:06

Me

You always look like I'm bothering you

09 Jun 2017 08:06

Autumn

No babe

09 Jun 2017 08:07

Autumn

Regardless of whatever you're doing on your phone..watching a video, listening to music, playing a game, eating shit.. the point is you're on your phone too

09 Jun 2017 08:08

Me

09 Jun 2017 08:08

Autumn

You make it sound like I'm doing something wrong because it's different than what you're doing

09 Jun 2017 08:08

Me

I'm not.

09 Jun 2017 08:09

Autumn

And you don't bother me at all, ever, so hush

09 Jun 2017 08:09

Me

I'm saying since you are on your phone all the time, it's likely that you on it at night with the light blaring in your face.

09 Jun 2017 08:10

Me

Plenty of times your hands are so anxious to look at your screen. You've said it yourself

09 Jun 2017 08:10

Autumn

I see what you're saying and yes sometimes it's a distraction because I feel nervous or something

09 Jun 2017 08:12

Autumn

That's not the case when we're walking or whatever

09 Jun 2017 08:12

Me

You need a fidget spinner

09 Jun 2017 08:13

Me

Original fight spinner... The clit.

09 Jun 2017 08:13

Me

*Fidget **

09 Jun 2017 08:13

Autumn

And I appreciate you looking out for me. That's one thing I focus on at night is not looking at my phone when I can't fall asleep. I either put a meditation on and try to focus on that

09 Jun 2017 08:13

Autumn

Lol maybeeee

09 Jun 2017 08:13

Me

I love you

09 Jun 2017 08:14

09 Jun 2017 09:12

Autumn

Called the collision center and they said my car will be ready today

09 Jun 2017 09:22

09 Jun 2017 10:56

Me

09 Jun 2017 11:01

Autumn

No lol

09 Jun 2017 11:01

Autumn

It's just funny

09 Jun 2017 11:01

Me

09 Jun 2017 11:02

Autumn

Because it's true. When I'm with Amanda for example or all the girls together especially bad we're saying a story...there's just so much ridiculousness that guys don't give ya

09 Jun 2017 11:02

Autumn

*And** not bad*

09 Jun 2017 11:03

Me

I know that's because it's never enough!

09 Jun 2017 11:12

Autumn

09 Jun 2017 11:13

Autumn

*I call a patient in CA at 9 AM our time not realizing it's
6 AM their time. Let's say that he did not hesitate to let

09 Jun 2017 11:14

Autumn

09 Jun 2017 11:14

Me

Me

09 Jun 2017 12:02

Autumn

Like "activity fee" is one thing we pay yearly, still don't know what that is

09 Jun 2017 12:02

Me

09 Jun 2017 12:03

10 Jun 2017 20:37

Me

She would knit me a sweater and I'd wear it and get all cosy

10 Jun 2017 20:38

Me

I'd hear her rumbling through the kitchen, I'd hear the sound of the bowl banging on to the counter, I knew the sound of that bowl anywhere, and when I would hear it, I knew my favorite dessert was coming.

Me

Wouldn't it help knowing about your period though

11 Jun 2017 16:58

Autumn

Yea maybe

Babe lol

11 Jun 2017 19:20

Autumn

Hoarding calories

11 Jun 2017 19:20

Me

*I'm not sure if the protein just cooked well or the 10g of
sugarfree chocolate pudding helped with the great
texture it got.*

11 Jun 2017 19:23

Me

*I added it cuz I have no cocoa and cuz it was kinda
watery. Slipped*

11 Jun 2017 19:23

Me

*Gonna keep that up though. The whole brownie batch
has 47g protein and only 7g fat. Like how the hell. And
how come they can't create this*

11 Jun 2017 19:24

Me

Maybe it's too pricey and/or shelf life issues idk

Autumn

Who do you mean "they" ??

Autumn

This is a research paper I've been working on for the past 2 semesters. Every time I turn in a draft he gives me like 400 comments and things to revise

13 Jun 2017 18:02

Me

You get to better yourself I guess though.

13 Jun 2017 18:04

Me

You'll be able to stomp my reasoning through our whole marriage

13 Jun 2017 18:05

Me

13 Jun 2017 18:05

Autumn

Yes I think it's beneficial and good learning experience but GD this man is PARTICULAR if I ever seent it

13 Jun 2017 18:05

Me

Lol

13 Jun 2017 18:06

Autumn

Like everything seems good/sounds good/solid/etc and he'll go into a source that I cite and read the whole study, find some methodological flaw or limitation and then ask me why I cited and used that source lol

13 Jun 2017 18:06

Me

Lol he's sees potential and challenges you

13 Jun 2017 18:07

Autumn

Like idfk or remember it seemed sound at the time. So like half the battle with him is really examining research and making sure it's going to be up to his standards

13 Jun 2017 18:07

Autumn

He actually gave me this random talk the other day.. I'll tell you later

13 Jun 2017 18:08

Me

I see

13 Jun 2017 18:08

Autumn

But yes he's taught me to be even more analytical and thorough when reading and interpreting research so overall I'm thankful

13 Jun 2017 18:09

Me

There you go. Though I'm sure it's still tough to feel you did your best and boom boom boom

13 Jun 2017 18:10

Autumn

And yes I'll forever keep hitting you with that logic and reason babe you know thissssss

13 Jun 2017 18:11

Autumn

Until the end

13 Jun 2017 18:11

Me

Hmph

13 Jun 2017 18:11

15 Jun 2017 12:20

Autumn

Sorry you didn't sleep well. That's weird because literally it was the same for me. I kept dreaming about this GD exam and then waking up feeling panicked

15 Jun 2017 12:21

Autumn

The dreams were that I was taking the exam and failing or something like that every time. It was tormenting me!!

15 Jun 2017 12:21

15 Jun 2017 14:12

Me

I'm out at the same time

15 Jun 2017 14:14

Autumn

Oh I guess you're gonna teleport from work to home to the gym then

15 Jun 2017 14:14

Me

By the time I'm dressed and stuff it would be around the same time unless you decide to hang out longer with your dog

15 Jun 2017 14:14

Me

And if that's the case. I'll go and see you in a half hour or whenever. I'll be doing cardio staying longer than you anyhow

15 Jun 2017 14:15

Autumn

You should want to see me not make it seem like it would be an inconvenience

15 Jun 2017 14:15

Me

Of course I want to see you. Dummy

15 Jun 2017 14:16

Babe

15 Jun 2017 15:20

Autumn

Look at this happy sweetheart

15 Jun 2017 15:23

Autumn

There's no reason why we can't put shit aside to leave on a good note with each other. Idk how you're ok with that

15 Jun 2017 18:31

Me

Three times I went to hold you and you were cold about it

15 Jun 2017 18:32

Autumn

You know how they say don't go to sleep mad, I see this the same way. It would take all of one minute to say I love you to each other like we truly mean it and move on.. that's all it takes

15 Jun 2017 18:36

Me

Did I not do that?

15 Jun 2017 18:38

Autumn

Idk Jason. I know that when I'm not with you, I'm thinking of you and always looking froward to seeing you. I guess when that's not reciprocated, for whatever reason, it's hard for me

15 Jun 2017 19:01

Autumn

I've noticed a few instances where it's happened the past few days. It's not realistic that we're both happy go lucky all the time so I understand. I feel that I've tried to overlook those times but it does get to a point where I can't be understanding and frustration prevails

15 Jun 2017 19:04

Autumn

*I just wanted to express all the love I have for you and for you to know how much I miss you, especially when we don't see each other for a day or whatever. But then when I feel like I have to hold back if it's not reciprocated you know? Anyway I'll stop.. I'm sorry you're hungry/stressed/tired/ whatever it is. I love you
Jason*

15 Jun 2017 19:10

Me

Baby, remember the few times you were stressed out and I was trying to make you feel better and massage you and take care of you or try to calm you down. Remember I took it personal when you didn't respond the way I hoped, or at least it seemed that way, and I felt you weren't being considerate with my visit.

15 Jun 2017 19:19

Me

I guess it's similar to that. You're my everything babe and I feel bad for making you feel that I am not loving you or anything like that, or being mean.

15 Jun 2017 19:20

Me

No way, ever, eva eva eva eva..will I just stop loving you like that.

15 Jun 2017 19:22

Autumn

I remember.. that's not what I felt or intended to make you feel but yes I understand the comparison

15 Jun 2017 19:23

Me

You asking me whether or not I love you is a little insulting sometimes. Though I know it's not coming from the same place each time you say it, sometimes cuz you wanna hear it and sometimes cuz your really serious and I hate to be the one to have you questioning that

15 Jun 2017 19:24

Autumn

Ok babe that's all I need to hear

15 Jun 2017 19:24

Autumn

Sorry.. you know most of the time I'm just asking being silly and cause I like to hear you say it

15 Jun 2017 19:25

Me

15 Jun 2017 19:25

Me

Cutie

16 Jun 2017 07:27

Me

Bad weird? Or good

16 Jun 2017 07:28

Autumn

Odd, like we were doing things separately. Something about you were with some people and then I was with a different group of people... and we were planning to see each other after but we were both being sandy toward each other like annoyed I guess, likely because of what was going on but we weren't saying it was that directly. So we were just indirectly being sandy toward each other

16 Jun 2017 07:31

Autumn

Then I woke up

16 Jun 2017 07:31

Me

I'd say that's bad

16 Jun 2017 07:32

Autumn

Yea

16 Jun 2017 07:32

16 Jun 2017 07:32

Black one with the three gold shades?

16 Jun 2017 17:45

Autumn

that's the one I was thinking

16 Jun 2017 17:45

Autumn

But also I like the other one, second from the right

16 Jun 2017 17:46

Autumn

that was is LED

16 Jun 2017 17:46

Autumn

I'm trying to find the brightest possible light. I'm reading online, apparently LED isn't necessarily the way to go

16 Jun 2017 17:46

Me

Led is OK, not as hot or energy consuming but Yea regular bulbs are easier on the eye

16 Jun 2017 17:47

Autumn

But that's a lot of space to light. There's literally no lighting in that room

16 Jun 2017 17:48

Me

Leds usually have this hue to them and shadows are a lil weird

16 Jun 2017 17:48

Me

The regular one is good I'm saying

16 Jun 2017 17:49

Autumn

I know

16 Jun 2017 17:49

Autumn

I'm saying that idk if that's going to be bright enough

16 Jun 2017 17:50

Me

You're saying you don't think any is gonna work lol

16 Jun 2017 17:51

16 Jun 2017 17:52

Autumn

I'm not talking about work/not work

16 Jun 2017 17:52

Autumn

18 Jun 2017 16:11

Me

Idk

18 Jun 2017 16:11

18 Jun 2017 21:47

Fat free slices worked best. They crisped up more

18 Jun 2017 21:53

Me

I think thinner works better if it was fattier

18 Jun 2017 21:54

Me

Or more time to cook/burn

Me

And do you miss me?

19 Jun 2017 18:55

Autumn

Sometimes he's too radical and has 0 tact

19 Jun 2017 18:58

Autumn

I'll tell you but you didn't tell me yet

19 Jun 2017 18:59

Me

No such thing. Who cares what people think

19 Jun 2017 18:59

Autumn

That's not the point though

19 Jun 2017 18:59

Autumn

Being radical has nothing to do with what people think

19 Jun 2017 18:59

Autumn

I'm saying his ideas are too radical for my liking

19 Jun 2017 18:59

Me

And it doesn't matter lol

19 Jun 2017 19:00

Autumn

And as far as tact, there's an art to communication so yes that's an important piece. In my opinion..

19 Jun 2017 19:00

Autumn

What I think doesn't matter?

19 Jun 2017 19:00

Autumn

It's my opinion

19 Jun 2017 19:00

Me

Nvm

19 Jun 2017 19:00

Me

Anyway

19 Jun 2017 19:00

Me

If you miss me.. Tell me

19 Jun 2017 19:01

Autumn

That's not my question

19 Jun 2017 19:02

Autumn

You don't have to be obstinate, btw

19 Jun 2017 19:02

Autumn

Remember the "p" word babe

19 Jun 2017 19:02

Autumn

Be pleasant, damn

19 Jun 2017 19:02

Me

19 Jun 2017 19:08

Autumn

19 Jun 2017 19:59

Autumn

I don't want to be in this space

19 Jun 2017 20:00

19 Jun 2017 20:03

Autumn

I have to wake up early

19 Jun 2017 20:03

Me

Some body put a note in my car

19 Jun 2017 20:03

Me

Ok

19 Jun 2017 20:03

Autumn

What kind of note

19 Jun 2017 20:03

Me

Don't worry about it then

19 Jun 2017 20:03

Me

Must of been at the gym

19 Jun 2017 20:04

Autumn

Saying what?

19 Jun 2017 20:04

Autumn

....

19 Jun 2017 20:06

Me

Now I do not have this person's number.

19 Jun 2017 20:06

Autumn

I don't get it

19 Jun 2017 20:07

Autumn

Sure

19 Jun 2017 20:08

Me

*I don't. I remember getting a business card long ago.
At first I didn't realize wtf I was reading*

19 Jun 2017 20:09

Autumn

You obviously know who it's from

19 Jun 2017 20:10

Me

*All I did was like a few times give advice on some issue
with her father and with Jorge talked about nasa*

19 Jun 2017 20:10

Me

I know but at first I'm like wtf is this

19 Jun 2017 20:10

Me

How the fuck she even knew my car

19 Jun 2017 20:11

Autumn

So do you think you should reach out to this person

19 Jun 2017 20:11

Me

*Curious but I wouldn't like to get into that, seems like a
distress thing.*

19 Jun 2017 20:13

Me

*Like don't you have other friends or fam to
communicate with*

19 Jun 2017 20:13

Me

Why me.. Nope

19 Jun 2017 20:13

Autumn

Sometimes people don't

19 Jun 2017 20:13

Autumn

*And also indicates some other type of tendencies which
can be concerning*

19 Jun 2017 20:14

Me

I sure don't either but I keep it to myself

19 Jun 2017 20:14

Autumn

You don't??

19 Jun 2017 20:14

Autumn

Oh

19 Jun 2017 20:14

Me

I don't run to anyone with my issues I mean

19 Jun 2017 20:15

Autumn

Whatever

19 Jun 2017 20:15

Me

That's weird.

19 Jun 2017 20:16

Autumn

Yes if you talk to someone a couple times and then they reach out to you in that manner...odd

19 Jun 2017 20:17

Autumn

But there's 2 sides to every story

19 Jun 2017 20:17

Autumn

So whatever, do what you're gonna do about it

19 Jun 2017 20:17

Autumn

Btw I'm not saying not to reach out to her if that's what you think is appropriate but lmk if you do.

