500 Washington Avenue  
Savannah, Georgia

Dear Mr. <sup>Michael</sup>Hutchinson:

Congratulations on the excellent impression the Savannah High School Jazz Band made at the Governor's Conference on Education! Your performance reflected very positively on Savannah-Chatham County Public Schools. Thanks!

Please share my appreciation with each of your student musicians.

The school system and the state of Georgia are fortunate to have such talented and dedicated young people as representatives. With such a satisfactory sound and stage presence so early in the school year, I look forward to seeing the group perform again sometime during the 1993-94 school year.

Please thank everyone connected with the jazz band for helping us demonstrate to state officials that we are becoming the best school system, working together for every learner.

Sincerely,

Patrick J. Russo, Ed.D.
