One third of your tuition is \$430.00. According to our records, you have paid \$365.00. To be awarded your B.Msc., order your Bachelor/Minister certificates and IMM minister's card, you will need to remit an additional \$65.00.

About Your Ministerial And Degree Recognition Status

EXTREMELY IMPORTANT

Please Read Carefully

It is our responsibility to ensure you receive all the correct information so you can make a well informed decision. Please take the time to read through the reasons why it is important to renew your annual ministerial affiliation fee of **\$60.00**.

Metaphysical Degrees are determined by the Department of Education in Washington D.C. as non-secular and are thus classified and regarded as religious in nature. They are awarded in regard to professional ministerial work done in relation to teachings, directly or indirectly associated with lessons appearing within the ministry lessons of our university system.

The International Metaphysical Ministry, parent body of the University of Metaphysics and the University of Sedona, has the full legal right to award the diplomas and degrees it offers to its graduates. Graduates have the full legal right to use doctoral titles awarded in conjunction with the ministerial status conferred.

There is no recognized federal accrediting agency for metaphysical degrees because of the separation of church and state. In order to ensure that you are **legally entitled** to use your degree titles after your name, the International Metaphysical Ministry gives your degree(s) their legal status.

If you are not an active Minister or do not intend to have a ministry you will still be required to renew your annual affiliation fee of \$60.00. This ensures your good standing with the International Metaphysical Ministry, and thus the use of your ministerial degree titles.

You would not be required to submit Minister reports. We would, however, require a letter stating that you are inactive.

Please also consider that if ever your degree/s were called into question or if we had to produce an official transcript of your student records, we would note on the transcript that you are "not in active current standing with International Metaphysical Ministry". We would still produce your official transcript.

The annual affiliation fee also goes towards administrative costs for keeping your student records. In case you have the need for us to validate your credentials or produce an official transcript, we can do that for you. We keep your student records secure and for an indefinite time. If we lose contact with you for any reason, your student file is relocated to our archives department where it can be easily retrieved.

The choice is entirely yours but we encourage you to keep your affiliation current and in good standing.

If you have any questions regarding any of the above, it will be our pleasure to answer them.

We Recognize Your Contributions Influencing the Betterment of Humanity.

Thank You and Many Blessings.

Hi Rev, Sonja

Sorry for all the confusion regarding a payment plan.

It was over a year ago that you emailed regarding taking the University course.

In replying to your email on January 11th 2015 (over a year ago) I explained that CIMM does not have a payment plan but as a one time offer I would personally loan you the \$250.00 if you could pay \$55.00 per month for 5 months.

If you would like to accept this offer I will pay the fee of \$250.00 so we can process your application.

Please send 5 - \$55.00 post dated cheques with your application made payable to Dr. John Bright.

We look forward to including you in our Canadian family of Metaphysical Ministers.

Blessings

Dr. John

PS - If you have not received your graduation certificate we will accept a scanned copy of the University letter saying you have passed your Bachelors Degree and you can email a copy of the certificate when it arrives.

WHAT DO I GET FOR MY MEMBERSHIP FEES? – From Dr. John

You are a vital part of the CIMM family of Metaphysical Ministers, sharing a common philosophy and promoting our Ministry in Canada.

Included with your membership fee, you will receive a listing on the CIMM website consisting of your picture, your own individual profile outlining your expertise (no more than 150 words please), your email, and a web link of your choice. Registered ministers will also have their name and email listed on the Weddings & Memorial page. You also have the option of posting an Ad on the Weddings & Memorial page, for only \$10.00 per year.

CIMM head office, in B. C., is prepared to answer any and all questions you may have concerning how to become incorporated and receive a Revenue Canada tax number for giving donation receipts to your members. How to get a Centre started on a shoestring budget. And many other questions you may have concerning our philosophy, policies, and procedures. We are as close as your nearest computer or telephone.

Your membership fees and Professional fees are our only source of revenue for paying our administrative costs and liability insurance. Dr. John, and his daughter, perform all of the administrative work, including: accounting; Government reports; work completing and maintaining the Extra Provincial Incorporations in Alberta, Ontario & Quebec; as well as organizing all the details for CIMM conventions. Dr. John, as the Founder of CIMM, volunteered his time for the first three years of CIMM operation.

CIMM members in Alberta, B.C., Ontario, and Quebec, qualify to be registered with the Government to perform weddings and are assessed an annual professional fee of \$250.00 (a fraction of the income from one wedding). As we have limited control over our members who perform weddings, we require substantial liability insurance, which is very expensive. We are also required to keep records and files for reporting to the Department of Vital Statistics.

As members, you are a valued and important part of our ongoing growth and expansion. Your support is greatly appreciated as it enables us to establish, and provide you with, the tools and resources to allow us all to continue the important work within our respective communities.