19 Jun 2017 20:24

Me

Huh

19 Jun 2017 20:25

Autumn

What are you confused about

19 Jun 2017 20:25

Me

I'm not reach out for a few reasons one is that I don't want to and even if I did I don't have her number

19 Jun 2017 20:26

Autumn

Ok

19 Jun 2017 20:28

Autumn

Didn't mean to hang up

19 Jun 2017 22:49

Autumn

Happy 7 months babe love you

19 Jun 2017 22:51

Autumn

20 Jun 2017 08:49

Me

20 Jun 2017 08:50

Me

You can see it when I talk or smile

20 Jun 2017 08:50

Autumn

You're busted up

20 Jun 2017 09:00

Autumn

Hungry boi problems

20 Jun 2017 09:01

Autumn

20 Jun 2017 11:41

Autumn

How are you

20 Jun 2017 11:41

Me

*I had mine like that for a while. Made it feel like a kid

20 Jun 2017 12:05

Me

I'm good baby, just sleepy, even though I slept enough

20 Jun 2017 12:06

Me

What's the details on your vision

20 Jun 2017 12:06

Autumn

20 Jun 2017 12:24

Autumn

*I didn't order new frames, didn't really like any they
had plus I think I can get it cheaper at another optical
place*

20 Jun 2017 12:24

Me

My baby has ocular degeneration

20 Jun 2017 12:25

Autumn

Pretty much

20 Jun 2017 12:30

Autumn

Possibly the greatest nail color I've ever had

20 Jun 2017 12:36

Me

Go green dude

20 Jun 2017 12:40

Autumn

It's called "olive or green" lol

20 Jun 2017 12:40

Autumn

Love it or love it?

20 Jun 2017 12:40

Me

Looks cool

20 Jun 2017 12:41

Me

A darker green would work nicely too

20 Jun 2017 12:42

Autumn

So you don't like it

20 Jun 2017 12:42

Autumn

Anyway

20 Jun 2017 12:43

Autumn

Why are you always not rested enough?

20 Jun 2017 12:43

Me

I do love it but I can visualize darker now

20 Jun 2017 12:43

Autumn

My selection isn't good enough for ya

20 Jun 2017 12:44

Me

*Cuz 2x2 with high intensity... Aka 95% of Max effort..
How can I not*

20 Jun 2017 12:45

Me

Probably 98%

20 Jun 2017 12:45

Autumn

Baby werkin

20 Jun 2017 12:48

Me

*Drained. Even though it was heavier it was still easier
than last week 3x3 . Tomorrow is easy and Friday is
testing the maxes. More death. Than deload*

20 Jun 2017 12:49

Me

Then gotta get my grammar on track*

20 Jun 2017 12:49

Me

When are you gonna put those pretty hands on me baby

20 Jun 2017 12:50

Autumn

Who you working so hard for babe

20 Jun 2017 12:53

Autumn

Soon

20 Jun 2017 12:53

Autumn

*Making some breakfast then going to the mall to see if I
can find something to wear tomorrow. I literally have
nothing to wear*

20 Jun 2017 12:54

Autumn

Then going to the gym, didn't make it this morning

20 Jun 2017 12:54

Me

Myself

20 Jun 2017 12:56

Me

I better see how that outfit looks

20 Jun 2017 12:57

Autumn

That was the right answer

20 Jun 2017 12:57

Autumn

I've had no appetite today so I didn't eat earlier before my appt. Still not hungry but figured I should eat something before going to the mall and what not...

20 Jun 2017 12:58

Autumn

And just threw it up

20 Jun 2017 12:58

Me

And I hope we see each other at the gym

20 Jun 2017 12:58

Me

Just threw up?

20 Jun 2017 12:58

Autumn

Yea

Autumn

20 Jun 2017 13:27

Autumn

When I see you

20 Jun 2017 13:28

Me

I may have been a little mean on it but I felt the same way about wanting the kiss. There are times I give in but I just didn't want to yesterday

20 Jun 2017 13:28

Autumn

You weren't giving in, I definitely wasn't, so neither of us got what we wanted

20 Jun 2017 13:29

20 Jun 2017 14:17

Me

I like white

20 Jun 2017 14:17

Me

But orange will stimulate the audience lol

20 Jun 2017 14:18

Autumn

That's blue and white stripes

20 Jun 2017 14:18

Autumn

And that second one is like a pinkish orange

20 Jun 2017 14:18

Me

The white is nice for going out too

20 Jun 2017 14:19

Autumn

Yea that's what I was thinking

20 Jun 2017 14:19

Autumn

I wish they had the second in another color

20 Jun 2017 14:20

Me

Orange is nice too though

20 Jun 2017 14:20

20 Jun 2017 14:23

Autumn

Ok fine

20 Jun 2017 14:23

Autumn

Just made me get out of line to go back

20 Jun 2017 14:23

Autumn

I was telling you it's not just so you don't base your decision on the fact that you think it's white lol

20 Jun 2017 14:24

Me

It shows your shape more

20 Jun 2017 14:26

Me

Fits tighter

20 Jun 2017 14:26

Autumn

Well I'm not there to show off my figure babe!!!

20 Jun 2017 14:27

Me

I know that but you don't wanna go in a ballon

20 Jun 2017 14:27

Me

20 Jun 2017 14:27

Autumn

Smh

20 Jun 2017 14:28

Autumn

20 Jun 2017 14:28

Me

*IDK babe cuz they are both nice. You look nice in a
ballon*

20 Jun 2017 14:28

Autumn

Good thing I'm opting for the first

20 Jun 2017 14:28

Me

No you don't look fat

20 Jun 2017 14:28

Autumn

Hate you

20 Jun 2017 14:28

Me

Autumn

20 Jun 2017 14:29

Autumn

20 Jun 2017 14:29

Me

20 Jun 2017 14:29

Me

Not til 3 cuz I came in late

20 Jun 2017 14:30

Autumn

Yea it could double as classy or more fun

20 Jun 2017 14:32

Me

You'll stick out more in the orange though

20 Jun 2017 14:34

Autumn

I'm not going back, I'm next in line lol

20 Jun 2017 14:35

Autumn

Are you changing your mind

20 Jun 2017 14:36

20 Jun 2017 14:37

Autumn

*I asked their return policy in case I decide I want my \$

20 Jun 2017 14:38

Me

Women and their returns

20 Jun 2017 14:38

Autumn

20 Jun 2017 14:39

Autumn

*You can't go to the same store or location too much but
aside from that, no issues*

20 Jun 2017 14:45

Autumn

Good babe

23 Jun 2017 09:40

Me

23 Jun 2017 09:41

Me

Super compensation time

23 Jun 2017 09:41

Autumn

What does that mean?

23 Jun 2017 10:22

Me

When you do a planned over reaching phase (more workload than your body can handle) and then back off (deload) for recovery

23 Jun 2017 10:30

Me

Your body super compensates /adapts

23 Jun 2017 10:31

Autumn

Gotcha

23 Jun 2017 10:31

Autumn

23 Jun 2017 10:31

Me

If done right. And also the lighter workloads for the week not only aid in recovery in way of connective tissue but glycogen compensation too

23 Jun 2017 10:32

Me

And still training the motor patterns will aid recovery and stimulate a little growth too

23 Jun 2017 10:33

Me

Basically the body grows/heals/adapts

23 Jun 2017 10:33

Autumn

I see what you're saying

23 Jun 2017 10:33

Autumn

Didn't understand the term for that but yes the concept

25 Jun 2017 19:34

Autumn

25 Jun 2017 19:44

Autumn

I guess what I'm getting at comes down to security

25 Jun 2017 19:45

Autumn

Yes, it's a change that will likely make things a little bit harder to see each other but in the grand scheme of things this shouldn't be make it/break it

25 Jun 2017 19:46

Autumn

Idk my stomach just hurts. Feel nauseous

28 Jun 2017 20:09

Autumn

Why can't it be predictable and get it all over with in one shot

28 Jun 2017 20:09

Autumn

It's also annoying because I feel like I repeat these same complaints every time I get it

28 Jun 2017 20:10

Me

You do repeat the same complaint lol

28 Jun 2017 20:11

Me

29 Jun 2017 00:21

Me

As we thought

29 Jun 2017 00:23

Autumn

So remember how I said last night when I talked to Amanda on the phone when she was half asleep and mentioned something about she made me a key... I was confused because last we spoke we talked about how I need to make a key and I even told her while she was in Spain that I made a bunch of copies. Well then she was texting me later once she was up and going home and she was saying I have an extra key for you, I think you're going to like it, it's going to be great for me, etc and I was just like wth is she talking about?? Lol a key is a key no?

29 Jun 2017 07:14

Autumn

I guess she made it before she left but wasn't telling me lol. This girl had me thinking she was half coherent talking about "I think you're going to like this new key"

29 Jun 2017 07:15

Autumn

*Tired af, pretty sure I slept like 45 min total but hey,

29 Jun 2017 12:43

Autumn

I showed you it before at home

29 Jun 2017 12:43

Me

I'd have to eat 4 patties at least!

29 Jun 2017 12:45

Autumn

They're surprisingly pretty filling

29 Jun 2017 12:47

Me

For you

29 Jun 2017 12:47

Autumn

I think it's like 0.5 f, 4 c, 13 p for one

29 Jun 2017 12:47

Autumn

So go ahead, eat 4 of them lol

29 Jun 2017 12:47

Autumn

Probably the best ones I've found in terms of protein

29 Jun 2017 12:48

Autumn

Fat too

29 Jun 2017 12:48

Autumn

And taste

29 Jun 2017 12:48

Me

I wanna make chic pea burgers

29 Jun 2017 12:48

Me

And throw in unflavored whey as a binder with bread crumbs too

29 Jun 2017 12:49

Me

Or flavored so or pea or brown rice to really out the dairy

29 Jun 2017 12:50

Me

*Animals**

29 Jun 2017 12:50

Autumn

Sounds good. Make me some

29 Jun 2017 12:51

Autumn

How much protein in a serving?

29 Jun 2017 12:59

Me

Same as whey servings

29 Jun 2017 12:59

Me

Was looking at buying both separate

29 Jun 2017 13:02

Autumn

You're getting it?

29 Jun 2017 13:04

Me

Some day lol. Soon maybe

29 Jun 2017 13:05

Autumn

Wonder how the taste is

29 Jun 2017 13:10

Me

Brown rice usually gets bad taste reviews so does pea.

Lol

29 Jun 2017 13:12

Me

But occasionally there are winners in taste.

29 Jun 2017 13:12

Autumn

I guess it doesn't matter as much if you're putting it in something like a burger

29 Jun 2017 13:13

Autumn

Different than drinking it alone or in a shake

29 Jun 2017 13:13

Me

True

29 Jun 2017 13:13

Me

Might be a life changer

29 Jun 2017 13:14

Me

Stock up. Who knows how long they will sell it for. For awhile they stopped selling pb2. Everyone always ask wtf it is and I don't think it's that popular. I think they sell to me only

29 Jun 2017 13:19

Me

Yea, back says "sell only to jason"

29 Jun 2017 13:20

Autumn

Really

29 Jun 2017 13:21

Autumn

I've seen a lot of people use it

29 Jun 2017 13:21

Autumn

Not to the extent you do maybe lol

29 Jun 2017 13:21

Autumn

So is that heart for me or the pb2

29 Jun 2017 13:21

Me

These lots of people you speak of are not the average

29 Jun 2017 13:21

Autumn

29 Jun 2017 13:22

Me

Me

I love you.

29 Jun 2017 13:37

Me

29 Jun 2017 13:38

29 Jun 2017 15:54

Me

29 Jun 2017 15:56

Autumn

Finally saw Amanda lol we got to discuss our terms and conditions as roommates

29 Jun 2017 16:24

Autumn

She's funny

29 Jun 2017 16:24

Me

Nice nice

29 Jun 2017 17:03

Me

What are the terms

29 Jun 2017 17:03

Me

"Sex is fine as long as it doesn't wake me" type of terms

29 Jun 2017 17:04

Autumn

Lol actually that didn't come up

29 Jun 2017 17:12

Autumn

Like just little things. She's like be patient with me I've never had a roommate besides family and I know I'm particular and like things my way so please tell me if I'm obnoxious. We were just talking about little things like which dates the bills are due, who will buy TP, soap, stuff like that. I told her it really isn't usually an issue...in the past with roommates I've never had a schedule of who will clean/do things, we kinda just cleaned as we went with our day

29 Jun 2017 17:14

Autumn

But she told me a few of her pet peeves (hair sticking to the floor or shower wall) lol and asked if there's anything that she may do that's gonna drive me crazy

29 Jun 2017 17:14

Me

Most of that will just come up on their own

29 Jun 2017 17:21

Me

Talk about it as it happens. Cuz is there anything you can think of that would bother you?

29 Jun 2017 17:22

Autumn

Not off the top of my head because I know she's tidy and clean. Otherwise that's the stuff that would aggravate me

29 Jun 2017 17:25

Me

The shower hair thing does bother me lol

29 Jun 2017 17:27

Autumn

But little things we talked about that are important. Like what to do about common things we both use. We basically said I buy one, you buy the next and agreed that it's totally ok to bring it up if one of us feels like we're doing more than the other. That's what I want so I'm glad we addressed that it doesn't have to be awkward to address that stuff

29 Jun 2017 17:28

Autumn

Yea lol and that's an issue with 2 girls who have long hair

29 Jun 2017 17:28

Autumn

In other news:

29 Jun 2017 17:30

Autumn

I can't with these 2 guys behind me vlogging at the gym

29 Jun 2017 17:31

Autumn

I'm definitely in the background making annoyed faces more than once

29 Jun 2017 17:31

Me

Why entertain em

29 Jun 2017 17:48

Me

Making friends

29 Jun 2017 17:49

Autumn

It's annoying because the person filming keeps walking behind the other guy to film him and that's in my way

29 Jun 2017 17:50

Autumn

What did I say that suggested I was entertain it or even anything less than annoying by it

29 Jun 2017 17:51

Me

Cuz if you did that I'd find it funny as well and interact

29 Jun 2017 17:52

Autumn

Lol

29 Jun 2017 17:55

29 Jun 2017 18:55

Autumn

You have a nice complexion

29 Jun 2017 18:55

Autumn

You're not like a vampire white and you're also not really tan. I like how your skin is more on the fair side in contrast to your dark hair

29 Jun 2017 18:56

Me

Lol I can be vampire pale if for sure

Me

I'm not saying it is what you think I think lol

29 Jun 2017 19:40

Autumn

You're placing some superficial value on a simply cute video I sent you

29 Jun 2017 19:40

Autumn

So what did you mean by your first response? Help me understand

29 Jun 2017 19:41

Autumn

Why go to a superficial level

29 Jun 2017 19:41

Me

I'm just seeing that X is getting views for X.

