TO WHOM IT MAY CONCERN:

*It is indeed a personal and professional pleasure for me to offer this unsolicited letter of recommendation for Michael Hutchinson.*

*Michael has become a close friend over the past two years I have known him. Initially, he was just another student at Georgia Southwestern, struggling through the maze of course work, while juggling academic activities with a vast array of co-curricular commitments. Shortly after meeting Michael, I knew he was a young man of unique quality. He impressed me with his easy-going style, engaging personality and an uncommon desire to learn.*

*While he was finishing his academic preparation, he made time to participate in intercollegiate athletics, service and social organizations and led the prestigious SABU organization in his senior year. As a junior, Michael ran for the Student Government Association President and gained sufficient votes for a run-off. He impressed me with the mature, well-informed and courteous way in which he conducted his campaign. Although he was not successful in that campaign, he earned the deep respect of his peers and members of the faculty and staff of Georgia Southwestern. He opened the door for many minority students at our college who would seek leadership roles, but fear taking the initial steps.*

*Michael broadened his education and perspectives on life through postgraduate study in Europe in the Summer of 1982. This learning experience further confirms my appraisal of Michael Hutchinson as a uniquely gifted, achievement-oriented man with excellent potential for major leadership roles in his chosen career field.*

I trust that you will carefully consider him and permit him the opportunity of expression of his leadership potential. You will be glad you did.

Sincerely,

A handwritten signature in cursive script that reads "Roger G. Campbell". The signature is written in dark ink and is positioned above the typed name.