29 Jun 2017 19:41

Me

And or followers W. E

29 Jun 2017 19:42

Autumn

No that's assumptions you're making

29 Jun 2017 19:42

Autumn

There's no truth to that and how would you even begin to try to prove it

29 Jun 2017 19:42

Autumn

Forget whatever so and so is doing. Focus on the fact that I sent you a cute video with a positive message attached and you just had to make it superficial and be cynical about it. That's what I'm talking about here

29 Jun 2017 19:44

Autumn

*Rather than going with the topic at hand-cute cows-
why turn it into something negative*

29 Jun 2017 19:44

Me

It's not negative. You're saying it is

29 Jun 2017 19:44

Autumn

Just to kill the vibe

29 Jun 2017 19:45

Me

Autumn

I think she was trying to make that with that thing I gave you a week or two ago

06 Jul 2017 20:48

Hi babe. How are you

09 Jul 2017 15:49

Autumn

Are you mad or something at me? Based on the phone call earlier it seemed like it

09 Jul 2017 15:50

Me

I was a little annoyed and also cranky

09 Jul 2017 15:59

Autumn

Annoyed about

09 Jul 2017 16:02

Me

You being close by and not wanting to see me

09 Jul 2017 16:09

Me

That's like me being around your area and not checking up

09 Jul 2017 16:09

Autumn

Babe I text you several times

09 Jul 2017 16:09

Me

Or even knowing

09 Jul 2017 16:09

Autumn

And called you to see if you were going to the gym

09 Jul 2017 16:09

Me

You didn't let me know though. I was in and out of sleep. Maybe if I would have seen that during a wake up I'd wake up

09 Jul 2017 16:11

Me

09 Jul 2017 16:13

Autumn

09 Jul 2017 16:15

Me

No

09 Jul 2017 16:15

Autumn

Ok well that's how I understood what you just said

Autumn

Sounds like what you just said

09 Jul 2017 16:16

Me

It would be nice to see regardless

09 Jul 2017 16:16

09 Jul 2017 16:17

Autumn

Idk babe

09 Jul 2017 16:17

Me

W. E then

09 Jul 2017 16:17

Autumn

Idk how I would know that prior to this conversation

09 Jul 2017 16:17

Autumn

And it still sounds like your decision to respond to my message depends on what I text you

09 Jul 2017 16:18

Autumn

Anyway

09 Jul 2017 16:18

Autumn

Is that a frog

09 Jul 2017 16:29

Autumn

Good morning baby

12 Jul 2017 07:30

Autumn

So apparently my laptop has been lost/stolen, as I was beginning to suspect

12 Jul 2017 08:35

Me

Wtf

12 Jul 2017 09:07

Me

Does it say delivered

12 Jul 2017 09:07

Autumn

They said that it was scanned into the Hollywood office but I guess never made it onto the truck so it must've been picked up off the counter or perhaps taken by an employee who knows

12 Jul 2017 09:13

Me

I've had a package stay at Hollywood for a few days wondering why the fuck it hasn't gotten to me. But if you say they said that then ok

12 Jul 2017 09:16

Autumn

Yes the guy called me and told me this

12 Jul 2017 09:17

Me

That means you're covered though. They should send you a new one.

12 Jul 2017 09:17

Me

The employee must have known what it was. They need discreet packaging

12 Jul 2017 09:17

Autumn

It literally says Apple on the box

12 Jul 2017 09:18

Me

What an ass to steal it

12 Jul 2017 09:20

Me

*For stealing it**

12 Jul 2017 09:22

Me

You mad about it?

12 Jul 2017 09:23

Autumn

Well it could have been picked up off the counter or misplaced who knows

12 Jul 2017 09:24

Autumn

I'm annoyed it's taking so long but whatever

12 Jul 2017 09:24

Autumn

*Thankfully I have Mel's charger to use in the meantime
and mine still works just super slow*

12 Jul 2017 09:24

Me

*I think the employee would know if it's safe or not to
take.*

12 Jul 2017 09:25

Me

*And knows it would be covered. Why would they have it
on the counter? And how could a customer just grab it
without being seen*

12 Jul 2017 09:26

Me

Sooooo

12 Jul 2017 09:26

Autumn

Idk Jason

12 Jul 2017 09:28

Autumn

*I don't care to think about all the possible things that
could have happened. I know it hasn't been delivered
and that I'm still waiting on t*

12 Jul 2017 10:16

Me

12 Jul 2017 10:17

Me

Fine, here at work in a meeting

13 Jul 2017 08:28

Autumn

I just scheduled an appt at Americas Best for an eye exam. Have you heard of them or been there

13 Jul 2017 08:28

Me

Oooo early meeting.

13 Jul 2017 08:28

Me

I've heard of them. Never been

13 Jul 2017 08:29

Autumn

Everyday from 8:30-9:30

13 Jul 2017 08:29

Autumn

Oh ok. My mom said they're pretty affordable. Idk if she's been

13 Jul 2017 08:29

Autumn

Annoying that I'm doing this shit again but I need contacts like yesterday

13 Jul 2017 08:29

13 Jul 2017 09:00

Autumn

Merp

13 Jul 2017 09:01

Me

Atta girl

13 Jul 2017 09:19

Autumn

Really? What makes you think so

13 Jul 2017 09:19

Me

Being terribly bad at math lol

13 Jul 2017 09:19

Autumn

Hm

13 Jul 2017 09:20

Me

*I've always known of the disability but I was showing
moms*

13 Jul 2017 09:20

Autumn

*What about working memory? Like holding things in
memory*

13 Jul 2017 09:21

Me

*Even as a kid, drilling it into my head with those math
games and all that... Pfff*

13 Jul 2017 09:21

Autumn

*Then using it later for to make decisions or reason with
it*

13 Jul 2017 09:21

Me

I'm sure my memory is good

13 Jul 2017 09:21

Autumn

Ok

13 Jul 2017 09:21

Autumn

I'm just asking if you notice difficulties with those kinds of tasks as well

13 Jul 2017 09:22

Autumn

Because those processes are related

13 Jul 2017 09:22

Me

Only remembering math rules lol

13 Jul 2017 09:22

Autumn

So usually issues with one is associated with issues with the other

13 Jul 2017 09:22

Autumn

Interesting

13 Jul 2017 09:26

Me

Oh I sent the wrong snap

13 Jul 2017 09:26

Me

That's what I meant to send.

13 Jul 2017 09:27

Autumn

I was just going to say it sounds more like a specific learning disorder more than anything else

13 Jul 2017 09:28

Me

Time measurement is normal and special reasoning is OK with me (somewhat) though.

13 Jul 2017 09:30

Autumn

Right so if there's no difficulty with that group of processing overall it could be a specific learning problem

13 Jul 2017 09:32

Autumn

But also there could be difficulties you're unaware of. There's neurological assessments for that

13 Jul 2017 09:32

Me

I've heard of others being bad at math yet pretty good in physics though. Must be cuz it actually catches my attention and it was fun to learn rules/laws. I was good at it lol

13 Jul 2017 09:33

Autumn

I have access to a lot of them through my school. I could check them out and do them with ya for a fun activity

13 Jul 2017 09:33

Me

Catch me on a day when I have enough glucose in my brain lol

13 Jul 2017 09:34

Autumn

13 Jul 2017 09:35

Autumn

I'm jk I don't think we should do that

13 Jul 2017 09:35

Me

13 Jul 2017 09:35

Me

Oye mami

13 Jul 2017 09:43

Me

Te amo

13 Jul 2017 09:43

Autumn

Besos

13 Jul 2017 09:55

Me

IDK if is the tan or diet or both. Cuz I kinda dipped to 1800 the past 3 days. Looking cray today

13 Jul 2017 11:55

Me

Could of been the Oreo cereal lol

13 Jul 2017 11:55

Autumn

Why you always slashing cals like that

13 Jul 2017 12:08

Me

I didn't do cardio

13 Jul 2017 12:09

Autumn

13 Jul 2017 12:09

Me

My cals with cardio hit around 1900-2000 with a refeed a week.

13 Jul 2017 12:10

Me

One refeed week of like 2400

13 Jul 2017 12:10

Me

It's not all that bad. My body needed a little push. Now I'll go back to 1850-1900 or so

13 Jul 2017 12:11

Me

Ranges

13 Jul 2017 12:11

Autumn

But I'm wondering how long you're trying to "undereat"

13 Jul 2017 12:11

Me

Anyway. I eat around 2300 sometimes more. I just off set with cardio. It barley was a push

13 Jul 2017 12:11

Me

Eventually it will be maintenance calories at that weight anyway. With maybe 150 calories worth of carbs extra. That's my low metabolism lol nothing I can do to increase it unless my tdee is increased.

13 Jul 2017 12:13

Autumn

I hear you but what I'm asking is when

13 Jul 2017 12:14

Autumn

I feel like you've been slashing calories since we met so that's at least 8 months

13 Jul 2017 12:14

Me

That's fine though. It's been steady. I haven't been slashing

13 Jul 2017 12:15

Me

Just adding cardio little by little

13 Jul 2017 12:15

Me

Sometimes all you need is 50cals to "slash" and things start moving

13 Jul 2017 12:16

Autumn

Would you say it's little by little

13 Jul 2017 12:16

Me

I've been doing less cardio so that's a form of adding in calories

13 Jul 2017 12:17

Autumn

It's not like you do one session/week babe lol

13 Jul 2017 12:17

Autumn

Yes

13 Jul 2017 12:17

Me

Yes lol I started with like 1 day then 2 days then 3 then every day for a bit or maybe 5 or 6x

13 Jul 2017 12:17

Autumn

I guess idk because I don't see you at the gym as much

13 Jul 2017 12:17

Me

I haven't been doing as much

13 Jul 2017 12:17

Me

Poverty macros

13 Jul 2017 12:18

Me

Saw them on Amazon fresh lol

13 Jul 2017 12:19

Me

Amazon sells food and delivers now if you did know

13 Jul 2017 12:19

Me

Didntk

13 Jul 2017 12:19

Autumn

I know I've told you one hundred times but... don't you think you'd do well at maintenance calories. Forget tons of cardio, maybe one or two sessions a week and forget dropping calories low for days at a time then probably being hungry af, eventually eating more than you wanted and repeating the whole cardio/slash calorie cycle

13 Jul 2017 12:21

Autumn

That whole message was so grammatically incorrect lol but you know what I'm trying to say

13 Jul 2017 12:21

Me

I'm not hungry af

13 Jul 2017 12:21

Autumn

Yea I heard that but didn't know it was in effect

13 Jul 2017 12:21

Autumn

Ok babe

13 Jul 2017 12:22

Me

I want to start doing football drills and conditioning stuff like once a week so cals will increase on those days. I'll have two high days, we'll enoughbto satisfy cravings or hunger. In terms of energy, I'm getting enough though right now for the goals.

13 Jul 2017 12:23

Me

It's the psychological side of things. and high palatable, high calorie foods that Fuck things up.

13 Jul 2017 12:25

Me

How can you not over eat chex mix

13 Jul 2017 12:25

Autumn

Well don't buy it is one way but that's not realistic or a balanced approach to food/eating/life/etc

13 Jul 2017 12:26

Autumn

Avoiding it or not buying it is just white knuckling it or putting a band aid over the real issue

13 Jul 2017 12:26

Autumn

When you're sufficiently nourished you're wayyyy less likely to overeat

13 Jul 2017 12:26

Me

Right. Nourishment includes volume foods too though.

13 Jul 2017 12:27

Autumn

Yes

13 Jul 2017 12:27

Me

4 oreos Vs 4 servings of anything else really.... Balance

13 Jul 2017 12:29

Autumn

Are you on the same page as me or still refuting and arguing every point I make

13 Jul 2017 12:29

Autumn

Lol

13 Jul 2017 12:29

Me

Babe I get it

13 Jul 2017 12:30

Autumn

13 Jul 2017 12:31

Me

I've bulked and cut since I was 21 lol

13 Jul 2017 12:31

Autumn

There's my point exactly

13 Jul 2017 12:31

Me

Only it's not as crazy and still some experimenting involved

13 Jul 2017 12:31

Autumn

There it is

13 Jul 2017 12:32

Me

I'm saying I know what I'm doing lol

13 Jul 2017 12:32

Autumn

My poor

13 Jul 2017 12:32

Autumn

Point

13 Jul 2017 12:32

Autumn

It's there

13 Jul 2017 12:32

Autumn

I know you're saying it as "I know what I'm doing"

13 Jul 2017 12:32

Autumn

I'm saying it as

13 Jul 2017 12:32

Autumn

Let your body just "be"

13 Jul 2017 12:32

Autumn

Bulking/cutting/whatever is great and all but don't you think your body needs to just be for sometime without pushing it outside of homeostasis. Plus don't you think that those phases, especially cutting, are more successful and respond positively once your body has been appropriately nourished for some time

13 Jul 2017 12:35

Autumn

There's literally no way you can disagree or deny that

^^^

13 Jul 2017 12:35

Me

The moment this starts interfering negatively with my life.. That's when you should worry

13 Jul 2017 12:38

Autumn

Interfering with your life is a different conversation

13 Jul 2017 12:39

Autumn

What about what I just said

13 Jul 2017 12:39

Me

I'm still progressing even at lighter weight. My body is adapting no problem

13 Jul 2017 12:39

Autumn

In terms of how your body responds to all this

13 Jul 2017 12:39

Me

That's what I'm saying. My body is responding fine lol

13 Jul 2017 12:40

Autumn

Ok

13 Jul 2017 12:41

Autumn

Then what exactly is your goal

13 Jul 2017 12:41

Autumn

When would you expect to achieve that goal

13 Jul 2017 12:41

Autumn

How will you know when you achieve it

13 Jul 2017 12:41

Me

Getting stronger over time.

13 Jul 2017 12:41

Autumn

Ok and in terms of being in a caloric deficit?...what's the goal for that

13 Jul 2017 12:42

Autumn

Never mind

13 Jul 2017 12:42

Autumn

You're frustrating me

13 Jul 2017 12:42

Me

It's not a goal but certain things are set, if I'm not progressing in strength, up calories. Everything falls into place

13 Jul 2017 12:42

Autumn

Done with this conversation

13 Jul 2017 12:43

Autumn

Just like last time

13 Jul 2017 12:43

Me

Lol I'll show you a video that explains exactly how I feel

13 Jul 2017 12:43

Me

It's not that difficult lol. You're no longer in a deficit if your not losing weight. I'm barley losing weight.

13 Jul 2017 12:44

Me

So what you're not getting is that I'm in a slight deficit.

13 Jul 2017 12:45

Autumn

Ok

13 Jul 2017 12:46

Me

*Some days may fall into maintenance depending on
tdee and the refeed, depending on how much of a total
weekly deficit I'm in, it will contribute to even less/more
of a WEEKLY deficit*

13 Jul 2017 12:47

Me

*But it's not severe. What's severe is when I'd go from
3000 bulking. Straight to 2000 or 1900 with some bad
low as 1500.that's a disaster waiting tonhappen*

13 Jul 2017 12:48

Me

*Some days low as**

13 Jul 2017 12:49

Me

*I started with 2800 then 2600 2400 2200 then
2000..something like that*

13 Jul 2017 12:50

Me

Also I always feel better when I'm lighter.

13 Jul 2017 12:51

Me

Not out of breath and shit lol

13 Jul 2017 12:52

Autumn

Yea of course

13 Jul 2017 12:58

Autumn

That's not the point

13 Jul 2017 12:59

Autumn

But anyway

13 Jul 2017 12:59

Me

13 Jul 2017 13:01

Autumn

My face too

13 Jul 2017 13:07

Me

*If I'm still progressing than its obvious I'm eating
enough. Dropping some weight while I'm at it is
byproduct .*

13 Jul 2017 13:16

Me

There's enough energy thurr

13 Jul 2017 13:16

Me

*And days I want to eat more I just add some cardio.
That's it.*

13 Jul 2017 13:18

Me

Merp

13 Jul 2017 13:20

Autumn

Sorry was with someone

13 Jul 2017 14:18

13 Jul 2017 14:41

Me

13 Jul 2017 14:42

Autumn

Got time on your hands

13 Jul 2017 14:43

Autumn

I was wondering..

13 Jul 2017 15:45

Autumn

13 Jul 2017 15:45

Autumn

13 Jul 2017 15:46

13 Jul 2017 16:03

13 Jul 2017 16:04

Me

I only put it on to soak up the oil that's still on me

13 Jul 2017 16:04

Autumn

Put on a clean shirt to soak it up?

13 Jul 2017 16:09

Me

We'll it was to see how it looked too. Then kept it on to lay on my bed. Gonna shower in a few

13 Jul 2017 16:10

Me

How's my baby's day going

13 Jul 2017 16:10

Autumn

What oil are you talking about

13 Jul 2017 16:12

Me

Tanning oil

13 Jul 2017 16:13

Autumn

Did you tan already

13 Jul 2017 16:13

Me

I did

13 Jul 2017 16:14

Autumn

Oh ok

13 Jul 2017 16:14

Autumn

I'm fine, going to get an eye exam again now

13 Jul 2017 16:14

Me

It's official

13 Jul 2017 16:15

Me

Good luck blindy

13 Jul 2017 16:15

Autumn

I cancelled the other bathing suit I ordered

13 Jul 2017 18:47

Autumn

Tell me which of these you like

13 Jul 2017 18:47

Autumn

Babe you picked all the ones I really like

13 Jul 2017 18:51

Me

The leaves would be idea for my vegetarian counterpart

13 Jul 2017 18:52

Me

Would look good on your skin.

13 Jul 2017 18:55

Autumn

The leaves would you're saying?

13 Jul 2017 18:56

Me

Narrow this down. Scratch off the green one with the tie. Because it's close enough to the other green and it's not as cool without the slit design

13 Jul 2017 18:56

Autumn

Maybe I'll just get them all

13 Jul 2017 18:57

Me

13 Jul 2017 18:58

13 Jul 2017 19:12

Me

13 Jul 2017 19:12

Autumn

That's what I like about it

13 Jul 2017 19:12

Autumn

The material is cool

13 Jul 2017 19:12

Autumn

I love you

14 Jul 2017 09:20

Autumn

Tell me

14 Jul 2017 09:20

Me

Its started with me and some random ass friends that I don't have lol. We were messing around throwing fireworks and they were making some pipe thing out of wood, it make some thump sound while while they were boring it and I thought it would be a good idea to start chanting cuz I felt tribal af

14 Jul 2017 09:24

Me

So then the friend kept making noises with it. Sounded hollow and he joined in. And we all started walking and chanting down some random beach

14 Jul 2017 09:25

Me

Everyone was looking at us weird but we didn't care

14 Jul 2017 09:25

Me

Then you came in but it's like we just met sorta.

14 Jul 2017 09:26

Me

*After walking a bit we all walked back, still chanting.
Some people thought it was great, others weird. But I
carried you all the way back, in my arms.*

14 Jul 2017 09:27

Me

*And some girl said a slick comment about you or what
you were wearing. Or doing I forgot. Or you took it
personal when she made fun of us*

14 Jul 2017 09:28

Me

*Or standing up for the group. When her comment
wasn't really a big deal though lol*

14 Jul 2017 09:29

Me

*We somehow ended up in some place, no longer a
beach but something like stadium, tons of people. I was
playing with some baby girls just commenting how cute
she was and the little pet animal she had with her,
talking to the mother too about the animal and how
calm it was even with all the noise and music..maybe a
rabbit. Anyway I left and saw you and picked you up
again lol for some reason I had syringes filled with
steroids.. Yes idk*

14 Jul 2017 09:34

Autumn

Wth babe! Lol

14 Jul 2017 09:34

Autumn

There's a lot going on in that dream

14 Jul 2017 09:35

Me

*Anyway I walked you over to some step/seat. And we
talked a bit, can't remember what about but something
nice and getting to know each other or knowing
everything was right and I went it to kiss you. Then I
woke up with a boner. The end*

14 Jul 2017 09:35

Autumn

Lol great dream it's very adventurous

14 Jul 2017 09:36

Me

You used to just complain about it.. Now you straight up ask lol

14 Jul 2017 10:55

Me

14 Jul 2017 10:55

14 Jul 2017 10:59

Autumn

So once I noticed that it helps...

14 Jul 2017 10:59

Autumn

15 Jul 2017 12:58

Me

15 Jul 2017 12:59

Autumn

15 Jul 2017 12:59

Me

15 Jul 2017 12:59

Me

You're going to need to keep clothes everywhere lol.

15 Jul 2017 13:00

15 Jul 2017 13:11

Autumn

Let me see how it looks

15 Jul 2017 13:11

Me

61g protein in the ice cream... Kys halotop

15 Jul 2017 13:33

Autumn

Damn

15 Jul 2017 13:44

Autumn

It tastes better than the other one you make

15 Jul 2017 13:45

Me

Texture wise it's great, better. Only it needs work on flavor. I used to add monk fruit sweetener and it tasted great.

15 Jul 2017 13:46

Me

Adding real vanilla paste might be a good idea too.

15 Jul 2017 13:47

Me

Vs extract

15 Jul 2017 13:47

Me

The last one was garbage. Even with the shit ice cream maker I used to get the taste down perfect..oh I use to use xylitol too so should add that.

15 Jul 2017 13:48

Me

This one just really gets texture perfect. Other machine would jam after a certain churned thickness

15 Jul 2017 13:49

Autumn

It's super good

15 Jul 2017 13:53

Me

I still got the old school bullet

15 Jul 2017 13:54

Me

Xiloto taste like sugar dooe

15 Jul 2017 13:55

Me

It's even granulated

15 Jul 2017 13:55

Autumn

This tastes great

15 Jul 2017 13:55

Autumn

One of the best I've had

15 Jul 2017 13:55

Autumn

That's why you got purrrty teef

15 Jul 2017 13:58

Me

I need to touch up the whitening a bit. And maintain em.

15 Jul 2017 14:00

Me

They were pearly for a good while

15 Jul 2017 14:01

Autumn

They still are

15 Jul 2017 14:04

Me

Autumn

19 Jul 2017 08:33

19 Jul 2017 12:42

Me

You're late.

19 Jul 2017 12:43

Me

You don't have a flash drive to put them in? Or you mean programs as well

19 Jul 2017 12:44

Autumn

Was talking my supervisor

19 Jul 2017 12:44

Autumn

Not programs

19 Jul 2017 12:44

Autumn

But I don't have a big enough flash drive

19 Jul 2017 12:44

Me

I have a spare 32gb

19 Jul 2017 12:45

Autumn

Bring it

19 Jul 2017 12:45

Autumn

It should be able to transfer using the time capsule thing on Mac but I don't have that set up on my old one and I don't have time to really look at it right now

19 Jul 2017 12:46

Autumn

Aside from that option you can connect the two but I don't have something to do that with

19 Jul 2017 12:46

Me

With widows you can use an Ethernet cable to wire them together and transfer though the shared network

19 Jul 2017 12:55

Me

I'm assuming it's the same or similar. Maybe a specialized cable for Mac though idk

19 Jul 2017 12:56

Autumn

Right that's exactly it

19 Jul 2017 12:58

Autumn

I don't have one

19 Jul 2017 12:58

Me

I think I do

19 Jul 2017 13:02

Me

We'll an Ethernet cable

19 Jul 2017 13:03

Autumn

Ok

19 Jul 2017 13:03

Autumn

Bueno

19 Jul 2017 13:03

Autumn

Am I going to see you today

19 Jul 2017 13:03

Me

If all goes well.

19 Jul 2017 13:06

Me

Hopefully if I get out at a decent time

19 Jul 2017 13:07

Autumn

19 Jul 2017 13:09

Autumn

"If all goes well"

19 Jul 2017 13:27

Autumn

Why can't you just commit to it

19 Jul 2017 13:27

Me

Because if I get out at 10 and I'm sleepy I don't want to go back on my promise. Word is bond son

19 Jul 2017 13:39

Me

I could always sleep over my baby's place if that's the case I guess...

Autumn

Of course you can babe

19 Jul 2017 14:13

Autumn

Sleep wiff me

19 Jul 2017 18:28

Me

The thickness she had was ideal though

19 Jul 2017 18:28

Me

So.. Still gay

19 Jul 2017 18:28

Autumn

Ok so you can make them thicky thick if das what you like

19 Jul 2017 18:32

Me

Has to be chocolaty peanut buttery

19 Jul 2017 18:33

Me

And like a huge bowl lol

19 Jul 2017 18:33

Autumn

I was in a phase of cinnamon in my oats but I got tired of it so I've been putting unsweetened cocoa. Super good

Autumn

19 Jul 2017 18:34

19 Jul 2017 19:31

Me

*And if you watch the video he says they taste better.
Though it's subjective, if it taste different then I'll
probably like it*

19 Jul 2017 19:33

Me

*Though there is a powder version.... Hmmm maybe the
better tasting ones use that, or just less of the syrup.*

19 Jul 2017 19:35

19 Jul 2017 19:50

Autumn

Probably

19 Jul 2017 19:51

Autumn

It tastes like the consistency of most soy proteins but I don't think it uses soy

19 Jul 2017 19:51

Me

*I don't have to use eggs in my recipe... Hmmm wonder
if the fats from the bar help*

19 Jul 2017 19:51

Me

*One glance at that pic I sent earlier and you can see
there is no soy*

19 Jul 2017 19:53

Me

20 Jul 2017 15:44

Autumn

I know what I want and here I am not doing it

20 Jul 2017 15:45

Me

Is this just coming out of frustration though

20 Jul 2017 15:45

Autumn

No

20 Jul 2017 15:45

Autumn

This has been in my mind for at least a year

20 Jul 2017 15:46

Me

Dont you think you'll regret it?

20 Jul 2017 15:46

Autumn

I feel like it's not my true calling and I know what I'd rather be doing....so why am I not doing it

20 Jul 2017 15:46

Me

So what is it exactly

20 Jul 2017 15:46

Autumn

I think I will regret finishing school and living a life of something I don't want to do

20 Jul 2017 15:46

Autumn

We can talk later

20 Jul 2017 15:47

Autumn

I feel so distraught

Autumn

Thanks

20 Jul 2017 15:49

Me

The challenge could be pulling through and growing character

20 Jul 2017 15:52

Me

I'm sorry but I'll talk to you later

20 Jul 2017 15:52

Autumn

All I'm asking for is support but apparently I can't get that from anyone

20 Jul 2017 15:53

Autumn

If you can't tolerate this conversation right now I don't want to talk later

20 Jul 2017 15:55

Autumn

And if you knew how I felt right now you wouldn't be blowing me off. I asked to talk to you days ago and it was for a reason. Here we are days later... all I wanted was for you to hear me out. What's so hard about that

20 Jul 2017 15:58

22 Jul 2017 11:55

Autumn

Baby It's only crazy because I wouldn't be

22 Jul 2017 12:00

Me

Nope

22 Jul 2017 12:01

Autumn

What makes you think that or say so

22 Jul 2017 12:04

Me

Few things

22 Jul 2017 12:04

Autumn

Like what baby

22 Jul 2017 12:05

Me

Heard some little girl yell out of the door to her mom asking "mom do you need help?!"

22 Jul 2017 12:05

Autumn

Aww lol

22 Jul 2017 12:06

Me

I thought it was sweet. Then wondered how I would teach my child to be thoughtful like that. Like maybe "go ask your mom if she needs help"

22 Jul 2017 12:06

Me

To teach the kid. So it made me think about the other day when you were saying how you should give kids options and stuff

22 Jul 2017 12:07

Me

And because you are more aware of your relationship issues/past with your mother that you would know what not to do

22 Jul 2017 12:08

Autumn

Yea I hear you.. that's sweet that you think of that

22 Jul 2017 12:08

Me

At least a little more so

22 Jul 2017 12:08

Autumn

Right

22 Jul 2017 12:08

24 Jul 2017 17:42

Me

I don't want him lol

24 Jul 2017 17:43

Autumn

I mean I don't want her to feel like she should because he broke some stuff/irritated me but yea I feel like he does need a better home. The poor guy is confined to these 4 walls all the time, which I'm sure is the source of his erratic behavior

24 Jul 2017 17:43

Me

It's just like kids. Good to be around for a few... And bye bye my girlfriend will take care of you

24 Jul 2017 17:43

24 Jul 2017 18:20

24 Jul 2017 18:41

Autumn

Repetition

24 Jul 2017 18:41

Autumn

But that's good

24 Jul 2017 18:41

Me

I think some techniques are better than others. Do you feel that the podcast is doing a good job of teachingn

24 Jul 2017 18:42

Autumn

Haven't learned how to cake yet

24 Jul 2017 18:42

Autumn

You

24 Jul 2017 18:43

Me

24 Jul 2017 18:44

Autumn

But I agree, some methods are definitely better. Ideally I would take a class with a tutor or something but this isn't bad given the circumstances. It's the most feasible right now

24 Jul 2017 18:44

Me

True true. Any bit helps

24 Jul 2017 18:44

Autumn

I think a workbook would be better than this podcast or at least a good supplement but in reality I wouldn't be using it. That's why I think the podcast is the best for me right now

24 Jul 2017 18:46

Me

True. My girl has too much "workbooks" atm

24 Jul 2017 18:47

Autumn

Lol

24 Jul 2017 18:47

25 Jul 2017 16:37

Me

True

25 Jul 2017 16:38

Me

That's why you use the money from your book sales lol

25 Jul 2017 16:38

25 Jul 2017 16:39

Autumn

That gives returns in several years

25 Jul 2017 18:16

Autumn

You've heard of Nicole Mejia right? She started Fit and Thick. I should try to get on board with her lol ...I think I fit her image of what her brand represents

25 Jul 2017 18:21

Me

You mean a butt

25 Jul 2017 18:22

Autumn

Huh?

25 Jul 2017 18:25

Me

Do your own thing

25 Jul 2017 18:27

Autumn

25 Jul 2017 18:29

Autumn

My man is so encouraging

25 Jul 2017 18:29

Me

You can run a similar system

25 Jul 2017 18:30

Me

Encouragement. Woman empowerment through the powerful mind... Have a brain and dog in your logo lol

25 Jul 2017 18:31

Me

Representing strength and compassion

25 Jul 2017 18:31

Autumn

I'm not being entirely serious babe

25 Jul 2017 18:32

Me

Or Sunsing

25 Jul 2017 18:32

Autumn

That's too much

25 Jul 2017 18:32

Autumn

But ok

25 Jul 2017 18:32

Me

Never know

25 Jul 2017 18:32

Autumn

When people look at a logo like that they're like ok wth do you represent? What's your message?

25 Jul 2017 18:32

Autumn

Instead of brand ambassadors I can have dogs lol

25 Jul 2017 18:33

Autumn

Just foolin

25 Jul 2017 18:33

Me

*That was just me throwing it out there. It's a draft...
How everything starts...*

25 Jul 2017 18:33

Autumn

Yes babe

25 Jul 2017 18:34

Autumn

I have an idea in my head

25 Jul 2017 18:34

Autumn

As in a name but not really complete

25 Jul 2017 18:34

Autumn

I need a dictionary. It's all about the word choice

25 Jul 2017 18:34

Me

It is about word choice

25 Jul 2017 18:36

Me

Just don't steal my "mind over iron"

25 Jul 2017 18:37

Me

What's the incomplete idea

25 Jul 2017 18:37

Autumn

It was actually mind over ____

25 Jul 2017 18:38

Autumn

Insert word synonymous with body there

25 Jul 2017 18:38

Me

But but

25 Jul 2017 18:38

Autumn

Synonymous with physique

25 Jul 2017 18:38

Autumn

Something like that

25 Jul 2017 18:38

Autumn

And I never heard you say that lol so that's funny

25 Jul 2017 18:38

Me

How about Tigirls

25 Jul 2017 18:38

Me

I did tell you that. In Barnes and noble. Our first time together. In the art section.

25 Jul 2017 18:39

Autumn

The mind word could be interchanged for something synonymous with mind/mindset/sense

25 Jul 2017 18:39

Autumn

Oh ok..maybe I vaguely remember lol

25 Jul 2017 18:40

Autumn

Sense over shape

25 Jul 2017 18:40

Me

Hmmmm

25 Jul 2017 18:40

Autumn

I don't necessarily like that but that's the feel

25 Jul 2017 18:40

Me

Yes that one is no

25 Jul 2017 18:40

Autumn

Idk it could completely change but that's the idea behind it

25 Jul 2017 18:40

Autumn

Lol

25 Jul 2017 18:41

Autumn

I actually have a few other ideas but I'll tell you later

25 Jul 2017 18:41

Autumn

Amanda's flight is delayed merp

25 Jul 2017 18:42

Me

25 Jul 2017 18:47

Me

25 Jul 2017 18:52

Autumn

*I was going to try making yogurt with tofu but of course
Walmart is out*
25 Jul 2017 18:52

Autumn

They're always out of my staples
25 Jul 2017 18:53

Me

There is Tofu yogurt? Wow
25 Jul 2017 18:53

Autumn

*Yea this vegan girl I follow says she just takes the tofu
with the water in it and blends it and then flavors it
however she wants*
25 Jul 2017 18:54

Autumn

*She makes it look great but idk. That doesn't sound
appetizing at all lol*
25 Jul 2017 18:54

Autumn

I'll try it though
25 Jul 2017 18:54

Me

Sounds cool to me
25 Jul 2017 18:55

Me

As long as its not sour
25 Jul 2017 18:55

Me

Add whey to it? What liquids?

25 Jul 2017 18:55

Autumn

Egg whites and yogurt are the 2 animals products that got me still

25 Jul 2017 18:55

Me

I know she didn't add whey but asking

25 Jul 2017 18:55

Autumn

I'm not going to

25 Jul 2017 18:55

Autumn

Remember what I told you yesterday about whey

25 Jul 2017 18:56

Me

Make it already

25 Jul 2017 19:00

Autumn

Did you not see what I said

25 Jul 2017 19:01

Autumn

Walmart does not have tofu

25 Jul 2017 19:01

Me

Find it elsewhere

25 Jul 2017 19:01

Me

Now

25 Jul 2017 19:01

Autumn

And those work for you, I was just showing you what she puts in it

25 Jul 2017 19:01

Autumn

That's not my priority right now

25 Jul 2017 19:02

Autumn

*Those were for you***

25 Jul 2017 19:02

Me

25 Jul 2017 19:03

Autumn

You can make it

25 Jul 2017 19:03

Autumn

Go for it

25 Jul 2017 19:03

Autumn

*Maybe I'll stop again tomorrow and see if they have
tofu*

25 Jul 2017 19:05

Autumn

Do you think it looks/sounds good

25 Jul 2017 19:14

Autumn

Is my baby dead

25 Jul 2017 19:37

Me

Partly

25 Jul 2017 19:58

Me

From starvation lol

25 Jul 2017 19:58

Me

*I been saving videos on shirt printing tutorials and
good products to start with*

25 Jul 2017 19:59

Autumn

You didn't answer me

25 Jul 2017 19:59

Me

While helping the students

25 Jul 2017 19:59

Me

Sounds promising baby

25 Jul 2017 19:59

Me

*If you don't like it. I'll add whey and see if that helps. I
wonder if you can freeze it*

25 Jul 2017 20:00

Autumn

Ohh I seeeee

25 Jul 2017 20:00

Autumn

But you didn't answer me

25 Jul 2017 20:00

Me

25 Jul 2017 20:00

Autumn

27 Jul 2017 13:03

Autumn

Avatar just posted this today on IG

27 Jul 2017 13:41

Me

Oh synchronicity

27 Jul 2017 13:42

Autumn

The problem is they're asking for 3 writing samples. I have tonsssss of writing samples but the content is all psychology based, ya know for school and such

27 Jul 2017 13:43

Me

They'll like your background

27 Jul 2017 13:43

Me

Better than nothing.

27 Jul 2017 13:44

Me

I think they'd see the writing potential regardless

27 Jul 2017 13:44

Autumn

I guess I could fill out the form and attach some school papers. They could see my overall writing skill based on this e

27 Jul 2017 13:44

Autumn

Those

27 Jul 2017 13:44

Autumn

And plus I have a few papers that I wrote that are sorta relevant...not completely

27 Jul 2017 13:45

Me

Right

27 Jul 2017 13:45

Autumn

One on the pressure for plastic surgery... that's kinda relevant no?

27 Jul 2017 13:45

Me

Still, the skill is there and your knowledge and research skills as well

27 Jul 2017 13:45

Autumn

Right

27 Jul 2017 13:45

Autumn

I'll do it but who knows

27 Jul 2017 13:45

Me

They just need to see the skill

27 Jul 2017 13:45

Autumn

I bet they'll have a ton of applicants, especially posting it on IG like that

27 Jul 2017 13:46

Me

So what, they aren't you

27 Jul 2017 13:46

Me

Do it. But if that guy says one slick shit I will kill him

27 Jul 2017 13:47

Me

27 Jul 2017 13:47

Autumn

The application thing is simple. It asks what qualifications that are relevant

27 Jul 2017 13:47

Autumn

And why would you want to write for Avatar

27 Jul 2017 13:47

Me

I'll go to Tampa and slice

27 Jul 2017 13:47

Me

Do it babe

27 Jul 2017 13:48

Me

Kind of crazy for that to come up. Take the opportunity

27 Jul 2017 13:48

Autumn

Lol babe you're silly

27 Jul 2017 13:49

27 Jul 2017 16:22

Autumn

27 Jul 2017 16:22

Autumn

27 Jul 2017 16:23

Autumn

When are you going back to working earlier

27 Jul 2017 16:29

Me

No idea mama. I thought it was next week but they do have a course starting then

27 Jul 2017 16:30

Autumn

Oh ok

27 Jul 2017 16:33

Me

Yup. Wish I was doe

27 Jul 2017 16:48

Autumn

I bet

27 Jul 2017 16:59

Autumn

No one would know if you asked?

27 Jul 2017 16:59

Me

Yes the instructors. If they are scheduled than I'm automatically in. If not I schedule morning

27 Jul 2017 17:17

Autumn

So why can't you ask about it in saying

27 Jul 2017 17:19

Me

I did ask. Yesterday

27 Jul 2017 17:24

Me

Said there was classes. But I thought they did that class already

27 Jul 2017 17:24

Autumn

lol that's great

27 Jul 2017 17:31

Me

It's almost like she got the joke or something. She probably just wanted what they had

27 Jul 2017 17:32

Me

That's our digital baby

27 Jul 2017 17:32

Autumn

27 Jul 2017 17:33

Autumn

She's a little cutie pie

27 Jul 2017 17:33

Me

Pass off on milk. Pass off on egg noodles. Pacifier...wine... =vegan

27 Jul 2017 17:33

Autumn

Little nugget

27 Jul 2017 17:52

Autumn

I wonder if I would raise a child without meat

27 Jul 2017 17:54

Autumn

Like would I do that then give them that option once their old enough to decide or what

27 Jul 2017 17:54

Autumn

What do you think

27 Jul 2017 17:54

Me

I don't see anything wrong with that

27 Jul 2017 18:00

Me

Just make the child more vegetarian friendly foods and weed away the meat little bit at a time

27 Jul 2017 18:01

Me

*I don't think they'd like it anyway if you make good,
nutritious plant based meals*

27 Jul 2017 18:03

Me

*Kind of like they wouldn't know what they are missing
anyway*

27 Jul 2017 18:03

Me

Only social stigma would be an a bit of an obstacle

27 Jul 2017 18:04

Me

*Kid goes to a friends house and moms got bbq or
something like that.*

27 Jul 2017 18:05

Me

*The kid may want to give the food a try, even if you
prepared something for him/her*

27 Jul 2017 18:06

Autumn

*I think you don't have to take it away if you raise a child
without it*

27 Jul 2017 18:06

Autumn

*Yes as they get older they may become curious and
want to try...so sure give them that option*

27 Jul 2017 18:06

Me

*Maybe it would be OK to eat on occasion just out of
respect for being a guest and being offered
food/hospitality*

27 Jul 2017 18:06

Me

*True. They won't know what they are missing. And if
they did try it maybe they wouldn't like it.. Idk*

27 Jul 2017 18:07

Autumn

*But when you raise a kid from the very beginning to
understand the ethical/moral reasons of veganism then
it's more engrained*

27 Jul 2017 18:08

Autumn

It's not just oh don't eat it because it's less healthy

27 Jul 2017 18:09

Me

Yes yes

27 Jul 2017 18:09

Autumn

*I feel like it's a different understanding If you teach
them that they're not eating it because of ethical
principles. There's probably less curiosity about trying
it even when others around them are*

27 Jul 2017 18:10

Me

*Of course. Not as much to do with health or your body
being able to assimilate and process right. It's more so
the harm and pointless killing of animals when we do
have the capability and resources to those other
options*

27 Jul 2017 18:10

Autumn

Yea

27 Jul 2017 18:12

Autumn

It's just another moral that they have

27 Jul 2017 18:12

Autumn

Like don't lie, don't cheat, etc

27 Jul 2017 18:12

Autumn

They understand the rightness and wrongness behind it.

It's not just don't eat meat because I said so

27 Jul 2017 18:13

Me

You got it

27 Jul 2017 18:13

Raising pussy boys

30 Jul 2017 20:00

One thing is to let the kid understand he/she is different and may not identify with the gender but another thing is straight putting them into that genderless system

30 Jul 2017 20:02

Me

Or am I missing something. Doesn't Sweden have a big feminist movement

30 Jul 2017 20:04

03 Aug 2017 19:13

07 Aug 2017 18:00

Autumn

You happy about going to day shift?

07 Aug 2017 18:11

Autumn

Really? I love her hair

07 Aug 2017 18:12

Autumn

She's great and such a sweetie pie too

07 Aug 2017 18:12

Autumn

By saying she's beautiful doesn't mean I'm not lol. Just commenting on her looks

07 Aug 2017 18:13

Me

I can't tell from the pic anyway but I guess lol.

07 Aug 2017 18:16

Me

I'm sire she's pretty if you think so

07 Aug 2017 18:16

Autumn

Lol

07 Aug 2017 18:17

Autumn

Yea the pic doesn't do it justice. It's so long and curly and this really nice red color.. and her skin is fair and she has cute lil freckles on her cheeks. Idk love her lol

07 Aug 2017 18:18

Me

Tell her to take a pic together. To make your boyfriend jealous

07 Aug 2017 18:18

Me

07 Aug 2017 18:18

Autumn

Shut up

07 Aug 2017 18:18

Autumn

07 Aug 2017 18:19

Me

07 Aug 2017 18:25

Me

Tell her you love her hair and freckles and remind her of Ariel. And that your somebody close to you would probably find her cute. she seems chill and we should go out for some drinks.

07 Aug 2017 18:25

Autumn

I don't think her bf will be into that

07 Aug 2017 18:26

Autumn

option for her

07 Aug 2017 18:26

Me

obstacles

07 Aug 2017 18:27

Autumn

Actually I remember the last time I talked to her she mentioned that she got engaged...to this guy in the program lol

07 Aug 2017 18:27

Me

I see

07 Aug 2017 18:27

Autumn

Babe I'm not trying to find a girl at school to have a threesome

07 Aug 2017 18:27

Autumn

07 Aug 2017 18:27

Me

Too bad my eyes have seen even married women cheating smh

07 Aug 2017 18:28

Autumn

It happens

07 Aug 2017 18:28

Me

Can I trust anyone

07 Aug 2017 18:28

Autumn

Doesn't mean I'm going to suggest or initiate it

07 Aug 2017 18:29

Autumn

Are you asking me

07 Aug 2017 18:29

Me

No just saying what's in my head

07 Aug 2017 18:30

Autumn

I don't get it

07 Aug 2017 18:30

Me

I'm not asking

07 Aug 2017 18:32

Autumn

Well what do you mean by saying "can I trust anyone"

07 Aug 2017 18:33

Autumn

What precipitated that thought

07 Aug 2017 18:34

Autumn

Because you're saying you've seen married people cheat and I'm saying yes I agree it happens but i don't wanna be involved in it

07 Aug 2017 18:34

Me

Because of what I said I've seen. And yes of course not everyone would do that the fact that it's there... It's fucked up my head and trust in marriage and stuff to a degree

07 Aug 2017 18:35

Autumn

Oh I see

07 Aug 2017 18:36

Autumn

I think being married has little effect on cheating...meaning if someone was deciding to cheat or not it wouldn't matter if they were married

07 Aug 2017 18:38

Autumn

They're going to do it regardless, married or not

07 Aug 2017 18:38

Me

I'm not saying I don't trust you. Just society in general today is more reckless

07 Aug 2017 18:38

Autumn

I know, I figured you were just talking in general

07 Aug 2017 18:39

Autumn

Yea I guess but I see both sides of it

07 Aug 2017 18:39

Me

Fuck boys n Fuck girls.

07 Aug 2017 18:39

07 Aug 2017 18:41

Autumn

I've been a fuck girl, you've been a fuck boy

07 Aug 2017 18:42

Autumn

What I'm saying is I can't judge people for what they do

07 Aug 2017 18:42

Autumn

Overall... cheating, or whatever the behavior is

07 Aug 2017 18:42

Autumn

Me

Mmmmm baby

10 Aug 2017 13:10

Me

I was fiending baby

10 Aug 2017 13:11

Me

Na you'll be good. That whole ticketing thing was actually against the law apparently. If you haven't noticed, there aren't many cameras snapping anything anymore

10 Aug 2017 13:13

Me

The flash kind. You'll be alright

10 Aug 2017 13:13

Me

There was a big thing with those light cams

10 Aug 2017 13:16

Me

*The problem the first time around was that an officer
wasnt present when tickets were issued*

10 Aug 2017 13:22

Me

*Now it will be within the city I believe. Vs the Arizona
company that was in charge of doing the ticketing*

10 Aug 2017 13:23

Autumn

*I think I heard something about that or maybe it was
you telling me*

10 Aug 2017 13:41

Me

*Yes it was me. But that's gay that they are continuing it.
No trust in driver or the community*

10 Aug 2017 13:53

Autumn

running lights, that system is in place for a reason*

10 Aug 2017 13:53

Me

Police State

10 Aug 2017 13:53

Autumn

*But yes it's a way to make money by ticketing people
and also they can cut costs on labor*

10 Aug 2017 13:54

Autumn

Time to freshen up she's going to be pristine again

10 Aug 2017 13:56

Me

*Yes but they do not consider a few millisecond grace
period that I believe should be in place.*

10 Aug 2017 13:57

Me

Ooooo

10 Aug 2017 13:57

Me

*OK so you don't get ticketed if it turns red while in the
intersection.. OK that's better. just found out.*

10 Aug 2017 13:59

Autumn

That makes sense

10 Aug 2017 14:31

Just talked to the Dean. He's trying to see if he can be the hiring manager so that there wouldn't be need of an interview or any real meaning of committee

16 Aug 2017 10:35

Me

Also the job needs to be posted first. Then applied to.

16 Aug 2017 10:36

Autumn

Right that makes sense

16 Aug 2017 10:37

Autumn

Well you've been working there for awhile, right? They know your face and name so that's an advantage moving forward

16 Aug 2017 10:37

Me

Yes but there are thousands of employees

16 Aug 2017 10:40

Me

Lol

16 Aug 2017 10:41

all instructors would vouch for me*

Me

17 Aug 2017 11:43

Autumn

17 Aug 2017 11:44

17 Aug 2017 11:44

Me

Haha

17 Aug 2017 12:03

Autumn

It's really aggravating me

17 Aug 2017 12:08

Autumn

Why aren't you talking to me

17 Aug 2017 12:08

Autumn

I keep asking the same question and you say you do want to talk yet you're not

17 Aug 2017 12:08

Autumn

And that was happening yesterday

17 Aug 2017 12:08

Autumn

Babe

17 Aug 2017 12:08

Autumn

I'm going to leave you alone so talk to me when you're not busy and can initiate and contribute to a conversation

17 Aug 2017 12:09

Me

Babe wth

17 Aug 2017 12:26

Me

I'm really trying to do this stuff for work

17 Aug 2017 12:26

Me

Why are you coming at me like that?

17 Aug 2017 12:26

Autumn

Because I'm aggravated. I told you that

17 Aug 2017 12:32

Autumn

If you're busy, say that. I feel like I'm just talking to myself and it's not just this afternoon. That was this morning and yesterday as well. It doesn't seem like you have anything that you want to say or talk about or contribute to our convo

17 Aug 2017 12:34

Me

Wow ok

17 Aug 2017 12:34

Autumn

Why don't you just say "I'm busy, I'll get to you later"

17 Aug 2017 12:37

Autumn

But that doesn't explain this morning for example... I feel like I'm just wanting to talk to you and it's not reciprocated

17 Aug 2017 12:38

Me

Babe I was still groggy because of the morning

17 Aug 2017 12:42

Me

And I'm busy but doesn't mean I can't check in every chance I get. Why are you being like that

17 Aug 2017 12:43

Me

Right now I was just talking with the facilities guys and I'm here still checking on you

17 Aug 2017 12:43

Autumn

Ok but I'd rather have a quality conversation rather than just be here talking to myself

17 Aug 2017 12:47

Me

Go about your day then

17 Aug 2017 12:52

Autumn

It's aggravating when I'm trying to make you apart of my day and it's not reciprocated

17 Aug 2017 12:53

Autumn

I'm trying to explain that

17 Aug 2017 12:53

18 Aug 2017 08:51

Me

18 Aug 2017 08:55

Autumn

Great, especially knowing it's Friday so my supervisor definitely will not be there

18 Aug 2017 08:58

Autumn

Aka I'm staying no more than an hour

18 Aug 2017 08:58

Me

Well why even go lol

18 Aug 2017 08:59

Autumn

I have to make it seem like I was there

18 Aug 2017 08:59

Autumn

I need to open the excel sheets we use and update the files with today's date essentially lol

18 Aug 2017 08:59

Autumn

It's an inconvenience to drive there lol but then I think that I'm actually supposed to stay 8 hours and I never do... then I feel ok about the drive

18 Aug 2017 09:01

Me

Getting free money

18 Aug 2017 09:07

Autumn

Exacto

18 Aug 2017 09:08

Me

That girl is done with it

18 Aug 2017 09:08

Autumn

I think about how many hours were stipulated when I got the job vs how many I actually worked... crazy, I've probably worked 1/4 of the hours I should have. It worked out great, especially being in school and having 400 other things to do

18 Aug 2017 09:09

Autumn

Oh my god

18 Aug 2017 09:13

Autumn

I just remembered a dream I had last night !!!!!!!

18 Aug 2017 09:13

Autumn

*No wonder I woke up feeling off and low key
confused/irritated*

18 Aug 2017 09:13

Me

Autumn

18 Aug 2017 09:18

Me

18 Aug 2017 09:18

Me

18 Aug 2017 09:18

Autumn

I don't want to text it

18 Aug 2017 09:18

Autumn

*If you haven't gone to work yet I'll tell you on the
phone. Otherwise I'll tell you later so remind me !!!!!*

18 Aug 2017 09:19

Autumn

18 Aug 2017 09:19

Me

Alright hopefully I remember

18 Aug 2017 09:21

Autumn

*It seemed to be inspired by our conversation last night
except it was the other way around. You were telling me
about something with your mom and I guess how she
felt about me (which was not positive whatsoever)*

18 Aug 2017 09:23

Autumn

And you told me like very specific things that she didn't like about me

18 Aug 2017 09:23

Autumn

Like damn you could have censored it or left out certain stuff lol

18 Aug 2017 09:24

Autumn

Btw I'm wearing my new bra thanks babe

18 Aug 2017 09:25

Me

Lol my mom likes you bebe

18 Aug 2017 09:25

Me

No need for worrying. Even in your dreams

18 Aug 2017 09:26

Me

And let me see

18 Aug 2017 09:26

Autumn

Yea it was strange. I never got the impression that she felt negatively so idk where that came from lol it's just crazy how detailed the dream was

18 Aug 2017 09:27

Autumn

You can see later

18 Aug 2017 09:27

Autumn

Damn shoulder

18 Aug 2017 09:30

Me

18 Aug 2017 09:31

Autumn

Yes

18 Aug 2017 09:31

Autumn

The specific problems she had with me

18 Aug 2017 09:31

Autumn

Mean

18 Aug 2017 09:32

Me

Sorry babe, about the shoulder

18 Aug 2017 09:33

Me

What were they

18 Aug 2017 09:34

Autumn

One was that I was too high maintenance

18 Aug 2017 09:34

Autumn

Which I don't see in myself at all lol

18 Aug 2017 09:35

Autumn

Another was that I don't do things for myself

18 Aug 2017 09:35

Autumn

Which I definitelyyyy don't see

18 Aug 2017 09:35

Autumn

It was interesting because the things were things that are basically opposite of my character lol idk my brain was crazy

18 Aug 2017 09:36

Me

Hmmmm interesting

18 Aug 2017 09:37

Me

My mom does think all that

18 Aug 2017 09:37

Autumn

What do you think

18 Aug 2017 09:37

Autumn

Really

18 Aug 2017 09:37

Me

Nope lol

18 Aug 2017 09:38

Autumn

I don't see any basis for it but ok lol

18 Aug 2017 09:38

Me

18 Aug 2017 09:38

Autumn

Dummy head

18 Aug 2017 09:38

Autumn

18 Aug 2017 10:34

Me

18 Aug 2017 11:25

Autumn

What's my monkey doing

18 Aug 2017 11:28

Me

Bout to leave

18 Aug 2017 11:45

Autumn

I left a few min ago, going to pick up the new glasses at mom's

18 Aug 2017 11:47

Autumn

How did the meeting go?

18 Aug 2017 11:47

Autumn

Around what time you going to the gym? If I'm still at my mom's I can meet you... if not, I'll probably just go home

18 Aug 2017 11:58

Me

I'm leaving now to the house

18 Aug 2017 12:08

Me

I'm going to get ready for the gym when I get there

18 Aug 2017 12:08

Me

It went good nothing too serious,

18 Aug 2017 12:09

Autumn

18 Aug 2017 23:54

Autumn

Hi monkey bear

19 Aug 2017 08:20

Autumn

*Woke up at 6:30 and haven't been able to sleep again...
wish I had some company*

19 Aug 2017 08:46

Autumn

*If you were here I'd have been talking to you and
annoying for two hours now*

19 Aug 2017 08:50

Me

I woke up at 730

19 Aug 2017 09:02

Me

Knocked back out

19 Aug 2017 09:02

Autumn

*I put my entire night on hold because you had a
problem and you don't give me even 10 min. How the
fuck is that fair?? All it would take is to lmk things are
ok and that today will be better but you don't even hear
me out for a few min without saying you're going to
leave, get ready for the gym, etc. Don't tell me you love
me or care about me when you can't reciprocate what I
give you or prioritize what I need at the moment*

19 Aug 2017 10:20

Me

Maybe if you let me say these things

19 Aug 2017 10:26

Me

Sorry for the nights inconvenience

19 Aug 2017 10:28

Autumn

*If our relationship is as important as you claim it is
then it should be your first priority...not something your
deal with when it's convenient for you*

19 Aug 2017 10:28

Autumn

Why don't you take the chance to say any of those things. The only thing you say is "I'm leaving", "I'm going to get ready for the gym"

19 Aug 2017 10:28

Autumn

Basically you're saying and acting like I need to deal with things on my own...and that's why people are single...so they don't have to deal with others' problems. If you want that luxury you can have it

19 Aug 2017 10:32

Autumn

If not then maybe act like I can rely on you

19 Aug 2017 10:35

Autumn

So much for enjoying each other and our 9 months together this weekend. Everything is ruined, thanks Jason

19 Aug 2017 10:36

Autumn

You literally have nothing to say???

19 Aug 2017 10:41

*I had a weird dream. Little spanish girl died from
dropping her, her body froze into position after the fall
almost like a statue and was making a weird noise. A
noise like a dial-up connection lol. Anyway quickly I
thought it would probably be a good idea to resuscitate
her and when the person went blew in her mouth and
went to pump, it turned into a a fat black man that
wakes up gasping for air and jumps right up. And
everyone is like omg OMG what happened to the girl.*

You don't need a professional service for that, especially when I know what I'm doing when it comes to that kind of stuff

22 Aug 2017 17:43

Me

I know babe. I just don't want to think or construct anything with the things I have to do right now

22 Aug 2017 17:44

Autumn

You have to think and make notes of all that info regardless

22 Aug 2017 17:45

Autumn

If you gave me that I could make one for you. I have tons of templates

22 Aug 2017 17:46

22 Aug 2017 17:49

Autumn

Sorry I just finished saying don't tell me how to spend my \$ lol. I'm just like with I want to help you and you'd get the same product without having to spend money on this service

29 Aug 2017 07:05

Me

Hi bebe

29 Aug 2017 07:09

Autumn

How's boo boo

29 Aug 2017 07:11

Me

Work boo boo

29 Aug 2017 07:12

Me

How's boo boo boo

29 Aug 2017 07:12

Autumn

But how

29 Aug 2017 07:12

Autumn

Not what

29 Aug 2017 07:12

Autumn

*I'm ok, home from the gym and getting ready for work.
Slept like shit because Pekoe sucks*

29 Aug 2017 07:12

Autumn

*He woke me up 3 times before midnight and then I
couldn't go back to sleep very well*

29 Aug 2017 07:13

Me

I had a feeling you wouldnt sleep well

29 Aug 2017 07:13

Me

Did you not close your door with him outside

29 Aug 2017 07:14

Me

And by how my answer is "work"

29 Aug 2017 07:14

Me

Still

29 Aug 2017 07:14

Autumn

I was so mad and also mad in my sleep that in my dream I was scheming of ways to punish him. First I dreamt that I could light a Q-tip on fire and scorch his paws then in my dream I just opened the door and watched him walk out and shut it. I guess that's better than torturing/burning him

29 Aug 2017 07:16

Autumn

I do shut my door. He bangs on it. The night before last he actually somehow opened it while it was shut. I guess from hitting his paw on the door knob. If I let him in he's nonstop between my bed and the window. I can't deal with that

29 Aug 2017 07:18

Autumn

Ok so I just shouldn't make conversation with you is what you're saying, got it

29 Aug 2017 07:18

Me

That's not what I'm saying

29 Aug 2017 07:20

Me

There's no way he hits the door knob

29 Aug 2017 07:22

Autumn

There's a way

29 Aug 2017 07:24

Autumn

Because it happened around 3 am and it woke me from my sleep

29 Aug 2017 07:25

Me

You didn't shut it 100%

29 Aug 2017 07:27

Me

So you'll still be inbetween Lauderdale. Til a week or two

29 Aug 2017 07:27

Me

For work

29 Aug 2017 07:27

Autumn

You know, you don't have to invalidate things I say

29 Aug 2017 07:28

Autumn

Idk the timeline

29 Aug 2017 07:28

Me

Doesn't that sound more logical than a cat turning a door knob somehow

29 Aug 2017 07:34

Autumn

Yes, likely the door was not shut 100%. It was probably shut but the handle not completely locked in place, allowing him to push it hard enough and open it. But it's neither here nor there, what does that matter? I'm expressing frustration that I lost sleep because the cat and I definitely slept like shit last night for the same reason. What good does it do to point out the door not being shut when I'm clearly irritated by it? I feel like it would be nice to simply be supported or validate that it must be a frustrating thing but instead you invalidate what I say

29 Aug 2017 07:36

Autumn

Jason that's not the point. Do you think I'm an idiot and believe he used his super powers to magically open the door? I'm just frustrated about it, you don't have to add fuel to the fire. I don't get it, really don't

29 Aug 2017 07:37

Autumn

I just feel like we should support each other not irritate each other. Seems like we're not on the same page..

29 Aug 2017 07:38

Autumn

You know.. I've heard you say many times that you want to make me happy, want to relieve stress, etc. but here's a perfect opportunity... just venting about losing sleep because the cat was annoying and then you just make the situation more frustrating. I would have really appreciated something so simple along the lines of "damn babe, that's annoying", "that sucks", anything like that. I'm spelling this out because I'm trying to let you know what I really need..

29 Aug 2017 07:43

Autumn

Does that make sense?

29 Aug 2017 07:45

Autumn

Jason?..

29 Aug 2017 08:01

Me

I'm sorry I'm really busy

You need like two sand bags
05 Sep 2017 11:30

Autumn
I asked Amanda
05 Sep 2017 11:30

Me
I see
05 Sep 2017 11:31

But is the land lord going to own up
05 Sep 2017 11:31

05 Sep 2017 11:32

Autumn
Right
05 Sep 2017 11:37

Autumn
For the windows anyway
05 Sep 2017 11:53

Me
But what about flooding
05 Sep 2017 11:54

Autumn
I could put some sandbags or something but still I think that's her responsibility
05 Sep 2017 11:54

Autumn
Yes I know but still that's the landlords responsibility. It's her property
05 Sep 2017 11:54

Autumn
I'm pretty sure Fort Lauderdale, east of US1, is considered an evacuation zone so I probably won't stay there if the hurricane does hit us
05 Sep 2017 11:55

Me
So stay with me
05 Sep 2017 11:56

Autumn
Ok
05 Sep 2017 11:56

05 Sep 2017 12:06

05 Sep 2017 12:08

Me

That's just them. Just saying. Any open station, just fill up

05 Sep 2017 12:08

Autumn

People are preparing way too far in advance

05 Sep 2017 13:25

Me

By tomorrow it hits the island

05 Sep 2017 13:35

Me

It's not too early

05 Sep 2017 13:35

Me

There are stations by here already empty _

05 Sep 2017 13:36

Autumn

I feel like it is. Especially if you have to drive daily before the end of the week. You have to fill again

05 Sep 2017 13:36

Autumn

Well prices are rising anyway because of Harvey hitting Texas and what not. So maybe there's an existing shortage before this hurricane came

05 Sep 2017 13:37

Me

Well from what I heard gas stations were stupid packed this morning. Neighbor told me too

05 Sep 2017 13:40

Me

He went at 5am to fill up. Waited in line

05 Sep 2017 13:41

Me

You right doe

05 Sep 2017 13:43

Autumn

Ready to go home now

05 Sep 2017 13:48

05 Sep 2017 13:49

05 Sep 2017 14:00

Autumn

05 Sep 2017 16:47

05 Sep 2017 17:54

Autumn

Maybe a new thing of protein...running low on that.

05 Sep 2017 17:55

Autumn

Wine to pass the time, protein to preserve the gains

Autumn

05 Sep 2017 17:56

Me

05 Sep 2017 17:59

Me

06 Sep 2017 07:14

Autumn

I haven't seen any lines actually

06 Sep 2017 07:15

06 Sep 2017 07:23

Me

Gas Station by me is out

06 Sep 2017 07:23

Me

My mom went while I was sleeping to put gas. I was like wtf. She said she waited for a while and then it ran out of gas

06 Sep 2017 07:24

Me

And some dude told her to go to the marathon gas station. There was a line there too I believe but somebody pointed out an open pump and she was able to pull in

06 Sep 2017 07:26

Autumn

Yes they were open. I saw a few people at the pumps, like normal

06 Sep 2017 07:26

12 Sep 2017 21:17

Autumn

Ok that's good

12 Sep 2017 21:18

12 Sep 2017 21:30

Autumn

12 Sep 2017 21:33

Autumn

Well is she cognitively intact

12 Sep 2017 21:33

Me

I'm not sure I know she can't see or walk and is in her 90s

12 Sep 2017 21:34

Autumn

It seems she can't physically care for herself. I'm assuming she's not mentally all there at this point either. At least she'd get appropriate care and hopefully be treated with respect

13 Sep 2017 11:39

It's crazy because it's literally right across the street from the hospital. I wonder why they weren't transported there

Autumn

That's the video you wanted

13 Sep 2017 15:21

Me

Hahaha thank ya bebe

13 Sep 2017 15:24

Autumn

Babe there's 8 people as of now who died in that nursing home. It's all over CNN and like every national news channel

13 Sep 2017 15:39

Autumn

Can you imagine dying that way? They had like 2-3 people per room, just in there dying of heat

13 Sep 2017 15:40

Me

Damn babe WTF

13 Sep 2017 15:40

Autumn

Not to be rude but it sounds like something that occurs in a third world country that doesn't have resources or some shit. Wtf were the staff doing!!!!

13 Sep 2017 15:40

Me

If they don't hurry up. More will be gone

13 Sep 2017 15:41

Autumn

Imagine that happening to your family members. I don't understand how these medical personnel were just allowing this to happen

13 Sep 2017 15:41

Me

Yea babe. But is it more of the electricians problems or staff

13 Sep 2017 15:42

Me

Idk all that happened

13 Sep 2017 15:42

Autumn

FBI is there on the site now. I'm sure all patients have been evacuated at this point

13 Sep 2017 15:42

Autumn

That's what I'm staying. Negligent staff

13 Sep 2017 15:42

Autumn

Not providing appropriate care, evacuating patients, transferring them to other facilities

13 Sep 2017 15:43

Autumn

Turn the news on, it's been on literally every channel

13 Sep 2017 15:43

Me

Should they have been toweling them with cold water and things like that?

13 Sep 2017 15:44

Autumn

How about hydrating them

13 Sep 2017 15:45

Autumn

Providing water

13 Sep 2017 15:45

Autumn

Providing nutrients since they were dehydrated

13 Sep 2017 15:45

Me

Are we sure they weren't hydrating them? Imy TV isn't working babe.. Remember lol

13 Sep 2017 15:46

Autumn

And aside from all of that the patients should have been evacuated since the site clearly wasn't equipped to deal with that amount of patients in those circumstances

13 Sep 2017 15:46

Autumn

Smh sickening

13 Sep 2017 15:46

Autumn

Jason, they died of heat exhaustion

13 Sep 2017 15:46

Autumn

Obviously they were dehydrated

13 Sep 2017 15:46

Autumn

The point is they should not have even been in that facility

13 Sep 2017 15:47

Me

Babe I'm not informed as much.. Relax

13 Sep 2017 15:47

Me

I love you lol

13 Sep 2017 15:48

Autumn

That hospital is connected to one of our sites. Our patients were evacuated

13 Sep 2017 15:48

Autumn

13 Sep 2017 15:49

Me

14 Sep 2017 12:59

Autumn

Sorry I was irritable yesterday. I wasn't mad at you, I just get selfish with my time when I feel it's wasted

14 Sep 2017 13:00

Me

Was it though? We were sharing the time together, I understand and I feel the same way with others but I don't think it should be with us. Plus you got to do some activity and all ended well

14 Sep 2017 13:02

Autumn

No it wasn't wasted

14 Sep 2017 13:03

Autumn

It didn't go the way I wanted it to

14 Sep 2017 13:03

Me

I mean it was one day out of dozens... and I am the person that's wasting your time when I was all happy with you. I know I do the same though

14 Sep 2017 13:04

Autumn

I hate when I feel like all I've done is go to work and the gym. I hate feeling like that's all my day is or my life is..that M-F shit. That's why I prefer going to the gym in the morning so when I get out of work I at least have the evening to do things I want

14 Sep 2017 13:05

Autumn

But obviously the whole schedule thing is thrown off with places being out of power, not staying at my home, etc

14 Sep 2017 13:06

Me

Alright

14 Sep 2017 13:07

Autumn

I know babe. It wasn't a waste with you, maybe other days the same thing wouldn't bother me as much. Just wasn't in a mood for the plan to be disrupted

14 Sep 2017 13:07

Autumn

I love you

14 Sep 2017 13:07

Autumn

I hear what you're saying. It literally has nothing to do with you. Just wasn't feeling myself

14 Sep 2017 13:09

Autumn

And also

14 Sep 2017 13:11

Autumn

I love you

14 Sep 2017 13:12

Me

Wish I could pull you out of that state. Maybe a little smack on the ass from daddy would of helped

14 Sep 2017 13:14

Me

I love you

14 Sep 2017 13:14

Me

14 Sep 2017 13:27

Me

Even this morning power was off at work. Apparently it was working fine yesterday and then went back off. There was one building with lights, running off a generator. We had the meeting in there sweating and then poof lights went on

14 Sep 2017 13:27

Autumn

Wonder if my power will be restored today

14 Sep 2017 13:27

Me

15 Sep 2017 13:51

Autumn

Guess we're in that 30%

15 Sep 2017 13:51

Autumn

Why can't I be in that small percentage of people who win the lotto or something like that.. instead of the small percentage of people who don't have power

15 Sep 2017 13:53

Me

I wonder how the beach is doing with power. I got some pics of Hollywood. Some if those garbage stones got tossed and some homes with roofs

15 Sep 2017 17:10

Me

Phones going to die

15 Sep 2017 17:10

15 Sep 2017 17:11

Me

I'm back

15 Sep 2017 17:54

Me

You and I are going to pick up the herb

15 Sep 2017 17:54

Autumn

It doesn't have to be complicated

15 Sep 2017 17:55

Autumn

And why don't you answer your phone

15 Sep 2017 17:55

Autumn

I don't understand why we can't go to the gym as we were going to. I'm not going to be driving around here, there, everywhere, waiting for this and that. I'll just do what I want to do and see you later

15 Sep 2017 17:55

Autumn

Can't stand when you tell me one thing and do another. I'm not going to wait until the second you're available to do something. Don't you understand you have me driving all over south fl? It's ridiculous

15 Sep 2017 17:55

Me

15 Sep 2017 18:20

Autumn

How old are you

15 Sep 2017 18:20

Autumn

Don't act shady

15 Sep 2017 18:20

Autumn

I can't fucking deal with this shit

15 Sep 2017 18:20

Autumn

Why should I believe in this when we can't resolve problems or exchange basic communication

15 Sep 2017 18:21

Autumn

I'm done trying to be more reasonable and effortful than you care to be

15 Sep 2017 18:23

Autumn

Just let me go. You don't want a relationship like normal adults have.

15 Sep 2017 18:24

Autumn

And no, don't expect me to calm down, explain shit and be rational. Why don't you give that a try

15 Sep 2017 18:29

Autumn

You can't even carry on a conversation or answer my calls? Wif that's some basic shit and you're telling me I can't rely on you for even that? Really?

15 Sep 2017 18:31

Autumn

If you want to try to work this out, meaning this relationship, you need to give me a sign. Because I can't do this like this. Seriously

15 Sep 2017 18:33

Me

17 Sep 2017 09:34

17 Sep 2017 09:35

Me

17 Sep 2017 12:02

Me

That's what I'm up to

17 Sep 2017 12:02

Autumn

I don't think it was weak

19 Sep 2017 09:55

Autumn

What are you doing

19 Sep 2017 09:56

Me

At saying cuz tolerance builds quick I think. At least with lsd and shrooms it does. Literally need double dose in order to feel anything after your first. Takes about a week to only need a regular dose

19 Sep 2017 09:56

Autumn

Ok, I haven't noticed that with mushrooms

19 Sep 2017 09:57

Me

If you take 2g mushrooms. You'll need 4g to feel 2g. If you do it with in the week

19 Sep 2017 09:58

Me

Needed to spray off the "natef certified" part lol. We have another poster

19 Sep 2017 09:59

Autumn

Yes I understand what you're saying...you need more to get the same effect...tolerance

19 Sep 2017 10:00

Autumn

Arts and craftin huh babe

28 Sep 2017 11:26

Me

Where is it you wanted to go

28 Sep 2017 11:26

Autumn

Well there's one place I haven't been called Laser Wolf

28 Sep 2017 11:27

Autumn

Or Funky Buddha...we could play some games

28 Sep 2017 11:28

Me

Rather try Laser Wolf

28 Sep 2017 11:28

Autumn

And then there's another place called Rhythm and Vine that I've been to once and it was cool

28 Sep 2017 11:29

Autumn

Why

28 Sep 2017 11:29

Me

Yes I know rhythm n vine

28 Sep 2017 11:29

28 Sep 2017 11:30

Autumn

Ok. So why do you think Laser

28 Sep 2017 11:30

Autumn

That one is right by the apt. Well all of them are close actually, in FLL

28 Sep 2017 11:31

Me

Well actually let do funky Buddha for the food.

28 Sep 2017 11:31

28 Sep 2017 11:40

Me

*They wont reimburse. There is a supply place here but
I'm fine with getting it myself.*

28 Sep 2017 11:41

Autumn

*Then just get it from whatever they have. Why waste
your own \$*

28 Sep 2017 11:42

10\$ is a lot for salad lol

02 Oct 2017 17:54

Autumn

Oh they also have a frozen yogurt self serve thing. Like at yogurtland...except it's just chocolate and vanilla... and then a few toppings you could put

02 Oct 2017 17:54

Autumn

Yea but they have all of this stuff so you can eat whatever

02 Oct 2017 17:55

Autumn

And get up again and sit down again

02 Oct 2017 17:55

Autumn

There's no service really. You just get up and get your food and sit down

02 Oct 2017 17:55

06 Oct 2017 09:21

Autumn

I thought you loved me though

06 Oct 2017 09:24

Me

I do

06 Oct 2017 09:31

Me

I remember that Amanda got you a ME massage spa thing.. That's love. And it's printed on that bench if you're wondering what it is you're looking at which you will ask

06 Oct 2017 09:32

Autumn

What am I looking at

06 Oct 2017 09:32

Autumn

Oh lol

06 Oct 2017 09:32

Autumn

I need to use that!

06 Oct 2017 09:32

Autumn

I have a 4 hour skype call today

06 Oct 2017 09:49

Autumn

And I had a 2 hour one yesterday

06 Oct 2017 09:49

Me

Fun

06 Oct 2017 09:49

Me

What does that mean exactly though

06 Oct 2017 09:49

Autumn

Not

06 Oct 2017 09:50

Autumn

Basically to get certified for these different cognitive and behavioral assessments that we use to measure patients' symptoms throughout the research studies

06 Oct 2017 09:50

Autumn

Although I have experience with a lot of them already from school and previous jobs

06 Oct 2017 09:51

Me

Pretty cool to have more credentials though

06 Oct 2017 09:52

Autumn

Since the FDA regulates clinical research they want to be sure that you're proficient in the administration process so before they allow you to do with them patients you have to submit your experience with each one and then if they approve you, you have to set up a Skype interview with the company to basically practice administer the assessments

06 Oct 2017 09:53

Me

That's my baby though

06 Oct 2017 09:54

Me

That is a long Skype session though

06 Oct 2017 09:54

Autumn

Yea I know, takes up half the day. 12-4

06 Oct 2017 09:55

Autumn

So basically I administer each assessment to the person on the phone as if they were one of the research subjects. They ask you questions and stuff to ensure you really know each assessment well. Then they send you the certification which allows you to work on the particular research trial. This one today is long, there's a lot of different assessments

06 Oct 2017 09:55

Me

Oh OK so each trial has a different assessment/s

06 Oct 2017 09:58

Autumn

Right

06 Oct 2017 09:58

Me

Well good luck babe

06 Oct 2017 10:00

Autumn

Well there are common ones. Like at our site right now we have about 5 different trials going on that are all studying a different schizophrenia med. Although each of those trials are sponsored by different companies one of the assessments that is used in all of them is the PANSS (positive and negative symptom scale of schizophrenia)

So even though it's the same assessment, each company makes you do a certification session with them to ensure you know how to do it...pretty redundant but that's I guess their ethical duty to protect subjects, protect the integrity of the data, etc

06 Oct 2017 10:02

Autumn

Thanks babe, I've noticed certain people will try to ask trick questions lol... don't try me, I'll you

06 Oct 2017 10:02

Autumn

Anyway what are you doing now

06 Oct 2017 10:02

06 Oct 2017 16:36

Me

Nope but I would of still found you interesting. Maybe

06 Oct 2017 16:36

Me

Being fat and being hairy is not the same

06 Oct 2017 16:36

Autumn

But you wouldn't have that level of attraction that would allow things to move forward

06 Oct 2017 16:37

Autumn

It's not

06 Oct 2017 16:37

Autumn

How hairy are you talking? Like that guy in the video? Idk it's a bit much for me

07 Oct 2017 12:03

Autumn

a surgical procedure to remove it because it may not
fully pass from the uterus*

07 Oct 2017 12:04

Autumn

First one was blurry

07 Oct 2017 12:05

Autumn

Hope I'm not one of those 2-7/100 people

07 Oct 2017 12:05

Me

I'm worried about how you're going to feel during this

07 Oct 2017 12:06

Me

07 Oct 2017 12:06

Autumn

*Basically it says common symptoms are abdominal
pain, cramping, bleeding, diarrhea*

07 Oct 2017 13:14

07 Oct 2017 13:15

Me

Next time. There is always something going on

07 Oct 2017 13:15

Autumn

What do you mean

07 Oct 2017 13:15

Autumn

You could have said that we can go together after I finish

07 Oct 2017 13:16

Autumn

So no I'll just do my own thing

07 Oct 2017 13:16

Me

I was taking about the job always something going on

07 Oct 2017 13:32

Autumn

I said you could have waited for me I'm sure you knew I'd want to go to the gym at some point. But you didn't consider that so I'll just do my own thing

07 Oct 2017 13:33

Me

I didn't know you wanted to go

07 Oct 2017 13:35

Me

Do your think even though I said to come

Autumn

Ok, so maybe ask

07 Oct 2017 13:35

Me

*Thing**

07 Oct 2017 13:35

Autumn

But you didn't consider any of that or try to include me or spend time together. Seems like you you're doing your own thing so I guess that's what I'll do too

07 Oct 2017 13:36

Autumn

You tell me to come after the fact. My point is you don't try to make a plan to do something with me. Forget it man

07 Oct 2017 13:37

Autumn

You'd think you'd want to spend time together, especially with all of this happening. But you're just doing your own thing. I find that strange

07 Oct 2017 13:38

Me

I wasn't planning on coming until I started over thinking shit. I just needed to get out

07 Oct 2017 13:38

Me

Do what ever. Anything I do is a fucking issue.

07 Oct 2017 13:39

Autumn

You deal with things on your own and I'll deal with things on my own. Seems like how you want it

07 Oct 2017 13:39

Autumn

No I just wanted to be with you. What a crime

07 Oct 2017 13:41

08 Oct 2017 13:12

10 Oct 2017 18:36

Me

How's the recovery going babe

10 Oct 2017 18:40

Autumn

Physically, I feel ok. I can still tell when the ibuprofen is wearing off and need another dose.

Other than that, I feel like now I'm processing the emotional part of it. I think on Friday and over the weekend I was in problem solving mode and not in touch with emotions really...but now that it's mostly been solved, they're coming up

10 Oct 2017 18:44

Me

OK babe. We should talk about this later?!

10 Oct 2017 18:44

Me

At least you're feeling better

Me

I want to hear you out later

10 Oct 2017 18:48

Autumn

Yea exactly

10 Oct 2017 18:48

Autumn

I think a lot has to do with the after effects of the medications and process overall. Went from having pregnancy hormones to then abruptly killing those hormones with other hormones. I just feel all out of whack

10 Oct 2017 18:48

Me

I can come over tonight babe

10 Oct 2017 18:49

18 Oct 2017 10:44

Autumn

Tomorrow is Amanda's bday (aka the day she'll be bleeding out) and she wants to have Las Chicas™ over. I think she may still plan to do the Halloween thing on Saturday so that will be fun

18 Oct 2017 10:45

Me

Definitely over the weekend? If not today then tomorrow for sure I'll see you WTF you talkin

18 Oct 2017 10:47

Autumn

I'm saying if you don't want me to come tonight then definitely over the weekend. Tomorrow I told Amanda I'd spend the evening with her for her bday/abortion day ...so that's not an option tomorrow

18 Oct 2017 10:50

Autumn

Why are you being so rude? There's a nicer way to talk to me.

18 Oct 2017 10:50

Me

I'm not being rude

18 Oct 2017 10:51

Me

I meant Friday anyway

18 Oct 2017 10:51

Autumn

18 Oct 2017 10:52

18 Oct 2017 12:37

Autumn

My cousin that lives in MN, remember she was down here in FL somewhere when my brother was living here?...and I didn't end up seeing her

18 Oct 2017 12:38

Autumn

I haven't seen her for probably 13-15 years. I only really keep in contact with her/message here and there through Facebook. She got married few months ago and invited me to her wedding but I didn't go so I'm going to mail her this card and gift card... like 3 months later but hey it's the thought that counts right lol

18 Oct 2017 12:40

Me

Yea it's the thought that counts. At least she's getting anything from you. I don't get shit from any family member really. Good cousin

18 Oct 2017 12:45

Autumn

I messaged her to ask for her address and she seemed really thankful and happy that I said I wanted to send her something

18 Oct 2017 12:46

Autumn

I know she's been through a lot, her dad died when she was 2, her mom is a useless human being too

18 Oct 2017 12:48

Autumn

For many years we didn't have contact until she randomly found and messaged me online. That was a few years ago and she was telling me how she went through a lot, Who is really depressed for a long time, attempted suicide, etc. For the past couple years she's been dating this guy and doing better. When they got married they moved to another state together, seems better that she got out of that environment she grew up in. She's only like 21 now

18 Oct 2017 12:49

Autumn

*She was really depressed **

18 Oct 2017 12:50

Me

Hopefully they do belong together then. Maybe he helped open her eyes up

18 Oct 2017 12:51

Autumn

That's the end of my rant. I'm happy to stay in touch with her to some extent

18 Oct 2017 12:51

Autumn

Yea I hope they're happy together

18 Oct 2017 12:56

20 Oct 2017 10:05

Autumn

I didn't see that

20 Oct 2017 10:05

20 Oct 2017 13:00

Autumn

Can you ask how long it will take to resolve?

20 Oct 2017 13:00

Me

*Yes all they are going to do is give me another check.
Probably a pay period from now*

20 Oct 2017 13:01

Autumn

Oh ok. Wow

20 Oct 2017 13:02

Autumn

What are you missing then?

20 Oct 2017 13:02

Me

IDK yet. Probably the insurance

20 Oct 2017 13:02

Autumn

*If it's only one day you can probably talk to the car
place and let them know you have "x" amount less?*

20 Oct 2017 13:02

Me

*That will probably change the whole agreement term.
Guess we'll find out*

20 Oct 2017 13:03

Autumn

*No I'm asking how much are you missing from the

lend you that money but I'd need it back by 2 weeks
from now for rent*

20 Oct 2017 13:14

Me

We'll see babe. Thanks

20 Oct 2017 13:16

Autumn

I don't see why it would break the deal over \$200

20 Oct 2017 13:23

Autumn

But lmk if so

20 Oct 2017 13:24

Me

*Well cuz its separate from the payment. It's the tag
transfer. Maybe I'll tell then I'll take it for 3 flat*

20 Oct 2017 13:33

Autumn

Ok I see

20 Oct 2017 13:33

Autumn

I wanted to ask if you wanted me to get you anything from target. They had a few masks

20 Oct 2017 14:06

Autumn

You don't have to dress up but there's a few things you could use if you want

20 Oct 2017 14:06

Autumn

I'm done

22 Oct 2017 12:21

Autumn

Don't talk to me

22 Oct 2017 12:21

Autumn

See again you've proved to me you can't have a real relationship. Can't answer your phone? Having this conversation is too difficult for you? And you think you would have stepped up to deal with real shit if a baby was involved? Yea fucking right

22 Oct 2017 12:21

Autumn

It baffles me you're ok with things happening like this. I don't understand how you can be so rude to someone you say you love and is everything to you. Those things are nice to hear but it's not backed up whatsoever when things go wrong. How can I not lose faith in us? You won't go an extra mile to resolve a problem. You won't get uncomfortable and face a difficult conversation to save our relationship. That breaks my heart and I just can't understand how you're ok with it

22 Oct 2017 12:41

Me

Home bebe

22 Oct 2017 21:59

Me

Ok

04 Nov 2017 13:15

04 Nov 2017 13:15

Autumn

04 Nov 2017 13:16

Me

04 Nov 2017 13:24

Me

So. I it's cool for me to wait but not for you?

04 Nov 2017 13:24

Autumn

I would be waiting because I originally planned to go straight from the gym but I said I'd go home and wait until you got there

Autumn

It's fine babe. Just eat your pizza

04 Nov 2017 13:25

Autumn

I was going to go to you after the gym. Had my clothes to shower and everything

04 Nov 2017 13:26

Autumn

I wish you would have told me

04 Nov 2017 13:28

Autumn

I had things in mind I needed to do and we could have gone together

04 Nov 2017 13:28

Autumn

You had a plan and so did I

04 Nov 2017 13:28

Autumn

Now can we stop. I'll see you when you're done eating

04 Nov 2017 13:31

Autumn

Ok and then several hours passed and hadn't heard from you. I wanted to get to the things I have to do as well

04 Nov 2017 13:37

Autumn

I'm done with this convo. I'm trying to clarify and move forward and you're stuck on it when you didn't communicate completely well either.

04 Nov 2017 13:37

Me

Could of have me a heads up

04 Nov 2017 13:37

Me

You knew where i was. I didn't know where you were

04 Nov 2017 13:38

Autumn

So moving forward can we communicate what's happening. Are you going to come over after you eat? Or will you go home and shower?

04 Nov 2017 13:38

Me

Home

04 Nov 2017 13:43

Autumn

Ok so see you later

04 Nov 2017 13:43

Autumn

There was lack of communication I'm trying to make the best of it moving forward.

04 Nov 2017 13:44

Autumn

Do you care to do that as well?

04 Nov 2017 13:44

Autumn

I think you should just quit it and come over after you eat since you have your things

04 Nov 2017 13:45

Autumn

I'll be home shortly

04 Nov 2017 13:45

Me

I'm finished eating

04 Nov 2017 13:49
